Nachalo Sophia Lubensky, Gerard L. Ervin, Donald K. Jarvis, 1996 Nachalo Sophia Lubensky, Nachalo Tatiana Smorodinskaya, 1996-03 Available in a 2 volume format Nachalo is the most exciting text available for beginning Russian courses Written by a respected team of Russian scholars and linguists Nachalo presents grammar functionally and teaches students the four skills of listening speaking reading and writing within the context of a wealth of cultural information The abundant practice material in Nachalo ranges from focused and controlled to open ended and communicative Nachalo features an on going story set in Russia with a cast of Russian and American characters exposing students to new vocabulary and structures in authentic situations Most exciting of all Nachalo includes the most extensive package of support materials for any beginning Russian text on the market including a video tied specifically to the text shot on location in Moscow The Second Edition is even more powerful with a text specific Website and an all new student CD ROM **Wagner and Russia** Rosamund Bartlett, 1995-02-02 This book explores the influence of the composer Richard Wagner on Russian writers musicians and artists *The Liberation Movement in Russia 1900-1905* Shmuel Galai, 2002-06-27 The story of Russian liberalism s failure to present an effective alternative to Tsarism and Bolshevism **When the Future Came: The Collapse of the USSR and the Emergence of National Memory in Post-Soviet History Textbooks** Li Kurbatov, Sergiy Bennich-Björkman, 2019-11-30 This captivating volume brings together case studies drawn from four post Soviet states Russia Ukraine Belarus and Moldova The collected papers illustrate how the events that started in 1985 and brought down the USSR six years later led to the rise of fifteen successor states with their own historicized collective memories The volume s analyses juxtapose history textbooks for secondary schools and universities and how they aim to create understandings as well as identities that are politically usable within their different contexts From this emerges a picture of multiple perestroika s and diverging development paths Only in Ukraine a country that recently experienced two popular uprisings the Orange Revolution and the Revolution of Dignity the people themselves are ascribed agency and the power to change their country In the other three states elites are instead presented as prime movers of society as is historical determinism The volume s contributors are Diana Benchechi Andrei Dudchik Liliya Erushkina Marharyta Fabrykant Alexandr Gorylev Andrey Kashin Alla Marchenko Valerii Mosneagu Alexey Rusakov Natalia Tregubova and Yuliya Yurchuk *Russia in the Nineteenth Century* Polunov, This is a comprehensive interpretive history of Russia from the defeat of Napoleon to the eve of World War I It is the first such work by a post Soviet Russian scholar to appear in English Drawing on the latest Russian and Western historical scholarship Alexander Polunov examines the decay of the two central institutions of tsarist Russia serfdom and autocracy Polunov explains how the major social groups the gentry merchants petty townspeople peasants and ethnic minorities reacted to the Great Reforms and why despite the emergence of a civil society and capitalist institutions a reformist evolutionary path did not become an alternative to the Revolution of 1917 He provides detailed portraits of many tsarist

bureaucrats and political reformers complete with quotations from their writings to explain how the principle of autocracy although significantly weakened by the Great Reforms in mid century reasserted itself under the last two emperors Polunov stresses the relevance for Russians in the post Soviet period of issues that remained unresolved in the pre Revolutionary period such as the question of private property in land and the relationship between state regulation and private initiative in the economy

Russia in the Nineteenth Century A. I. U. Polunov, Thomas C. Owen, L. G. Zakharova, 2015-02-12 This is a comprehensive interpretive history of Russia from the defeat of Napoleon to the eve of World War I It is the first such work by a post Soviet Russian scholar to appear in English Drawing on the latest Russian and Western historical scholarship Alexander Polunov examines the decay of the two central institutions of tsarist Russia serfdom and autocracy Polunov explains how the major social groups the gentry merchants petty townspeople peasants and ethnic minorities reacted to the Great Reforms and why despite the emergence of a civil society and capitalist institutions a reformist evolutionary path did not become an alternative to the Revolution of 1917 He provides detailed portraits of many tsarist bureaucrats and political reformers complete with quotations from their writings to explain how the principle of autocracy although significantly weakened by the Great Reforms in mid century reasserted itself under the last two emperors Polunov stresses the relevance for Russians in the post Soviet period of issues that remained unresolved in the pre Revolutionary period such as the question of private property in land and the relationship between state regulation and private initiative in the economy

