## **Naming The Island:**

**Louisiana Place Names** Clare D'Artois Leeper,2012-10-19 From Aansel to Zwolle with Mardi Gras Bayou in between avid writer Clare D Artois Leeper offers her own alphabet of places in Louisiana both past and present Louisiana Place Names includes 893 entries that reveal Leeper s distinct view of the state s history Her unique blend of documented fact and traditional wisdom result in an entertaining guide to Louisiana s place name lore

**Christopher Columbus's Naming in the 'diarios' of the Four Voyages (1492-1504)** Evelina Guzuskyte,2014-01-01 In this fascinating book Evelina Guzauskyt uses the names Columbus gave to places in the Caribbean Basin as a way to examine the complex encounter between Europeans and the native inhabitants Guzauskyt challenges the common notion that Columbus s acts of naming were merely an imperial attempt to impose his will on the terrain Instead she argues that they were the result of the collisions between several distinct worlds including the real and mythical geography of the Old World Portuguese and Catalan naming traditions and the knowledge and mapping practices of the Taino inhabitants of the Caribbean Rather than reflecting the Spanish desire for an orderly empire Columbus s collection of place names was fractured and fragmented the product of the explorer s dynamic relationship with the inhabitants nature and geography of the Caribbean Basin To complement Guzauskyt s argument the book also features the first comprehensive list of the more than two hundred Columbian place names that are documented in his diarios and other contemporary sources

**The Oxford Handbook of the Word** John R. Taylor,2015 This handbook addresses words in all their multifarious aspects and brings together scholars from every relevant discipline to do so The many subjects covered include word frequencies sounds and sound symbolism the structure of words taboo words lexical borrowing words in dictionaries and thesauri word origins and change place and personal names nicknames taxonomies word acquisition and bilingualism words in the mind word disorders and word games puns and puzzles Words are the most basic of all linguistic units the aspect of language of which everyone is likely to be most conscious A new word that makes it into the OED is prime news when baby says its first word its parents reckon it has started to speak knowing a language is often taken to mean knowing its words and languages are seen to be related by the similarities between their words Up to the twentieth century linguistic description was mainly an account of words and all the current subdivisions of linguistics have something to say about them A notable feature of human languages is the sheer vastness of their word inventories and scholars and writers have sometimes deliberately increased the richness of their languages by coining or importing new items into their word hoards The book presents scholarship and research in a manner that meets the interests of students and professionals and satisfies the curiosity of the educated reader

**Place Names** Francesco Perono Cacciafoco,Francesco Cavallaro,2023-03-09 What are place names From where do they originate How are they structured What do they signify How important are they in our life This groundbreaking book explores these compelling questions and more by providing a thorough introduction to the assumptions theories terminology and methods in toponymy and

toponomastics the studies of place names or toponyms It is the first comprehensive resource on the topic in a single volume and explores the history and development of toponyms focusing on the conceptual and methodological issues pertinent to the study of place names around the world It presents a wide range of examples and case studies illustrating the structure function and importance of toponyms from ancient times to the present day Wide ranging yet accessible it is an indispensable source of knowledge for students and scholars in linguistics toponymy and toponomastics onomastics etymology and historical linguistics *Placing Names* Merrick Lex Berman, Ruth Mostern, Humphrey Southall, 2016-08-08 Well before the innovation of maps gazetteers served as the main geographic referencing system for hundreds of years Consisting of a specialized index of place names gazetteers traditionally linked descriptive elements with topographic features and coordinates Placing Names is inspired by that tradition of discursive place making and by contemporary approaches to digital data management that have revived the gazetteer and guided its development in recent decades Adopted by researchers in the Digital Humanities and Spatial Sciences gazetteers provide a way to model the kind of complex cultural vernacular and perspectival ideas of place that can be located in texts and expanded into an interconnected framework of naming history This volume brings together leading and emergent scholars to examine the history of the gazetteer its important role in geographic information science and its use to further the reach and impact of spatial reasoning into the digital age

**Empire Islands** Rebecca Weaver-Hightower, 2007 Through a detailed unpacking of the castaway genre's appeal in English literature *Empire Islands* forwards our understanding of the sociopsychology of British Empire Rebecca Weaver Hightower argues convincingly that by helping generations of readers to make sense of and perhaps feel better about imperial aggression the castaway story in effect enabled the expansion and maintenance of European empire *Empire Islands* asks why so many colonial authors chose islands as the setting for their stories of imperial adventure and why so many postcolonial writers write back to those island castaway narratives Drawing on insightful readings of works from Thomas More's *Utopia* to Caribbean novels like George Lamming's *Water with Berries* from canonical works such as *Robinson Crusoe* and *The Tempest* to the lesser known *A Narrative of the Life and Astonishing Adventures of John Daniel* by Ralph Morris Weaver Hightower examines themes of cannibalism piracy monstrosity imperial aggression and the concept of going native Ending with analysis of contemporary film and the role of the United States in global neoimperialism Weaver Hightower exposes how island narratives continue not only to describe but to justify colonialism Rebecca Weaver Hightower is assistant professor of English and postcolonial studies at the University of North Dakota [California Geographic Names Information System \(GNIS\)](#), 1986 **Family Names of the Island of Newfoundland** William Kirwin, E. Seary, 1998-11-01 Byrne Chaffey Fahey Fizzard Fudge Grouchy Hynes Inkpen Lyver McLaughlin Miles Murphy Puddeste Quirk the names themselves are evocative of Newfoundland *Family Names of the Island of Newfoundland* traces the origins of almost 3 000 surnames found on the Island and provides an engaging and comprehensive collection of etymology genealogy and Newfoundland

history The introduction presents a fascinating discussion of the history and linguistic origins of surnames found in Newfoundland which come from many different cultures notably English Welsh Irish Scottish French Syrian Lebanese and Mi kmaq The main body of the book comprises a dictionary of surnames in the province based on data collected from provincial voting lists family records government documents and newspaper reports dating back to the seventeenth century Each entry includes variant spellings and cross references of the surname the countries in which the name originated and its meaning Newfoundland place names associated with the surname are also given The book also includes a ranking of the most common surnames in Newfoundland and a comparative analysis of the frequency of surnames in Scotland Ireland England and Newfoundland Originally published in 1977 *Family Names of the Island of Newfoundland* is a unique reference work giving Newfoundlanders both in the province and away a fascinating look at their roots This edition incorporates a number of additions and corrections and has been completely reset in a sturdier and more convenient format It will be of great use to individuals tracing their ancestors and to genealogists researching early settlers in Newfoundland

*A Book of Cook Islands Maori Names, Ingoa* Jon Jonassen, 2003 This collection serves as a basis for identifying and understanding names The collection highlights the rich naming heritage of the Maori people of Rarotonga and neighbouring islands where names play a major role
