Naked Emotion:

On Understanding Emotion Melvin J. Lasky, 2017-07-12 Emotions fleeting insubstantial changeable and ambiguous seem to defy study and analysis Nothing is more complex mysterious and subject to conflicting theories and interpretations than human emotion Yet the central importance of emotion in human affairs is undeniable Emotions affect all levels of life personal organizational political cultural economic and religious Emotions give meaning to life Emotional disturbances can destroy that meaning How should emotions be studied How can an understanding of the inner feelings of individuals illuminate important social interactions and human developments In his book Norman Denzin presents a systematic in depth analysis of emotion that combines new theoretical advances with practical applications Based on an intensive critical examination of classical and modern theoretical research and on revealing personal interviews in which ordinary people express their emotional lives he builds a new framework for understanding ordinary emotions and emotional disturbances Denzin analyzes how people experience joy and pain love and hate anger and despair friendship and alienation and examines the personal psychological social and cultural aspects of human emotion to provide new perspectives for understanding human experience and social interactions He offers new insights on the role of emotions in family violence and recommends ways of helping people escape from recurring patterns of violence And in criticizing current conceptions of emotionally disturbed people he reveals the nature of their inner lives and the ways they perceive and relate to others In sum this book presents new insights on human relationships and human experience It is now available in paperback for the first time with a new introduction by the author *Emotions* Stephanie H.M. van Goozen, Nanne E. Van de Poll, Joseph A. Sergeant, S.H.M. van Goozen, Joe A. Sergeant, 2014-02-25 Based upon lectures presented at an invitational colloquium in honor of Nico Frijda this collection of essays represents a brief and up to date overview of the field of emotions their significance and how they function For most emotions are simply what we feel giving our lives affective value Scientists approach emotions differently some considering the feeling aspect to be of little relevance to their research questions Some investigators consider emotions from a phenomenological perspective while others believe that the psychophysiological bases of the emotions are of prime importance and still others observe and study animals in order to generate hypotheses about human emotions Containing essays which represent each of these approaches this book is in one sense a heterogeneous collection Nevertheless the variety of approaches and interests come together since these scholars are all operating from a more or less cognitive psychological orientation and use the same conceptual reference scheme Written by experts in their own area the essays reflect the richness of research in emotions Whether these approaches and opinions can be harmonized into a single theory of emotions is a question which the future will have to answer **Naropa's Wisdom** Khenchen Thrangu, 2020-01-21 Accessible and practical teachings on the life of Naropa with verse by verse commentary on his two most important Mahamudra songs by a contemporary Karma Kagyu master Naropa is one of the accomplished lineage holders of the Mahamudra tradition of Tibetan

Buddhism In this book Khenchen Thrangu Rinpoche a beloved Mahamudra teacher first tells the extraordinary story of Naropa's life and explains its profound lessons He follows this with lucid and practical commentaries on two of Naropa's songs of realization explaining their precious instructions for realizing Mahamudra the nature of one's mind Throughout Thrangu Rinpoche speaks plainly and directly to Westerners eager to receive the essence of Mahamudra instructions from an accomplished teacher

The Search Alannah Breen Dore, 2022-02-23 We all experience grief loss and deep disappointment but what matters most is how we choose to respond when challenged do we give up or go searching What if you could use your pain to create something wonderful This is the question explored through this story of one woman's journey of discovery as she overcame seemingly impossible odds to find holistic wellbeing With three well recognised holistic elements mind body and spirit Alannah Dore embraces a crucial gap in holistic healing the emotions This story speaks to our common struggles in life loving relationships parenting and how to find peace and purpose within ourselves Like a friend Alannah takes the reader's hand sharing her truth and providing practical strategies to leverage for your own journey towards joyful living and emotional wellbeing Read it in a few hours though you will likely want to return to it again and again or gift it to someone who needs some inspiration

Illusion's Game Chogyam Trungpa, 1994-06-28 In what he calls a 200 percent potent teaching Chogyam Trungpa reveals how the spiritual path is a raw and rugged unlearning process that draws us away from the comfort of conventional expectations and conceptual attitudes toward a naked encounter with reality The tantric paradigm for this process is the story of the Indian master Naropa 1016-1100 who is among the enlightened teachers of the Kagyu lineage of the Tibetan Buddhism Naropa was the leading scholar at Nalanda the Buddhist monastic university when he embarked upon the lonely and arduous path to enlightenment After a series of daunting trials he was prepared to receive the direct transmission of the awakened state of mind from his guru Tilopa Teachings that he received including those known as the six doctrines of Naropa have been passed down in the lineages of Tibetan Buddhism for a millennium Trungpa's commentary shows the relevance of Naropa's extraordinary journey for today's practitioners who seek to follow the spiritual path Naropa's story makes it possible to delineate in very concrete terms the various levels of spiritual development that lead to the student's readiness to meet the teacher's mind Trungpa thus opens to Western students of Buddhism the path of devotion and surrender to the guru as the embodiment and representative of reality

Judging the Image Alison Young, 2005 This book extends the cultural turn in legal and criminological studies by interrogating our responses to the image It provides a space to think through problems of ethics social authority and the legal imagination

