Names Of Women Of The Bible:

All the Women of the Bible Herbert Lockyer, 1988 This volume part of Lockyer's All Series contains detailed indexing of the life and times of all the women of the Bible

Names of Women of the Bible Julie-Allyson Ieron, 1998 Since the moment of creation women have always had a job to do Created from man Created as a helper for man Not to rule over him or to be trampled under his feet but to walk with him side by side Some women have done it well others not so well Names of Women of the Bible explores the meanings of the names of women who appear in Scripture and how their actions both good and bad relate to the name by which they are called Julie Allyson Ieron uncovers treasures from the familiar to the obscure from Eve to Huldah Hannah to Vashti Find yourself captivated by the stories of these women used by God See how God loved and guided the women He created many years ago and how He still does so for us today Be encouraged by the personal anecdotes and engaging prayers shared by Julie Allyson Ieron as you study Names of Women of the Bible

All the Men of the Bible/All the Women of the Bible Compilation Herbert Lockyer, 2016-11-22 The Life and Times of All the Men and Women of the Bible Bringing together two books in one convenient volume All the Men All the Women of the Bible is a portrait gallery and reference library of over 3 400 named biblical characters Taken from the time honored All series by Dr Herbert Lockyer this book mines the wealth of Scripture to give you characters you can learn from teachings you can apply and promises you can stand on All the Men This monumental book puts comprehensive information on the men of the Bible at your fingertips including a list of major characters Besides named individuals it also classifies the thousands upon thousands of unnamed men It includes a guide to the often complex pronunciations of biblical names And it explores the attributes of Jesus God's model for biblical manhood All the Women From Abi to Zipporah discover how the lives and character of different biblical women named and unnamed mirror the situations of women today More than 400 profiles offer fascinating insights into the Bible's multidimensional women Wives mothers single women prophetesses queens leaders villainesses and heroines all are portrayed in rich thought provoking detail

Famous Women of the Bible Henry Davenport Northrop, 1898

Women and the Bible in Early Modern England Femke Molekamp, 2013-03-21 Women and the Bible in Early Modern England provides an account of the uniquely important role of the Bible in the development of female interpretative and literary agency as well as in the expression of female subjectivity in early modern England In the later sixteenth and throughout the seventeenth century women's religious writing diversified in genre and entered increasingly into a public literary sphere Femke Molekamp shows that the Bible was at the heart of female reading culture and that women can be seen to have participated in multiple modes of reading it which in turn fostered various kinds of literary writing The sources used in this book to reconstruct reading practices and trace their connection to religious writing are drawn from diverse archives to include the annotations biographical writing commonplace books letters treatises and other literary writings in print and manuscript of both prominent early modern women well known to us and women who have so

far remained obscure The book argues that the increased circulation of the Bible in English fostered reading practices that enabled a growth in female interpretative and literary agency *Women of the Bible* SC Fcs Zondervan

Publishing,Zondervan Staff,2006-10 **The Names of God - Women's Bible Study Leader Guide** Melissa

Spoelstra,2020-08-04 Know God better through a study of His names Today s culture and others views even those of other Christians can present a distorted view of God Some suggest God exudes qualities He does not possess such as being unloving or apathetic toward His creation In a world where we find people creating God in their own image studying God s names can remind us that we are created in His In fact one of the best ways to know God s true character and grow closer to Him is to study His names In *The Names of God* Melissa Spoelstra leads women on an exploration of the many names of our triune God from El and Elohim to Yahweh and its many combinations to names such as Abba Jesus and Holy Spirit and many others As women study the names of God their ideas about God will become more grounded in what His names tell them and thus more personal allowing a greater trust in Him to share the details of their lives Whether having walked with God for many years or just starting out in a relationship with Him by the end of this study women will not only know more about God but will know Him better because through the discovery of God s names they will discover Him The Leader Guide contains session plan outlines complete with discussion points and questions activities prayers and more plus leader helps for facilitating a group Components for this six week Bible study each available separately include a Participant Workbook a Leader Guide DVD with six 25 minute segments with closed captioning and a boxed Leader Kit containing one of each component A six week study of the names of God Inspires women to have a more personal and trusting relationship with God DVD features dynamic engaging teaching in six 25 minute segments Strong solid Bible study from popular Bible teacher and speaker Melissa Spoelstra **Names Fashioned by Gender** Thenjiwe Meyiwa,Madoda Cekiso,2023-12-01 Names are very

