Napoleon And His Parents On The Threshold Of History

Steven Englund

Napoleon And His Parents On The Threshold Of History:

Napoleon and His Parents Dorothy Carrington,1988 **Napoleon** Steven Englund,2010-05-11 This sophisticated and masterful biography written by a respected French history scholar who has taught courses on Napoleon at the University of Paris brings new and remarkable analysis to the study of modern history's most famous general and statesman Since boyhood Steven Englund has been fascinated by the unique force personality and political significance of Napoleon Bonaparte who in only a decade and a half changed the face of Europe forever In *Napoleon A Political Life* Englund harnesses his early passion and intellectual expertise to create a rich and full interpretation of a brilliant but flawed leader Napoleon believed that war was a means to an end not the end itself With this in mind Steven Englund focuses on the political rather than the military or personal aspects of Napoleon's notorious and celebrated life Doing so permits him to arrive at some original conclusions For example where most biographers see this subject as a Corsican patriot who at first detested France Englund sees a young officer deeply committed to a political event idea and opportunity the French Revolution not to any specific nationality Indeed Englund dissects carefully the political use Napoleon made both as First Consul and as Emperor of the French of patriotism or nation talk As Englund charts Napoleon's dramatic rise and fall from his Corsican boyhood his French education his astonishing military victories and no less astonishing acts of reform as First Consul 1799 1804 to his controversial record as Emperor and finally to his exile and death he is at particular pains to explore the unprecedented power Napoleon maintained over the popular imagination Alone among recent biographers Englund includes a chapter that analyzes the Napoleonic legend over the course of the past two centuries down to the present day French Republic which has its own profound ambivalences toward this man whom it is afraid to recognize yet cannot avoid *Napoleon A Political Life* presents new consideration of Napoleon's adolescent and adult writings as well as a convincing argument against the recent theory that the Emperor was poisoned at St Helena The book also offers an explanation of Napoleon's role as father of the modern in politics What finally emerges from these pages is a vivid and sympathetic portrait that combines youthful enthusiasm and mature scholarly reflection The result is already regarded by experts as the Napoleonic bicentennial's first major interpretation of this perennial subject *Napoleon and His Parents* Dorothy Carrington,1990 Carrington's revisionist account of Napoleon's first sixteen years distinguishes and compares two stories One is the traditional tale derived as much from hearsay as from contemporary evidence and buttressed by memoirs of the Bonaparte family and their reported sayings The other story is based on the hitherto unexploited archives of the Bonaparte family and scattered documents mostly in Corsica that have remained neglected or ignored Annotation copyrighted by Book News Inc Portland OR *Napoleon: A Concise Biography* David A. Bell,2015-11-05 This book provides a concise accurate and lively portrait of Napoleon Bonaparte's character and career situating him firmly in historical context David Bell emphasizes the astonishing sense of human possibility for both good and ill that Napoleon represented By his late twenties

Napoleon was already one of the greatest generals in European history At thirty he had become absolute master of Europe s most powerful country In his early forties he ruled a European empire more powerful than any since Rome fighting wars that changed the shape of the continent and brought death to millions Then everything collapsed leading him to spend his last years in miserable exile in the South Atlantic Bell emphasizes the importance of the French Revolution in understanding Napoleon s career The revolution made possible the unprecedented concentration of political authority that Napoleon accrued and his success in mobilizing human and material resources Without the political changes brought about by the revolution Napoleon could not have fought his wars Without the wars he could not have seized and held onto power Though his virtual dictatorship betrayed the ideals of liberty and equality his life and career were revolutionary

Napoleon: A Very Short Introduction David A. Bell, 2018-09-11 This Very Short Introduction might prove disappointing to those expecting an introduction to a very short man Dispelling the myth of Napoleon Bonaparte s short stature as well as the other rumors and legends David A Bell provides a concise accurate and lively portrait of Napoleon Bonaparte s character and career situating him firmly in historical context This book emphasizes the astonishing sense of human possibility for both good and ill that Napoleon represented By his late twenties Napoleon was already one of the greatest generals in European history At thirty he had become absolute master of Europe s most powerful country In his early forties he ruled a European empire more powerful than any since Rome fighting wars that changed the shape of the continent and brought death to millions Then everything collapsed leading him to spend his last years in miserable exile in the South Atlantic Bell underscores the importance of the French Revolution in understanding Napoleon s career The revolution made possible the unprecedented concentration of political authority that Napoleon accrued and his success in mobilizing human and material resources for war Without the political changes brought about by the revolution Napoleon could not have fought his wars Without the wars he could not have seized and held onto power Though his virtual dictatorship betrayed the ideals of liberty and equality his life and career were revolutionary

