Barbara Paul Robinson

Nancy Lancaster Houses And Gardens:

Nancy Lancaster Martin Wood,2005-09-16 Nancy Lancaster who was born in 1897 into a wealthy Virginian family became one of the greatest influences on interior decoration and garden design in Great Britain and America in the second half of the 20th century She created what is known today as the English Country House Style a mixture of faded colors chintzes and painted and antique furniture In the garden she worked in a formal yet romantic neo Georgian style which is still a strong spirit in British garden design This book examines Nancy s contribution to the arts of interior decoration and garden design by chronicling her own homes and gardens and her extraordinary life Mirador her family s Virginian country house was to remain her key inspiration throughout her life Nancy herself her houses her gardens and her friends are shown in an intriguing collection of photographs by distinguished photographers of the era including Horst and Cecil Beaton

House & Garden ,1926 Interior Design and Identity Susie McKellar,Penny Sparke,2004-11-27 This chronologically arranged set of case studies looks at how interior design has constantly redefined itself as a manifestation of culture from the eighteenth century to the present day The book looks at the amateur activities of female home makers in search of creative outlets and married couples seeking to modernize their homes as well as the contributions of early professional female interior decorators and later male interior designers It also considers the more anonymous role of commercial enterprises such as hairdressing salons cruise ships or modern offices Issues relating to interiority gender and the relationship of the public sphere are also considered opening up a new level of design historical enquiry A History of Women in the Garden Twigs Way,2005-01-01 From the early misfortunes of Eve condemning her descendants to a dubious reputation for fruit management to the acclaimed successes of plant breeders such as the eccentric Ellen Willmott who combined bankruptcy with iris breeding the fortunes of the female gardener have been as varied as their roles Telling the tales of the sixteenth century housewife who neatly sidestepped accusations of herbal witchcraft while working her plot and the unconventional Ladies of Llangollen who eloped together and created their gothic garden and many other women besides A History of Women in the Garden showcases female horticulturists through the centuries An enlightening and entertaining read that will allow the reader to gain fresh enthusiasm for even the most menial of garden tasks and realise that hundreds of women have trod the garden path before

Interior Design Masters Mark Hinchman,Elyssa Yoneda,2018-06-27 Interior Design Masters contains 300 biographical entries of people who have significantly impacted design They are the people historical and contemporary that students and practitioners should know Coverage starts in the late Renaissance with a focus on the twentieth and twenty first centuries The book has five sections with the entries alphabetical in each so it can serve as a history textbook and a reference guide The seventeenth and eighteenth century section covers figures from Thomas Chippendale to Horace Walpole The nineteenth century section includes William Morris and Candace Wheeler The early twentieth century section presents modernism s design heroes including Marcel Breuer Eileen Gray and Gilbert Rohde The

post World War II designers range from Madeleine Castaing to Raymond Loewy The final contemporary section includes Ron Arad and the Bouroullec brothers These are the canonical figures who belong to any design history The book also contains less well known figures who deserve attention such as Betty Joel the British art deco furniture designer Paul Veyseyre the Frenchman active in China in the 1930s and more recently Lanzavecchia Wai the Italian Singaporean duo whose work ranges from health care to helicopters Global in its coverage the book is richly illustrated with over 600 black and white and color photographs British Design Christopher Breward, Fiona Fisher, Ghislaine Wood, 2015-10-22 British Design brings together leading international scholars designers and journalists to provide new perspectives on British design in the last sixty years and how it at once looked back to the past with the continuation of traditions that spoke to Britain's design heritage and looked forwards with the embrace of modernist and postmodernist style The book responds to and develops new ways of understanding the recent history of design in Britain with case studies on designed spaces and objects including domestic interiors retail spaces schools and university buildings and transport The contributors address significant moments and phenomena in the historical and social history of British design from the rise and fall of the English Country House style and the Brutalist architectural boom of the 1960s to the modern shopping space and consider the work of key contemporary designers ranging from Tommy Roberts to Thomas Heatherwick British Design provides new criticism and analysis on how design from the immediate post war period to the present day has developed and changed how we live and how we interact with the spaces in which we live British Design is split into 13 chapters and is richly illustrated with 65 images 16 of which are in full colour Vogue's Book of Houses, Gardens, People Horst, Valentine Lawford, 1968 **House & Garden**, 2008

House Beautiful, 2006 **Rosemary Verey** Barbara Paul Robinson, 2012-08-30 The biography of the inspiring woman who found late in life success as a powerhouse of British garden design Booklist Rosemary Verey was a great English gardening legend Although she embraced gardening late in life she quickly achieved international renown She was the acknowledged apostle of the English style on display at her home at Barnsley House the must have adviser to the rich and famous including Prince Charles and Elton John and a wildly popular lecturer in America Born between the two World Wars she could have easily lived a predictable and comfortable life but a devastating accident changed everything Then with her architect husband she went on to create the gardens at their home that became a mandatory stop on every garden tour in the 1980s and 1990s At sixty two she wrote her first book followed by seventeen more in twenty years By force of character hard work and determination she tirelessly promoted herself and her garden lessons traveling worldwide to lecture sell books and spread her message She was a natural teacher encouraging her American fans to believe that they were fully capable of creating beautiful gardens while validating their quest for a native vernacular She also re introduced the English to their own gardening traditions Drawing from garden history and its literature she developed a language of classical formal design embellished with her exuberant planting style Rosemary Verey in her life as in her work was the very personification of the

English garden style This book is for anyone who believes a garden makes one small part of this earth a little more beautiful
