**A Room Without Toys** Suzanne Person,2008-12-29 A Room Without Toys is essentially the story of Victoria Windsor beautiful and brilliantly gifted star of the London stage and apparently a woman to be envied Yet when we go behind the velvet curtain which would ordinarily separate the actress from her audience we find the reality of her life to be quite different From a childhood which

with one touching exception is a lonely one we follow her through the frustration of endless auditions to the years of growing theatrical renown years which at the same time are ironically the emptiest of her life and finally to her meeting with the one man able to awaken her to her full potential both as a human being and as a woman The theme of all this is stated in the title for through much of Victorias life she is indeed like a child in a room without toys Many different elements combine to make this a compelling and yet highly readable novel 1 A strong central character equally as fascinating as any of the real life actresses who has recently felt the urge to tell all in an autobiography 2 The elegance and charm of its London setting London with its theatres its parks its pubs its centuries old association with the majesty of the British crown 3 The glimpse it provides of the backstage world of the theatre a world most people would otherwise never see A Room Without Toys is more however than merely the whole constituted of these parts which are after all only things of the surface and the novel goes much deeper than that Will a child starved for love and caring grow into an emotionally crippled adult for whom normal interpersonal relationships are all but impossible It is this vital psychological issue which the work attempts to explore as slowly Victoria Windsor learns to believe in herself learns to trust and most important of all learns to love *The CEO's Christmas Manny* Angela McCallister, 2018-12-18 Beyond the Boardroom Anything but business as usual Billionaire CEO Nic Price lives for his job With sales down and grumbling from the board of directors including Nic s permanently dissatisfied father the last thing Nic needs is distraction from the new nanny whose freewheeling approach to childcare is outlandish and who makes Nic feel things he s never allowed himself to feel Ex teacher Sasha Lindsey is all about fun that s the reason people love him so he has to be After a bad break up leaves him jobless and homeless the live in nanny job with Mr Price seems like a windfall But his chemistry with Nic is off the charts and he can t afford another workplace romance disaster Can Nic leave his dominance in the bedroom and open his heart to the best thing that s ever happened to him Or will Sasha s leap of faith backfire and ruin his chances at the family happily ever after he s always dreamed of *The Baby's Christmas Blessing* Meghann Whistler, 2022-09-27 A new single dad gets a second chance at love when he hires his childhood sweetheart as a nanny in this inspirational romance Nothing will be merry about Steve Weston s Christmas if he doesn t find a nanny for his newborn nephew fast But the best choice is Chloe Richardson the woman he pushed away years ago He has a second chance at making the season s joy last for a lifetime unless he allows old wounds to separate them once more
