Namibia Under South African Rule:

Namibia Under South African Rule Patricia Hayes, 1998 Tracing developments in Namibia from 1915 to 1946 this text explores the country as it was under South African rule *The Namibian War of Independence, 1966-1989* Richard Dale, 2014-11-19 The decolonization of Namibia was delayed from 1966 to 1989 the period of the war of independence pitting the Namibian nationalists against the South African minority ruled regime This book describes the diplomatic economic and military campaigns of the Namibian and South African belligerents and draws a comparison with several other decolonization wars Using data from parliamentary debates the aftermath is examined of the Namibian war and the newly independent nation The book provides a basis for further investigation of the decolonization process *The Faces of Africa: Diversity and Progress*, 1972 *The Little African History Book - Black Africa from the Origins of Humanity to the Assassination of Lumumba and the turn of the 20th Century* Chukwunyere Kamalu, 2007-09-23 Certain questions emerge from Black Africa's ancient and modern history How did the various races evolve from an original African race Were ancient Nubia and ancient Egypt the first neighbouring black African nations How did the slave trade colonialism and neo colonialism contribute to the economic and technological advancement of Europe and America Did a US president order the assassination of Patrice Lumumba the first Prime Minister of the Congo Was the HIV AIDS epidemic caused by pre independence vaccination campaigns Why are Africa's mineral resources falling into the hands of greedy gangster politicians and warlords Is the poor state of Africa's health solely due to a failure of leadership Within the confines of this compact history of Africa the author simply tells it as he sees it *Committee Prints* United States. Congress. House. Committee on Foreign Affairs, 1972 *The Faces of Africa: Diversity and Progress; Repression and Struggle, Report of Special Study Missions to Africa* United States. Congress. House. Foreign Affairs Committee, 1972 **AF Press Clips** United States Department of State. Bureau of African Affairs, 1983 **On 'Shoot the Boer', hate speech and the banning of struggle songs - PULP FICTIONS No.6** Karin van Marle, 2010-01-01 On Shoot the Boer hate speech and the banning of struggle songs PULP FICTIONS No 6 Edited by Karin van Marle 2010 ISSN 1992 5174 Pages 23 Print version Available Electronic version Free PDF available About the publication In the two contributions to this volume we find the following passages Whether one is an upper middle class Afrikaner or a poor black rural woman whether one is a black small business entrepreneur or a poor white car guard an obsession with hate speech will not do us any good De Vos The protection of these values is not subordinate to the problems of unemployment corruption poverty and discrimination On the contrary those problems can only be tackled if these values are upheld and developed Spies David Scott in *Conscripts of modernity The tragedy of colonial enlightenment* 2004 investigates how colonial struggles are told in history He observes how often what happened in the past is told to serve present day priorities CLR James's account of the Haitian Revolution of 1791 1804 in his work *The Black Jacobins* is one example of a text written in a time when decolonization was a future possibility This work is described by Scott as a work of

anti colonial longing Scott s argument is that we should move away from anti colonial longing in order to start thinking of other kinds of problems and other kinds of questions James in a revised edition of *The Black Jacobins* published in 1963 recast the initial narrative from one of romance to one of tragedy In a post apartheid South Africa we are constantly being haunted by our apartheid and colonial past How we respond to but even before responding how we understand the many challenges we face today ongoing poverty crime corruption equality dignity freedom of speech may depend on how we relate to past present and future and specifically how we frame the stories of the struggle against colonialism and against apartheid Becoming post colonial post apartheid requires new angles new starting points It might be fruitful to study the actions and speech of Julius Malema in light of Scott s observations In other words we could reflect on the extent to which Malema remains in an anti colonial struggle engulfed by Romanticism and is therefore not engaged in a postcolonial struggle and accordingly fails to engage in a politics for a possible future Scott 2004 In this edition of *Pulp fictions* Pierre De Vos takes another angle on the issue of Julius Malema s singing of struggle songs and his statements concerning victims of rape De Vos argues for us not to be blinded by debates on freedom of speech hate speech if the real issue is a political struggle for socioeconomic transformation For De Vos poverty corruption discrimination and a lack of service delivery are far more important issues that need to be faced head on Willie Spies in response to De Vos argues for a change of our mindset and that such a change is not contrary to socioeconomic reform but rather tightly connected to it About the Editor Karin van Marle is a Professor at the Department of Legal History Comparative Law and Jurisprudence at the Faculty of Law University of Pretoria
