Kevin Kenny

Nancy Lopez Golfing Pioneer:

Nancy Lopez James Hahn, Lynn Hahn, 1979-01-01 *Athletes of Purpose* Arnold Cheyney, 1999 Meet 50 diverse athletes whose personal stories will inspire students and challenge them to consider their own potential for success One page biographical profiles are followed by reading and social studies activities that promote critical thinking and writing Useful in many different school and home settings **Athletes of Purpose** Arnold B. Cheyney, 1999-10 Educational resource for teachers parents and kids **Encyclopedia of Title IX and Sports** Nicole Mitchell, 2007-10-30 Fierce debate has long loomed over Title IX the landmark legislation prohibiting sex discrimination in schools whether in academics or athletics Since its inception Title IX has inspired both backlash and backlash against backlash commentary Supporters contend that the legislation is a long overdue measure in securing equal opportunities for girls and women in America s school and university athletics Opponents argue that Title IX is nothing more than a government enforced quota system that is damaging men s sports programs Caught in the middle are the schools that struggle to develop equitable sports programs for male and female athletes From the hard fought passing of Title IX in 1972 to the most recent debates surrounding compliance this encyclopedia explores the significant individuals events key concepts controversies and legal cases revolving around Title IX and its application in collegiate athletics This encyclopedia the first of its kind offers a comprehensive guide to various aspects and wide ranging issues associated with Title IX and sports With more than 150 in depth entries this inclusive and authoritative reference will appeal to students scholars and general readers interested in both the historic framework and contemporary implications of Title IX and academic athletics Sample entries include A League of Their Own Association for Intercollegiate Athletics for Women v NCAA 1984 Bonnie Blair Molly Machine Gun Bolin California NOW v Board of Trustees of California State Universities 1993 Commission on Equal Opportunity in Athletics Equity in Athletics Disclosure Act Patsy Mink Ms Foundation National Women s Football League National Wrestling Coaches Association Pederson v Louisiana State University 2000 Three Part Test Sport in American Culture Joyce D. Duncan, 2004-11-19 A unique and timely exploration of the cultural impact of sport on American society including lifestyles language and thinking Sport in American Culture is the first and only reference work to provide an in depth and up to date exploration of sport and its impact on American culture Essays from more than 200 scholars professionals and sports enthusiasts address how sport has changed our lifestyles language and thinking Arranged alphabetically the work introduces key sport figures and national icons with a focus on their cultural impact examines individual sports and how they have influenced society and discusses such phenomena as the billion dollar athletic apparel industry sport as big business and the effect of sport on gender racial views pride and nationalism In addition to expected topics the work also includes less studied areas such as myths audience rituals Wheaties comic books the hula hoop and religion *Her Way* Mary-Ellen Siegel, 1984 A two part bibliography of over 1700 biographies of more than 1100 notable women throughout history Part one is arranged alphabetically by subject and includes

a short profile of each woman cited part two consists of collective biographies

Leading Figures in the History of Omega Psi Phi Fraternity, Inc. Judson L. Jeffries, 2025-02-04 Highlighting 21 members of this illustrious historically Black fraternity Omega Psi Phi Fraternity Inc was founded in 1911 at Howard University to cultivate and nurture a generation of leaders who would work toward racial uplift and influence American society In an unprecedented two volumes Judson Jeffries brings together original works on 21 of the fraternity's accomplished and influential members Written by a diverse group of scholars these profiles highlight the national importance of these figures in their chosen fields of endeavor as well as the enormous impact of this great fraternity In volume 1 Jeffries presents a prologue and introduction that outline the story of the fraternity's founding in the context of the racial social political and educational history of the period This volume spotlights scientists Ernest E Just and Percy Lavon Julian civil rights lawyers Fred Gray Oliver Hill Spottswood Robinson and Oscar W Adams Jr sports legends Robert Lee Elder and Clarence Gaines and musicians Count Basie Max Roach and Roland Hayes Including both widely recognized and little known individuals and featuring people who were on the front lines of the struggle for racial equality and those whose work took place behind the scenes these volumes show the contributions of Black leaders in the areas of science civil rights athletics the arts the military politics education and more **Leading Figures in the History of Omega Psi Phi Fraternity Inc** is a testament to the significance of Black Greek letter organizations whose members have made history through lives of struggle accomplishment triumph and uplift Contributors Arthur Smith Kevin C McDonald Marvin P Dawkins Theodore Walker Jr Marvin Chiles Wawaise Schmidt Bertis D English Judson L Jeffries Jomills Henry Braddock II Matthew Buttermann Christopher A Brooks Derryn Moten

Latino Athletes Ian C. Friedman, 2014-05-14 Provides short biographies of more than 175 notable Hispanic American athletes

The Game of Golf and the Printed Word, 1566-1985 Richard E. Donovan, Joseph S. F. Murdoch, 1988

