Naked Presidents An Alternate History:

Naked Presidents James Silver, 2000-08-17 What if the political destinies of John Kennedy and Bill Clinton were reversed What if Kennedy was the President who was impeached because of a sex scandal and what if Clinton was the one struck down after only a thousand days in the White House In this quirky yet fascinating book James Silver turns History inside out to show what might have happened More than a work of fiction *Naked Presidents* is a philosophical novel which explodes conventional wisdom and destroys some of our most cherished myths The shocking surprise ending will leave the reader wondering just what is reality and what is fantasy after all

The Presidents We Imagine Jeff Smith, 2009-03-19 In *The Presidents We Imagine* Jeff Smith examines the presidency's ever changing place in the American imagination Ranging across different media and analyzing works of many kinds some familiar and some never before studied he explores the evolution of presidential fictions their central themes the impact on them of new and emerging media and their largely unexamined role in the nation's real politics

Alternate History Kathleen Singles, 2013-10-14 While strictly speaking *Alternate Histories* are not *Future Narratives* their analysis can shed a clear light on why *Future Narratives* are so different from past narratives Trying to have it both ways most *Alternate Histories* subscribe to a conflicting set of beliefs concerning determinism and freedom of choice contingency and necessity For the very first time *Alternate Histories* are here discussed against the backdrop of their *Other Future Narratives* The volume contains in depth analyses of the classics of the genre such as Philip K Dick's *The Man in the High Castle* and Philip Roth's *The Plot against America* as well as less widely discussed manifestations of the genre such as Dieter Kuhn's *N* Christian Kracht's *Ich werde hier sein im Sonnenschein und im Schatten* and Quentin Tarantino's film *Inglourious Basterds*
