Thériault, 2010-02 Stealing Fatima's Hand is an unforgettable collection of interconnected narratives presenting an alternative view of Morocco a country not of labyrinthine alleys Kasbahs and smoky tea rooms but a more madcap Morocco one left to be discovered after all the coach tours depart Imagine the impossible one finds oneself in a heady and mysterious locale on the edge of North Africa a country replete with colorful characters incomprehensible customs and taboos a spoken language lacking an alphabet often frustrating religious practices and in spite of all this capital E exoticism one still doesn't want to marry a local Or turn a decrepit ryad into a boutique hotel Or write for the travel page in the Sunday paper Carolyn Thériault does more than imagine it After making a rather drunken New Year's Resolution to toss aside their conventional lifestyle and pension plans Carolyn a somewhat cynical snarky expat and self proclaimed square peg with her photographer husband Chris decide to walk away from their comfortable jobs in the Land of the Round Doorknobs Canada to travel the world Because their long suffering attempts at financial independence weekly lottery tickets have not borne any fruit the only

apparent means to rectify this situation they believe is to teach English overseas And Morocco seems to fit the bill But does it Unconventional and candid *Stealing Fatima's Hand* stands out as an irreverent black sheep in the literary travel genre succeeding in undoing for Morocco everything that Peter Mayle has done for Provence The book spans two years of Carolyn's experiences in Rabat where with humor and honesty she struggles with Moroccan bureaucracy sexual harassment the threat of terrorism devious students randy co teachers and the temptation of having French pastries washed down with gin tonics for every meal All this in a country where apart from her the only vegetarians are the sheep and the goats *The Oxford Encyclopedia of Children's Literature: Luca-Slot* Jack Zipes, 2006 Provides information on notable writers illustrators publishers librarians educators and developments in the field of children's literature throughout the world from the medieval period to the twenty first century **Nancy Drew 38: The Mystery of the Fire Dragon** Carolyn Keene, 1961-01-01 Nancy receives an urgent call from her Aunt Eloise in New York requesting her help in solving a mystery Her neighbor's granddaughter Chi Che Soong has gone missing Nancy and her friends fly to New York to help track down the missing girl

and feminism **No Kids Allowed** Michelle Ann Abate, 2020-10-13 Children's literature isn't just for children anymore. This original study explores the varied forms and roles of children's literature when it's written for adults. What do Adam Mansbach's *Go the F*ck to Sleep* and Barbara Park's *MA There's Nothing to Do Here* have in common? These large-format picture books are decidedly intended for parents rather than children. In *No Kids Allowed*, Michelle Ann Abate examines a constellation of books that form a paradoxical new genre: children's literature for adults. Distinguishing these books from YA and middle-grade fiction that appeals to adult readers, Abate argues that there is something unique about this phenomenon. Principally defined by its form and audience, children's literature, Abate demonstrates, engages with more than mere nostalgia when recast for grown-up readers. Abate examines how board books, coloring books, bedtime stories, and series detective fiction, written and published specifically for adults, question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive.

Sleuth Works Margery A. Neely, 2018-05-30 An investigative agency has been set up by a widow, Holly Osborne Jones. She has invited her daughter and son-in-law to be partners and also to move into her apartment house. The trio is hired by an attorney to trace any claimants for exotic jewelry whose owner had been killed in an odd accident. The sleuths track across Missouri, documenting obscure origins of possible heirs.

Murdering Miss Marple Julie H. Kim, 2014-01-10 During the interwar golden age of British detective fiction, women writers like Dorothy L. Sayers and Agatha Christie reigned, but their work remains tame compared to today's crime novels. Elements of sexuality and gender, including soft porn and sexual psychopathy, pervade contemporary detective fiction. The 10 essays in this collection explore issues of gender and sexuality in crime writing by women from 1985 to 2011, surveying works about girl sleuths, parodies, hard-boiled detective fiction, police procedurals, and recent serial killer series. They examine the relationship between genre and gender and explore how later works enter into a field of post-feminism. Most importantly, this volume demonstrates how popular women writers of the last three decades have reconceptualized what it means to be a female detective.

Key Concepts in Crime Fiction Heather Worthington, 2011-08-31 An insight into a popular yet complex genre that has developed over the nineteenth and twentieth centuries. The volume explores the contemporary anxieties to which crime fiction responds, along with society's changing conceptions of crime and criminality. The book covers texts, contexts, and criticism in an accessible and user-friendly format.
