to their neighbors He knew this would not be easy He knew that human error is more common than human knowledge He himself had been a member of an elitist cult for nearly ten years and then had spent several years as a skeptic resigned to seeking wealth and honors rather than hoping for truth or goodness He would not be surprised by the rise of white supremacist cults or the nihilistic apathy that have arisen in the post truth era He had seen nativism elitism fear and doubt rise in response to a crisis of hope that truth could be found a crisis that led to the use of physical force rather than educated disputation a crisis that ended in the fall of both Rome and Carthage to Vandals and Visigoths Augustine s response was to preach publically the hope that encouraged him in his own personal quest for a happy life This book examines that hope in Augustine s context until the current moment Answers for the Honest Skeptic Ted Even,2022-10-03 It is true that mankind itself has probably always been characterized with the main desire to determine just what spiritual truth really is For centuries and centuries highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth Since they cannot all be right this would strongly indicate that education religious persuasion or even intelligence has little to do with our discovery of the real spiritual truth For if these things were truly critical then obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago In this work author Ted Even endeavors to show that the disagreeing intellectuals skeptics of the past only serves to reinforce Christ s radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis However while super intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing The Kingdom of the Cults Walter Martin,Ravi Zacharias,2003-10 Newly updated this definitive reference work on major cult systems is the gold standard text on cults with nearly a million copies sold **Changing World Religions, Cults & Occult , God's Answers 4 UR Life** Steve Russo,2011-04-01 Searching for real answers about life helpful answers that you can really trust God s Answers 4 UR Life responds to 125 everyday life issues from popular Bible versions With relevant topics that include body mod consequences depression eating disorders music purpose and more you ll find just the answers you re seeking as well as relevant life application sections written by popular youth speaker and ministry leader Steve Russo
