

Naked Plunder

John Morley

Naked Plunder:

The Lover's Tongue Mark Morton, 2009 This delightful book includes over 100 mini essays explaining the origins and historical development of words in our language that pertain to love and sex Do you know for example what a 78 is Here s a hint like the old 78 rpm records the term refers to a man who is well on the fast side Diligently researched *The Lover s Tongue* is written in a light hearted style A dictionary of a different kind this book is the perfect gift for that special someone or for the connoisseur of language and history in your life **The Eclectic Review** Samuel Greatheed, Daniel Parken, Theophilus Williams, Josiah Conder, Thomas Price, William Hendry Stowell, Jonathan Edwards Ryland, Edwin Paxton Hood, 1860 This periodical is comprised mainly of book reviews The majority of the books reviewed are religious in nature however books with various topics most notably books on historical topics and books of poetry are also reviewed **Facing Reality** Esmé Wingfield-Stratford, 1922 *The Premodern Chinese Economy* Gang Deng, 2002-01-04 Covering the time span from the Shang to the Qing Periods 1520BC 1911AD Gang Deng examines important factors in the decline of the Chinese economy from medieval sophistication to modern underdevelopment These factors include resource endowments socio economic structure property rights state and bureaucracy ideology and values geo political environment internal rebellions external invasions and conquests *The Premodern Chinese Economy* is a comprehensive analysis of China s economic history and provides essential background to the study of this country s modern struggle for growth and development Deng s emphasis on comparative analysis offers new insights into the concept of underdevelopment and theories of transitional economics This will become a major reference work in the fields of Chinese studies economic history and development studies *The Elizabethan Conquest of Ireland* James Charles Roy, 2021-06-09 Queen Elizabeth s bloody rule over Ireland is examined in this richly textured impressively researched and powerfully involving history Roy Foster author of *Modern Ireland 1600 1972* England s violent subjugation of Ireland in the sixteenth century under Queen Elizabeth I was one of the most consequential chapters in the long tumultuous relationship between the two countries In this engaging and scholarly history James C Roy tells the story of revolt suppression atrocities and genocide in the first colonial failed state At the time Ireland was viewed as a peripheral theater a haven for Catholic heretics and a potential back door for foreign invasions Tormented by such fears lord deputies sent by the queen reacted with an iron hand These men and their subordinates including great writers such as Edmund spencer and Walter Raleigh would gather in salons to pore over the Irish Question But such deliberations were rewarded by no final triumph only debilitating warfare that stretched across Elizabeth s long rule **The Offensive Art** Leonard Freedman, 2008-11-30 *The Offensive Art* is an arch and sometimes caustic look at the art of political satire as practiced in democratic monarchical and authoritarian societies around the world over the past century together with the efforts by governmental religious and corporate authorities to suppress it by censorship intimidation policy and fatwa Examples are drawn from the full spectrum of satiric genres including novels plays verse songs

essays cartoons cabarets and revues movies television and the Internet The multicultural and multimedia breadth and historical depth of Freedman s comparative approach frames his novel assessment of the role of political satire in today s post 9 11 world and in particular the cross cultural controversies it generates such as the global protests against the Jyllands Posten cartoons In a tongue in cheek style peppered with the world s best one liners from the last century The Offensive Art recounts the acrimonious and often perilous cat and mouse games between political satirists and their censors and inhibitors through the last century in America especially FDR LBJ Nixon Reagan Clinton and Bush II and in wartime Britain especially Churchill Thatcher Blair and the Royals Germany Hitler to the present Russia Stalin to the present China Mao to the present India from the Raj on and the Middle East from 1920s Egypt to today Freedman focuses on the role and transformation of satire during shifts from authoritarian to democratic systems in such places as South Africa Argentina and Eastern Europe He surveys the state of satire throughout the world today identifying the most dangerous countries for practitioners of the offensive art and presents his findings as to the political efficacy of satire in provoking change

Class Struggle in the Roman Republic Alan Woods, The Republic was dying on its feet because its social basis had ceased to exist This fact expressed itself in continuous political crises and convulsions in the capital party strife revolutions and counter revolutions In the first complete Marxist history of the Roman Republic Alan Woods provides a gripping and accessible analysis of the titanic struggles that shaped the Roman world and continue to resonate today Spanning more than a thousand years of development the book delves into the fundamental processes which gave rise to the emergence of Rome as an imperial power the crisis of the Late Republic and the rise of the Caesars It also features additional material by the author on the eventual decline of the Roman Empire and the Marxist theory of the state This book offers a treasure trove of history and theory for any reader

Whose India Is It Anyway? Brigadier K Kuldip Singh, 2020-12-28 *Whose India Is It Anyway* This book is an exploration of the abiding idea of India through the blend of a true to life story of a principled son of the soil and the author s own experience and research on the subject The first part of the book takes the reader through the life and times of one Hira who despite a battle hardened stint in World War II followed by facing the horrors of the partition and grave personal loss continued to live a resiliently progressive life symbolising the vicissitudes of India s irrepressible life story The second part investigates the idea of India rooted in its scriptures and literature crystallizing into recommendations on how to build an invulnerable and abundant India fit to play her destined global role before eventually touching on pertinent angles of the theme to help the reader arrive at a plausible answer to the title query A must read book both for foreign and indigenous booklovers For the foreigners wanting to know India and for Indians to better understand themselves