Women and Society in Russia and the Soviet Union Linda Edmondson, 1992-08-20 Until the late 1960s most Western scholars studying the history culture social and political life and economy of Russia and the Soviet Union paid scant attention to the participation and experience of women The multifarious ways in which gender roles and perceptions of gender were influenced by and in turn influenced the heterogeneous cultures of the Soviet empire were largely ignored However this neglect has slowly been rectified and now the study of women and gender relations has become one of the most productive fields of research into Russian and Soviet society This volume demonstrates the originality and diversity of this recent research Written by leading Western scholars it spans the last decade of tsarist Russia the 1917 revolutions and the Soviet period The essays reflect the interdisciplinary nature of women's work women and politics women as soldiers female prostitution popular images of women and women's experience of perestroika

Heidegger in Russia and Eastern Europe Jeff Love, 2017-07-17 Heidegger's influence in the twentieth century probably outstrips that of any other philosopher at least in the so called Continental tradition The revolution Heidegger brought about with his compelling readings of the broader philosophical tradition transformed German philosophy and spread quickly to most of Europe the United States and Japan This volume examines Heidegger's influence in a region where his reception has had a remarkable and largely hidden history Eastern Europe and Russia The book begins by addressing two important literary influences on Heidegger Dostoevsky and Tolstoy It goes on to examine Heidegger's philosophical influence and features three crucial figures in the

reception of Heidegger's thought in Eastern Europe and Russia Vladimir Bibikhin Krzysztof Michalski and Jan Patočka Finally the volume deals with an often vexed issue in current treatments of Heidegger the importance of Heidegger's philosophy for politics The book includes essays by an international team of contributors including leading representatives of Heideggerian thought in Russia today Heidegger's thought plays a key role in debates over Russian identity and the geopolitical role Russia has to play in the world The volume surveys the complicated landscape of post Soviet philosophy and how the rise of widely differing appropriations of Heidegger exploit familiar fault lines in the Russian reception of Western thinkers that date back to the first stirrings of a distinctively Russian philosophical tradition

Russia's Regional Identities Edith Clowes, Gisela Erbslöh, Ani Kokobobo, 2018-01-17 Contemporary Russia is often viewed as a centralised regime based in Moscow with dependent provinces made subservient by Putin's policies limiting regional autonomy This book however demonstrates that beyond this largely political view by looking at Russia's regions more in cultural and social terms a quite different picture emerges of a Russia rich in variety with different regional identities cultures traditions and memories The book explores how identities are formed and rethought in contemporary Russia and outlines the nature of particular regional identities from Siberia and the Urals to southern Russia from the Russian heartland to the non Russian republics

The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917 Maureen Perrie, D. C. B. Lieven, Ronald Grigor

Suny, 2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union Higher Education in Russia Yaroslav Kuzminov, Maria Yudkevich, 2022-09-13 Higher Education in Russia is a must read for scholars of higher education and Russian history alike

Oil and the Economy of Russia Nat Moser, 2017-10-20 This book examines the development of the Russian economy from tsarist times to the present through the lens of the oil industry It considers the role of the state business state relations foreign participation enterprise performance and technology Besides providing much rich detail on the changing nature of the oil industry the book also puts forward important conclusions including the fact that in the late nineteenth century private enterprise rather than the state was the principal driver of economic development and that after the collapse of the Soviet Union incumbent managers were more effective in running their companies than financier entrants whose main concern was short term gain