Ryan Dostie never imagined herself on the front lines of a war halfway around the world But then a conversation with an Army recruiter in her high school cafeteria changes the course of her life Hired as a linguist she quickly has to find a space for herself in the testosterone filled world of the Army barracks and has been holding her own until the unthinkable happens she is raped by a fellow soldier Struggling with PTSD and commanders who don't trust her story Dostie finds herself fighting through the isolation of trauma amid the challenges of an unexpected war What follows is a riveting story of one woman's extraordinary journey to prove her worth physically and mentally in a world where the odds are stacked against her *If You Can't Stand the Heat . . .* Joss Wood, 2013-10-15 A pastry chef indulges in a hot fling with a dangerously delicious war reporter in this contemporary romance Living on the edge used to make wild card war reporter Jack Chapman feel alive These days he needs some time out before he burns out So what better distraction than delectable pastry chef Ellie Evans She's oh so tempting and sleeping right next door Perfect for a short term fling Ellie knows it would be beyond stupid to fall for a guy with ice in his veins who's always on the move But daredevil Jack is even more irresistible than her death by chocolate cake and saying no has never been Ellie's strongpoint **Franklin and Eleanor** Hazel Rowley, 2010-10-26 Revelatory This crackling new biography of the Roosevelt marriage speaks volumes Maureen Corrigan NPR's Fresh Air Best Books of 2010 Franklin Delano and Eleanor Roosevelt's marriage is one of the most celebrated and scrutinized partnerships in presidential history It raised eyebrows in their lifetimes and has only become more controversial since their deaths From FDR's lifelong romance with Lucy Mercer to Eleanor's purported lesbianism and many scandals in between the American public has never tired of speculating about the ties that bound these two headstrong individuals Some claim that Eleanor sacrificed her personal happiness to accommodate FDR's needs others claim that the marriage was nothing more than a gracious facade for political convenience No one has told the full story until now In this groundbreaking new account of the marriage Hazel Rowley describes the remarkable courage and lack of convention private and public that kept FDR and Eleanor together She reveals a partnership that was both supportive and daring Franklin especially knew what he owed to Eleanor who was not so much behind the scenes as heavily engaged in them Their relationship was the product of FDR and Eleanor's conscious efforts a partnership that they created according to their own ambitions and needs In this dramatic and vivid narrative set against the great upheavals of the Depression and World War II Rowley paints a portrait of a tender lifelong companionship born of mutual admiration and compassion Most of all she depicts an extraordinary evolution from conventional Victorian marriage to the bold and radical partnership that has made Franklin and Eleanor Roosevelt go down in history as one of the most inspiring and fascinating couples of all time **The Ogre Life** Gary S. Kadet, 2021-08-07 Simon Lesser is a man at a crossroads seated in the kitchen of his Brooklyn apartment with a corpse lying on the floor next to him typing furiously on his laptop As he tries to make sense of the life that brought him to this point he's convinced that everyone and everything is overwhelmed by chaos With that thought in mind he tells a story he wishes to strip of the trappings and art

of storytelling and relate the cold facts of its random absurdity in a series of non linear events He traces his life as a secret fetishistic enthusiast for female bodybuilders called a Schmoe then as a bodybuilding competitor himself his marriage to German competitive bodybuilder Martina and his love affair with world class professional bodybuilder Erika Verletzen an impassioned indomitable lunatic Erika brings WWFP Pro Jurg Betrug into the mix Jurg a menacing gangster of the German criminal milieu has plans for all involved But what about the corpse on the floor Just what will Simon do with the body and with himself Meanwhile time is ticking away and the corpse on the floor is beginning to stink **Piss & Vinegar** Sam Sumac,2020-03-05 When the twenty three Altoonian spaceships arrive at Earth they not only shatter the shaky peace of the place they thrust Vice President James Fenimore Hunter into a role he may not be ready for While the aliens keep saying they ve come in peace the real reasons and the real costs are more than the vice president can ignore Unfortunately in his bungling attempts to stop this absurd madness he unwittingly makes the most foolish decisions and chooses the worst allies and thereby becomes the unwitting agent of the apocalypse But he needs to make things right or die trying Alchemy of Enlightenment Gate,2018-08-05 For people who desire to realise the value of enlightenment and tranquility Alchemy of Enlightenment helps self reflection rather than the skills of meditation To see the world is not to be seen but to see through the eyes of own The true freedom can be achieved by putting oneself on top of everything else in terms of ways of living and seeing **T'Chaikrani Dancer** Richard Cox,Cynthia Hensel,2012-07 150 years from now a starship officer from Earth is involved in a war with other solar systems Though he never married he has a daughter he does not know about and she holds the secret that can end the war *Heartless Stranger* Elizabeth Duke,2011-07-15 No woman will ever mean anything to Trent Corbin Sandra knew about the tragedy that had claimed the lives of those dearest to Trent Corbin But although her compassionate heart ached for him she could never forget that he was her father s enemy Yet as an unexpected guest in his home Sandra found herself bewildered by her deep attraction toward this suave powerful stranger Could she teach him to love again or would the barriers of mistrust stand between them forever Ms Duke captivates readers with intense passion a strong emotional conflict and endearing characters Romantic Times **Fantasy** ,1935 **Unfinished Spirit** Rowena Kennedy-Epstein,2022-03-15 Winner of the Matei Calinescu Prize In *Unfinished Spirit* Rowena Kennedy Epstein brings to light the extraordinary archive of Muriel Rukeyser s 1913 1980 unpublished and incomplete literary works revealing the ways in which misogyny influences the kinds of texts we read and value Despite her status today as an influential poet much of Rukeyser s critical and feminist writing remained unfinished suppressed by the sexism of editors political censure the withdrawal of funding and publishing contracts as well the conditions of single motherhood and economic precarity From *Savage Coast* her novel of the Spanish Civil War which Kennedy Epstein recovered edited and published to great acclaim in 2013 to her photo text collaboration with Berenice Abbott essays on women writers radio scripts and biographies *Unfinished Spirit* traces the creation reception and rejection of Rukeyser s most ambitious texts works that continued the radical avant

garde project of modernism and challenged an increasingly hegemonic Cold War culture Bound together by Rukeyser's radical vision of artistic creation and political engagement these incomplete texts open a space to theorize the politics of the unfinished for understanding women's artistic production reasserting the importance of the archive as a primary site of feminist criticism