powerful and significant especially in the African context Across societies there is a universal albeit taken for granted fact that all human beings have names *Names Fashioned by Gender* is a collection of essays on onomastics a linguistics field of study focusing on the origin form history and use of proper names The study of naming potentially provides significant evidence about the role of gender in the assimilation and or enculturation processes as personal names evoke insight into the construction of gender and personhood in African societies The book takes intellectual course from the idea that how names are viewed and used is heavily context dependent and gendered It demonstrates that personal names are narratives derived from different contexts within various cultures and circumstances subsequently imposing different identities on name bearers Through persuasive essays this book elucidates that naming is an activity that needs to be conducted cautiously because names tend to determine the destiny and character of an individual Print editions not for sale in Sub Saharan Africa

The Names of God - Women's Bible Study Participant Workbook Melissa Spoelstra,2020-08-04 Know God better through a study of His names Today s culture and others views even those of other Christians can present a distorted view of

God Some suggest God exudes qualities He does not possess such as being unloving or apathetic toward His creation In a world where we find people creating God in their own image studying God s names can remind us that we are created in His In fact one of the best ways to know God s true character and grow closer to Him is to study His names In The Names of God Melissa Spoelstra leads women on an exploration of the many names of our triune God from El and Elohim to Yahweh and its many combinations to names such as Abba Jesus and Holy Spirit and many others As women study the names of God their ideas about God will become more grounded in what His names tell them and thus more personal allowing a greater trust in Him to share the details of their lives Whether having walked with God for many years or just starting out in a relationship with Him by the end of this study women will not only know more about God but will know Him better because through the discovery of God s names they will discover Him Components for this six week Bible study each available separately include a Participant Workbook a Leader Guide DVD with six 25 minute segments with closed captioning and a boxed Leader Kit containing one of each component This Bible Study Includes A six week study of the names of God Inspires women to have a more personal and trusting relationship with God DVD features dynamic engaging teaching in six 25 minute segments Strong solid Bible study from popular Bible teacher and speaker Melissa Spoelstra **World-Changing Women** Paul

Chrystal,2025-03-31 Highlights 150 influential women from pre classical civilizations ancient Egypt and Israel reshaping history by defying patriarchal norms Countless books have been written about prominent women in Greece and Rome so we know all about Medea Sappho Lucretia Boudica and Cleopatra and their significant actions and achievements This book extends the invaluable story of women in early history to pre classical civilizations ancient Egypt and Israel to include prominent women in those civilizations as well thus introducing them and their roles and places in their respective societies and social histories to a wide audience The aim of this book is to demonstrate how 150 women most little known significantly influenced informed and changed the worlds in which they lived We show how a small disparate body of women in each of these periods united by their determination and strength of mind were able to break free from the norms and values of the patriarchal societies which confined and restricted them to make a valuable difference to their individual societies cultures politics and foreign policies in so doing they have changed perceptions of women and the role women were subsequently allowed to play Some of the women are well known others less so The book reinforces the reputations of those who have endured popularity over the centuries and where necessary realigns those reputations after years of prejudice and the vicissitudes of sexism misogyny Hollywood and sensationalist literature For those who have been written out of mainstream history and relegated to footnotes at best this is a chance to re introduce them and the impact they have made on their and our world Their relative anonymity does not mean that they are less important on the contrary they are equally significant and the more we know about them the better if we want a rounded picture of the civilizations to which they contributed so much Each chapter is followed by suggestions for further reading to encourage further research

Whispering the Secrets of Language: An Mental Quest through **Names Of Women Of The Bible**

In a digitally-driven world wherever displays reign great and immediate conversation drowns out the subtleties of language, the profound secrets and mental nuances hidden within words frequently go unheard.
