Nancy Nick:

The Publishers Weekly ,1921 Vamp-Hire Gerald Dean Rice, 2015-02-24 Mankind has won the Vampire Conflict But the cost of victory is that a few humans have been turned into vamps half human half vampire Prejudice against the vamps is high so finding work is near impossible Plus the slightest infraction could send any one of them back to the Pens a place that s as awful as any place on Earth Nick is a loner who walks a narrow line between legal and illegal to make ends meet He begrudgingly shares his home with a woman and her young child and finds work doing odd jobs suited only to vamps When a chance encounter seems like it could lead into real work Nick discovers he s in more danger than ever The military is trying to kidnap him and something old and hungry has begun to roam the streets preying on his kind To fight this ancient evil he has to reach out to his own kind for help and decide how human he is after all The Drake House Kelly Moran ,2015-10-31 In her dreams a ghost demands to be heard Trisha Eaton has been plagued by mysterious nightmares ever since her parents adopted her as a young girl She chalked them up to childish nuisances until they return with a vengeance Something about the Drake house next door to her family s apple orchard haunts her Now her night terrors and sleepwalking seem to be luring her to something dark When a series of strange events crops up Trisha turns to Nick Mackey As the new deputy in town Nick just wants to put his traumatic past behind him An undeniable attraction for Trisha has piqued interest and has him wondering if a shot at a normal life was possible But Trisha has somehow struck a nerve and a long buried secret A secret that someone they know will kill to keep veiled Uncovered answers only seem to lead to more questions in a case where nothing makes sense One chilling fact remains some nightmares are all too real Lovely prose compelling characters and unexpected plot twists make this a genre bending winner Roxanne St Claire New York Times Bestselling Author