Marriage, Household and Home in Modern Russia Barbara Alpern Engel, 2021-08-12 Barbara Alpern Engel's *Marriage Household and Home in Modern Russia* is the first book to explore the intricacies of domestic life in Russia across the modern period Surveying the period from 1700 right up to the present day the book explores the marital and domestic arrangements of Russians at multiple levels of society and the impact of broader historical developments including war and revolution upon them It also traces the evolution of marriage household and home as institutions over three centuries whilst also highlighting the inter relationship between public policy and private life in what is a wholly original historical assessment of domesticity in modern Russia In the process the author expertly synthesizes the key works arguments and discussions in the field mapping out the historiographical landscape of this

compelling aspect of Russian social history Marriage Household and Home in Modern Russia is crucial reading for any student or scholar of modern Russian history *Social Identity in Imperial Russia* Elise Kimerling Wirtschafter,1997-10-01 A broad panoramic view of Russian imperial society from the era of Peter the Great to the revolution of 1917 Wirtschafter's study sets forth a challenging interpretation of one of the world's most powerful and enduring monarchies A sophisticated synthesis that combines extensive reading of recent scholarship with archival research it focuses on the interplay of Russia's key social groups with one another and the state The result is a highly original history of Russian society that illuminates the relationships between state building large scale social structures and everyday life Beginning with an overview of imperial Russia's legal and institutional structures Wirtschafter analyzes the ruling classes and service elites the land owning nobility the civil and military servicemen the clergy and then examines the middle groups the *raznochintsy* the commercial industrial elites the professionals the intelligentsia before turning to the peasants townspeople and factory workers Wirtschafter argues that those very social political and legal relationships that have long been viewed as sources of conflict and crisis in fact helped to promote integration and foster the stability that ensured imperial Russia's survival *Russia Before The 'Radiant Future'* Michael Confino,2011-05-01 One of the major historians of prerevolutionary Russia has collected in this volume some of his most important essays Written over a number of years these pioneering works have been revised and updated and are complemented by others being published for the first time Thematically they cover major subjects in Imperial Russian history and in historical writing such as ideas and their role in historical change the intelligentsia the nobility and peasant society and historiography The twelve essays raise cardinal questions about current scholarship on Russian history before the upheavals of 1917 and offer original interpretations that are of interest to the educated layman as well as the professional historian **Russia's Protectorates in Central Asia** Seymour Becker,2004-08-02 This book examines the Russian conquest of the ancient Central Asian khanates of Bukhara and Khiva in the 1860s and 1870s and the relationship between Russia and the territories until their extinction as political entities in 1924 It shows how Russia's approach developed from one of non intervention with the primary aim of preventing British expansion from India into the region to one of increasing intervention as trade and Russian settlement grew It goes on to discuss the role of Bukhara and Khiva in the First World War and the Russian Revolution and how the region was fundamentally changed following the Bolshevik conquest in 1919-20 The book is a re issue of a highly regarded classic originally published in 1968 and out of print for some years The new version includes a new introduction some corrections of errors and a survey of new work undertaken since first publication

Liberalism in Pre-revolutionary Russia Susanna Rabow-Edling,2018-08-06 Nineteenth century Russian intellectuals were faced with a dilemma They had to choose between modernizing their country thus imitating the West or reaffirming what was perceived as their country's own values and thereby risk remaining socially underdeveloped and unable to compete with Western powers Scholars have argued that this led to the emergence of an anti Western anti modern ethnic nationalism In

this innovative book Susanna Rabow Edling shows that there was another solution to the conflicting agendas of modernization and cultural authenticity a Russian liberal nationalism This nationalism took various forms during the long nineteenth century but aimed to promote reforms through a combination of liberalism nationalism and imperialism

Shocking Mother Russia Andrea M. Chandler, 2004-01-01 Examining the reform process of the old age pension system in Russia from its Soviet origins to the Putin era Shocking Mother Russia adds significantly to the growing body of literature on comparative social policy and the political challenges of pension reform Andrea Chandler explains why Russia s old age pension system went into decline after the collapse of the Soviet Union in 1991 even though it was a prominent issue in the political arena at the outset of the post communist transition While tracing the roots of the system s difficulties to the Soviet Union s first efforts to establish a national social welfare system after 1917 Chandler nonetheless devotes the bulk of her study to the period from 1990 to 2001 While political factors impeded reform for much of this eleven year period ultimately Russia s striking policy reversals provide a case study for developing nations In 1990 a new Russian pension law was adopted during the Soviet reform process of perestroika The system was again significantly altered in 2001 when a market reform oriented package of pension legislation was passed Shocking Mother Russia places the Russian experience in comparative perspective and suggests lessons for pension reform derived from analysis of the Russian case
