The Antioch Review John Donald Kingsley,1997 **American College English** Harry Redcay Warfel,Ernst Garland Mathews,John Conrad Bushman,1949 **Horae Solitariae, Or, Essays Upon Some Remarkable Names and Titles of Jesus Christ Occurring in the Old Testament and Declarative of His Essential Divinity and Gracious Offices in the Redemption of Men** Ambrose Serle,1815 **Horae Solitariae Or, Essays Upon Some Remarkable Names and Titles of Jesus Christ** Ambrose Serle,1815 *Horæ Solitariae, Or, Essays Upon Some Remarkable Names and Titles of Jesus Christ and the Holy Spirit, Occurring in the Old and New Testaments, and Declarative of Their Essential Divinity and Gracious Offices in the Redemption and Salvation of Men* Ambrose Serle,1844 Writing by Types Albert Croll Baugh,Paul Cliff Kitchen,Matthew Wilson Black,1924 **Forthcoming Books** Rose Arny,1996-10 **Dance Between Two Cultures** William Luis,2001 Offers insights on Latino Caribbean writers born or raised in the United States who are at the vanguard of a literary movement that has captured both critical and popular interest In this groundbreaking study William Luis analyzes the most salient and representative narrative and poetic works of the newest literary movement to emerge in Spanish American and U S literatures The book is divided into three sections each focused on representative Puerto Rican American Cuban American and Dominican American authors Luis traces the writers origins and influences from the nineteenth century to the present focusing especially on the contemporary works of Oscar Hijuelos Julia Alvarez Cristina Garcia and Piri Thomas among others While engaging in close readings of the texts Luis places them in a broader social historical political and racial perspective to expose the tension between text and context As a group Latino Caribbeans write an ethnic literature in English that is born of their struggle to forge an identity separate from both the influences of their parents culture and those of the United States For these writers their parents country of origin is a distant memory They have developed a culture of resistance and a language that mediates between their parents identity and the culture that they themselves live in Latino Caribbeans are engaged in a metaphorical dance with Anglo Americans as the dominant culture Just as that dance represents a coming together of separate influences to make a unique art form so do both Hispanic and North American cultures combine to bring a new literature into being This new body of literature helps us to understand not only the adjustments Latino Caribbean cultures have had to make within the larger U S environment but also how the dominant culture has been affected by their presence **On Essays** Thomas Karshan,Kathryn Murphy,2020-09-04 Montaigne called it a ramble Chesterton the joke of literature and Hume an ambassador between the worlds of learning and of conversation But what is an essay and how did it emerge as a literary form What are the continuities and contradictions across its history from Montaigne s 1580 Essais through the familiar intimacies of the Romantic essay and up to more recent essayists such as Virginia Woolf James Baldwin and Claudia Rankine Sometimes called the fourth genre the essay has been over shadowed in literary history by fiction poetry and drama and has proved notoriously resistant to definition On Essays reveals in the essay a pattern of

paradox at once a pedagogical tool and a refusal of the methodical languages of universities and professions politically engaged but retired and independent erudite and anti pedantic occasional and enduring intimate and oratorical allusive and idiosyncratic Perhaps because it is a form of writing against which literary scholarship has defined itself there has been surprisingly little work on the tradition of the essay Neither a comprehensive history nor a student companion On Essays is a series of seventeen elegantly written essays on authors and aspects in the history of the genre essays which taken together form the most substantial book yet published on the essay in Britain and America **The Independent** ,1926 **Saturday Review of Politics, Literature, Science and Art** ,1869 **The Cumulative Book Index** ,1905 A world list of books in the English language **Torch and Colonial Book Circular** ,1889 Twentieth Century ,1889 **Life, Sex and Ideas** A.
