Beyond the Evangelical Gender Roles Gridlock Paul J. Palma, 2024-11-30 Present day Evangelicalism represents a microcosm of broader tensions over male and female gender roles with some denominations carefully delimiting women leadership roles especially the female pastor and many others supporting them The letters attributed to Paul the Apostle contain several divisive passages on the meaning of manhood and womanhood Dated and dubious readings of these have led some Christians and non Christians alike to conclude that Paul wrote with misogynistic intent Others quote them to justify Christian patriarchalism *Beyond the Evangelical Gender Roles Gridlock* Reimagining Paul s Views on Women Marriage and Ministry reassesses what Paul said about women reinterpreting his claims on marriage and ministry leadership in light of his first century worldview This book proposes a nuanced theological egalitarian approach with significant implications for renewing twenty first century congregations homes and society

Four Views on the Role of Works at the Final Judgment Robert N. Wilkin, Thomas R. Schreiner, James D. G. Dunn, Michael P. Barber, 2013-07-09 Through a discussion of Biblical texts this book presents four perspectives on the role of works at the final judgment The final judgment is the last and final act before God dwells with his people forever Scripture makes that clear but what function do our actions play in the final assessment of our souls especially those of professing Christians The contributors each state their case for one of four prominent views on the effect of works at the end of time Robert N Wilkin Works will determine rewards but not salvation Thomas R Schreiner Works will provide evidence that one actually has been saved James D G Dunn Works will provide the criterion by which Christ will determine eternal destiny of his people Michael P Barber Works will merit eternal life This book allows each contributor to not only present the case for his view but also to critique and respond to the critiques of the other contributors allowing you to compare their beliefs in an open forum setting to see where they overlap and where they differ The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and

respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion
