How to Keep Your Children Safe Yvonne Marie Vissing, 2006 Winner of the New England Sociological Association Sociologist of the Year 2008 Life in contemporary American society requires that children spend considerable time in the care of other people These people include teachers coaches babysitters camp counselors ministers neighbors friends and extended family While most people who work with children do a good job some caregivers fail to adequately care for kids while others actually put them in harm s way Parents may assume that caregivers of all kinds are uniformly evaluated and approved but this is not always the case American society despite a superficial rhetoric of concern for children has not instituted strong national state or local safety nets to protect them And because there is no comprehensive commitment to ensure child safety there is no systematic or even partial oversight of adults charged with their care As a result parents are put in the difficult position of deciding whether caregivers of all kinds are sufficiently skilled and responsible to look after children How to Keep Your Children Safe is essential reading for any parent concerned about child safety It takes a hard look at the hidden side of children s lives the times when they re in contact with caregivers who aren t doing their jobs properly It provides detailed information on places where children are under the care of others

including day care recreational settings religious and civic organizations schools and summer camps Vissing investigates the potential perils of each setting and enumerates ways in which parents can better monitor or take control of their child's safety By writing a realistic assessment of commonplace settings that every parent and child can relate to and offering a road map to child safety Vissing empowers parents to make critical decisions about their children's lives Extraordinary Jobs in the Service Sector Alecia T. Devantier, Carol A. Turkington, 2006 Ever wonder who wrangles the animals during a movie shoot What it takes to be a brewmaster How that play by play announcer got his job What it is like to be a secret shopper The new

Shadow Mothers Cameron Lynne Macdonald, 2011-02-09 Shadow Mothers shines new light on an aspect of contemporary motherhood often hidden from view the need for paid childcare by women returning to the workforce and the complex bonds mothers forge with the shadow mothers they hire Cameron Lynne Macdonald illuminates both sides of an unequal and complicated relationship Based on in depth interviews with professional women and childcare providers immigrant and American born nannies as well as European au pairs Shadow Mothers locates the roots of individual skirmishes between mothers and their childcare providers in broader cultural and social tensions Macdonald argues that these conflicts arise from unrealistic ideals about mothering and inflexible career paths and work schedules as well as from the devaluation of paid care work **Expecting Twins, Triplets, and More** Rachel McClintock Franklin, M.D., 2005-04-01 Expecting two or more With humor hope and practical wisdom Dr Rachel Franklin helps you to better understand the unique circumstances of multiple pregnancy and birth From the time you hear the news to the time you take home your bundles of joy Expecting Twins Triplets and More will be an invaluable resource on what to expect how to cope and how to enjoy the journey This reassuring reference includes information on Telling family friends and coworkers the news Choosing a doctor Exercising and eating well Coping strategies trimester by trimester Preparing for labor and delivery Understanding potential complications and their solutions Navigating the NICU Neonatal Intensive Care Unit Celebrating the births and bringing home the babies Expecting Twins Triplets and More is like having a friend who also happens to be a doctor share her experience and expertise to help you best take care of yourself and your babies at this very special time **A Stranger**

Among Us Lisa Ackerson Lieberman, 2005 Making the decision to bring a stranger into your home to care for your child is a difficult one However after reading Lieberman's book the process of hiring in home care providers will seem much less intimidating Based on the author's many years of experience both as a parent and a professional this one of a kind book starts out discussing the pros and cons of hiring in home care providers for children with autism spectrum and other neurological disorders The author breaks down the process and takes the reader step by step through the various stages starting with assessing the needs of the child and the family including their core values to advertising for interviewing hiring and training a care provider Even parents who are only looking for occasional respite care will find this a valuable resource

Elite and Everyman Amita Baviskar, Raka Ray, 2020-11-29 This book examines the middle classes who they are and what

they do and their influence in shaping contemporary cultural politics in India Describing the historical emergence of these classes from the colonial period to contemporary times it shows how the middle classes have changed with older groups shifting out and new entrants taking place thereby transforming the character and meanings of the category The essays in this volume observe multiple sites of social action workplaces and homes schools and streets cinema and sex surveys temples and tourist hotels to delineate the lives of the middle classes and show how middle class definitions and desires articulate hegemonic notions of the normal and the normative Getting Ready for Baby Hélène Tragos Stelian,2001