Before and After Roswell David A. Clary, 2001-01-22 The flying saucer has been the most vivid and persistent image in American life of the last half century It has also generated more controversy and rancor than anything else that might be characterized as a fantasy It is malleable suiting a wide variety of beliefs and outlooks touching nearly every public concern It arrived as a mysterious threat from above a metaphor for The Bomb It transformed swiftly into a hope from above promising to save us from ourselves Renamed UFO it became a symbol for those who distrusted the government Along its way through the postwar skies it acquired a cargo that included every species of hoax craziness lunacy and even sexual fantasy along with a fair amount of scientific and political baggage The flying saucer myth says much about how Americans react to the unexpected Before and After Roswell The Flying Saucer in America 1947 1999 places the flying saucer idea in the context of history politics entertainment and science to arrive at an explanation of what it is all about and how it got that way Because the Roswell incident the story that a flying saucer crashed near Roswell New Mexico in 1947 and that the government has hidden the truth about it ever since has dominated the subject recently the book is anchored around that particular story while demonstrating that the flying

saucer did exist before and after Roswell It corrects some misconceptions including one that holds that because a majority of people say they believe in UFOs they therefore believe in a conspiracy to cover up the truth about them After detailing what actually happened in Roswell in 1947 the book takes up the birth of the flying saucer earlier that year underscoring the fact that the name originally denoted its movement not its shape The text then examines the Air Forces and CIAs responses to the phenomenon and the rise of competing bands of ufologists true believers and skeptics to dominate debate over it The book also addresses Cold War contributions to the UFO issue and the role of Hollywood in providing the images that defined it Along the way it describes the crashed saucer tradition the contactees abductions men in black the Bermuda Triangle ancient astronauts cattle mutilations the little gray alien SETIs Drake Equation sex and the flying saucer and the rise of a new ufology emanating from the conspiracy culture growing out of the Kennedy assassination mythology and the Watergate scandal Part Two of Before and After Roswell begins with the invention of the incident in 1980 then traces the history of the flying saucer idea to the end of the century Important here are the submersion of the saucer into the larger anti government conspiracy tradition of that period and the increasing domination of the subject by television including Area 51 a myth invented on a TV show and the combined influence of reality based cable documentaries and the amazingly popular series The X Files Also addressed are such things as crop circles the MAJIC hoax the face on Mars UFO conspiracy fiction and the explosion of the abduction belief A chapter on The Battle of Roswell traces the evolution of that controversy through a succession of books by ufologists in the end it broke down into disputed orthodoxies and feuds over who had the real crash site to charge admission to When boosters tried to turn Roswell into a tourist attraction their quarrels and mercenary outlook alienated the town and made the annual UFO Encounter a flop The book concludes that the flying saucer is not a thing but an idea and one that will overcome the burden of

Subject Catalog Library of Congress, *Outstanding Women Athletes* Janet Woolum,1992 Sixty women athletes from 19 different sports from the late nineteenth century to 1991 are included in this source which highlights women s sporting experienced in America A few of the women are not American but fall into the category of influencing American sports The work is in there sections Part 1 is a history of women s sports the second part contains the biographies arranged alphabetically Each entry is about 2 pages with a photograph some with performances charted and all with suggestions for further reading The appendices list Olympic women medallists by sport awards and championships and arranges the athletes in the book by sport Coverage overlaps but does not duplicate Condon s Great Women Athletes Recommended for middle and senior high schools **Subject Guide to Children's Books in Print** ,1986

Women in Golf David L. Hudson Jr.,2007-11-30 Despite the thirst for more information about women s golf very little exists about its history outside of books about the legendary Babe Didrikson Zaharias Hudson fills this void offering a complete history of women in golf He focuses on the fascinating development of women s golf the creation of the women s tour star athletes of the past the astronomical rise of the present day tour greats and the future of the sport Golf may well

have replaced baseball as America's pastime and the sport enjoys incredible popularity across the globe. At the professional level, women's golf continues to escalate in popularity and media attention, particularly with the dominance of LPGA champion Annika Sorenstam and the interest surrounding teenage phenom Michelle Wie. Despite the thirst for more information about women's golf, very little exists about its history outside of books about the legendary Babe Didrikson Zaharias. Hudson's new book fills this void, focusing on the fascinating development of women's golf, the creation of the women's tour, star athletes of the past, and the astronomical rise of the present-day tour greats. In addition, Hudson examines women's golf in the context of the country's history of discrimination against women. Women's golf grew in popularity after the passage of the 19th Amendment in 1920, granting the right of suffrage. Unfortunately, gender discrimination remains a reality in the world of golf in certain locales of country club golf. Nonetheless, women's golf has never been more popular. For example, the Futures Tour, where girls and young women hone their skills on the way to the LPGA, has grown to more than 300 players from 27 countries, making it the largest international developmental tour in the world. And the 2006 LPGA Tour featured 34 events with prize money nearing 50 million, the highest ever in LPGA history. In 1890, Hudson writes, the Washington Post reported that some girls are anxious to learn golf because they are really fond of sport and exercise, others because it gives them a chance to show off a natty suit. Those girls are now acknowledged as women, and this book shows how very far they and their sport have come.

Women in Sport Mary L. Remley, 1991 **Patty Berg** Kevin Kenny, 2019-08-13 The Ladies Professional Golfers Association (LPGA) was formed in 1950, 34 years after the men's association. There were 13 founding members, one of whom was Patty Berg. 1918-2006. After a glittering amateur career with 28 championships, Berg turned professional in 1940. Before the formation of the LPGA, she made a living playing in an occasional tournament and conducting thousands of exhibitions and teaching clinics in the U.S. Berg had one of the most successful careers in women's golf. She won 57 tour titles, and her 15 major pro championships remain a record. This first biography of Berg traces her career from teenage sensation to beloved and respected elder stateswoman of the game, chronicling her role among the founding members who created the multi-million-dollar LPGA.

Women in Sport Michele Shoebridge, 1987 Bibliographie
Frauensport Frau *Children's Books In Print 1979-1980*, 1979 Interracial Books for Children Bulletin, 1979 **U. S. A. Sports Golf Tournament Guide** Robert R. McCord, 1995 Prepared by USA Today, which boasts the best-respected sports writing staff in the country, here is the first detailed color guide to more than 125 tournament courses on the PGA Tour, Senior PGA Tour, and LPGA tour. This is the ultimate guide to the country's most prominent courses, a must-have book for fans at home, tourists traveling to watch, and ambitious players.
