Tales My Ghanaian Grandmother Told Me Dzagbe Cudjoe,2008-10 Here is a selection of authentic stories from African myth and legend retold by the author with interesting and unique twists Although the origins are not necessarily

known the tales all center on the Ghanaian people their culture and beliefs A very nice selection creatively and warmly told
The Goat World ,1924 *My Mocassins* Mary Honeybone,2015-02-24 They say that fact is stranger than fiction This is a story of a girl who is brought up with very strict rules but then starts to question just how binding they are She finds the courage to put them to the test and in doing so goes through the believable and unbelievable consequences She loses everything and everyone in the process She rebuilds her life She gets through only to repeat the experience again In the light of some present political and religious fanaticism this book has a lot to offer about understanding the imposing of views on others and believing that there is only one belief and one way of thinking
