Nana Phadnis The External Affairs Of T:

Nana Phadnis and the External Affairs of the Maratha Empire Y. N. Deodhar, 1962 **Krishna Kumari: The Tragedy of India** English Subba Rao, 2024-07-25 Krishna Kumari The Tragedy of India introduces readers to the first English language play in modern India Written in 1826 by English Subba Rao one of the first Indians to be schooled in English Krishna Kumari depicts the true story of a princess of Udaipur who is forced to commit suicide in order to end a war started by her suitors the rulers of the neighboring kingdoms of Jaipur and Jodhpur Tragically her death proves to be in vain because the mercenaries recruited by the contending rulers nevertheless proceed to plunder the region All three kingdoms are then compelled to seek the protection of the East India Company bringing their independence to an end Sharp and witty Krishna Kumari was intended to warn Indian principalities against the follies that led to the downfall of the Rajputs Unfortunately the play scarcely saw the light of day Angered by Subba Rao's opposition to their power the British forced him to withdraw from public life This is why audiences have never heard of Krishna Kumari until now Building on extensive archival research this volume brings Subba Rao's pioneering drama back to life The introductory essay by Rahul Sagar a leading scholar of nineteenth century India familiarizes readers with the remarkable characters in the play and the violent era in which they lived By shedding light on Subba Rao's extraordinary life and career it also reveals how important principalities like Tanjore and Travancore were in battling colonialism and shaping modern India **The Anglo-Maratha Campaigns and the Contest for India** Randolph G. S. Cooper, 2003 This is a cross cultural study of the political economy of war in South Asia Randolph G S Cooper combines an overview of Maratha military culture with a battle by battle analysis of the 1803 Anglo Maratha Campaigns Building on that foundation he challenges ethnocentric assumptions about British superiority in discipline drill and technology He argues that these campaigns in which Arthur Wellesley served with distinction represent the military high water mark of the Marathas who posed the last serious opposition to the formation of the British Raj Dr Cooper asserts that the real contest for India was never a single decisive battle for the subcontinent Rather it turned on a complex social and political struggle for control of the South Asian military economy The author shows that victory in 1803 hinged as much on finance diplomacy politics and intelligence as it did on battlefield manoeuvre and war itself Nana Phadnis And The External Affairs Of The , The British Library General Catalogue of Printed Books to 1975 British Library, 1984 *The Journal of Asian Studies* , 1962 An essential resource for those interested in Asia Recognized as the leading publication in its field It features articles on the history arts social sciences and contemporary issues of East South and Southeast Asia as well as a large book review section *Power and Criminality* S. Venugopala Rao, 1977 *Dictionary Catalog of the Oriental Collection* New York Public Library. Research Libraries, New York Public Library.
