M. Waterworth,1889 Philippians Gordon D. Fee,1999-01-01 Nothing cripples a church s effectiveness like internal strife In Philippi Paul addressed a congregation whose private struggles were compounded by opposition and suffering from without Paul s strategy was to write them a letter of friendship and moral exhortation reminding them of their partnership in the gospel their mutual suffering for the cause of Christ and their need to stand firm in one spirit His approach and counsel can serve us well today In this warm well written study of Philippians readers will find an introduction that discusses the letter s occasion and purpose authorship and other background information as well as its important theological themes Passage by passage commentary follows that seeks to explain what the letter means to us today as well as what it meant for its original hearers Students pastors Bible teachers and everyone who wants to understand the Paul s message for the church will benefit from this excellent resource *The Name Above Every Name* Samuel Cutler,1874 **"A Name which is Above Every Name". [Texts from the Bible for Every Day in the Year.]** ,1878 **The Whole Works of the Late Reverend Thomas Boston of Ettrick** Thomas Boston,1851 The Sermons and other practical works of R. E., ... besides his poetical pieces. To which is prefixed, a short account of the author's life and writings by J. Fisher. Edited by J. Newlands Ralph Erskine,1821 **The Power of Simple Prayer** Joyce Meyer,2007-04-03 Prayer transforms lives every day But for those who

pray how many truly understand its power In her straightforward and profound style beloved by millions worldwide Joyce Meyer reveals the incredible force that comes through the simple act of prayer By explaining the keys to unanswered prayers the hindrances to prayer s effectiveness and the Bible s role in prayer Joyce gives readers a new perspective on how best to communicate with God She reveals that through prayerful conversation comes the ability to be successful in life strong at heart and sincere with others Simple prayer powerful results *Love Out Loud* Joyce Meyer,2011-11-02 Jesus said You must love the Lord your God with all your soul and with all your strength and with all your mind and your neighbor as yourself Luke10 27 If one had to choose a single verse in the Bible that is a formula for successful living this would be the one to live by says Joyce Meyer love God yourself and others in that order Many Christians get mixed up about love They know they should love God and others but many do not understand that loving oneself is one third of God s equation They mistakenly think of it as selfishness or self aggrandizement Joyce Meyer believes that this misconception is one of the greatest pitfalls in the Christian journey Loving oneself in a balanced healthy manner is essential in order to have healthy relationships with God ourselves and others Drawing upon her previous work and teaching series as well as original devotions the author of *Power Thoughts* examines the three loves that we ve been commanded to exhibit **Hē Kainē Diathēkē** ,1847 The Voice of the Seven Thunders George Kevyn Weber,2014-07-21 There is no time for the people of the world to waste to decide to change their ways and their ways of living The world is in a crisis that it has not been in before Actually the world has been in countless crises in the past before disaster calamity or catastrophe struck the people of the earth We are not talking of crises of natural disasters calamities or catastrophes that have hit the earth we are talking about man made man engineered and man designed disasters calamities and catastrophes that have hit the world from time to time History is full of them and apart from those natural disasters caused by God or the Devil themselves the rest were caused by man themselves Now this revelation is not about the natural but about the spiritual Power mad dictators rulers and potentates the world over are normally the cause of these disasters calamities and catastrophes and nature has little to do with them although they did affect nature in some way or another Small and great Wars were started by whosoever caused them without any due regard of mens lives and the resultant horrors hardships and horrendous pain lived on in the hearts and lives of the people that survived No one can add these things up nor can they count the cost in human suffering misery and pain nor the cost of mens souls lost all for the sake of mans vanity The current synopsis is catchy and intriguing This synopsis is well written and it will entice readers into picking this book up and reading it Cynthia Sherman Writers Literary Publishing Services Critique Division **The Prayer Ministry of the Church** Watchman Nee,1995-03 Prayer Ministry of the Church is a collection of five messages on prayer by the great Chinese pastor and teacher Watchman Nee Collections of the Massachusetts Historical Society Massachusetts Historical Society,1852 For the statement above quoted also for full bibliographical information regarding this publication and for the contents of the volumes 1st ser v 1 7th series v 5 cf Griffin