Napoleon Michael Broers, 2015-10-15 All previous lives of Napoleon have relied more on the memoirs of others than on his own uncensored words This is the first life of Napoleon in any language that makes full use of his newly released personal correspondence compiled by the Napoleon Foundation in Paris All previous lives of Napoleon have relied more on the memoirs of others than on his own uncensored words Michael Broers biography draws on the thoughts of Napoleon himself as his incomparable life unfolded It reveals a man of intense emotion but also of iron self discipline of acute intelligence and immeasurable energy Tracing his life from its dangerous Corsican roots through his rejection of his early identity and the dangerous military encounters of his early career it tells the story of the sheer determination ruthlessness and careful calculation that won him the precarious mastery of Europe by 1807 After the epic battles of Austerlitz Jena and Friedland France was the dominant land power on the continent Here is the first biography of Napoleon in which this brilliant violent leader is evoked to give the reader a full dramatic and all encompassing

portrait **Napoleon** Clive Emsley, 2014-10-24 Napoleon had a profound impact on the development of both France and Europe and his career had repercussions across the wider world His career had all the elements of a classical tragedy having begun with spectacular military and civil achievements it ended in exile on the tiny Atlantic island of St Helena Almost two centuries after Napoleon's death historians continue to argue about his aims his achievements and his legacy In this thoroughly revised and updated new edition Clive Emsley brings these historiographical debates up to date and broadens his study to include discussion of the cultural and social impact of the Napoleonic era This new edition offers a succinct summary of Napoleon's career examines his impact on France and Europe as well as including a new chapter on the impact of the Napoleonic adventure on the wider world considers the relationship between Napoleon and the French Revolution outlines the difficulties in assessing his career explores the current debates surrounding Napoleon contains an expanded selection of primary source documents ranging from state papers to police reports A Chronology Glossary and Who's Who of key characters are also provided making this an indispensable textbook for students of nineteenth century French and European history Napoleon and the Woman Question June K. Burton, 2007 Examination of predominantly primary sources focuses on discourses of women and women's issues in light of the prevailing view of the relationship between the physical and the moral in feminine bodies and minds Burton discusses France's first national system of midwifery education women's medicine and surgery and medical law Provided by publisher *Napoleon* Geoffrey Ellis, 2014-06-06 This invaluable account provides an excellent introduction to the nature and mechanics of Napoleon's power and how he used it It explores Napoleon's rise to fame as a soldier of the French Revolution and his aims and achievements as first consul and emperor during the years 1799-1815 *The Wars of the French Revolution and Napoleon, 1792-1815* Owen Connelly, 2012-10-02 Written by an experienced author and expert in the field Wars of the French Revolution and Napoleon 1792-1815 provides a thorough re-examination of the crucial period in the history of France for students of history and military studies Based on extensive research and including twenty detailed maps this study is unique in its focus on the wars of both the French Revolution and Napoleon Owen Connelly expertly analyzes them both to provide a broader context for warfare Examining the causes of the wars and how the practices of warfare during this period were to influence mode of combat throughout the nineteenth and twentieth centuries Connelly also establishes trends discernable in the First and Second World Wars and examines key issues including the impact of the population explosion on armies and war the legacy of the ancient regime impact on revolutionary armies the impact of the Revolution on leadership strategy organization and weaponry Was Napoleon's leadership style unique or could another have played his role contributions from the governments of the early Revolution the Terror the Directory and the Napoleonic regime What did twenty three successive years of war accomplish Was this era a turning point in the history of warfare

Eventually, you will unquestionably discover a other experience and attainment by spending more cash. still when? complete you consent that you require to get those all needs next having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to understand even more something like the globe, experience, some places, similar to history, amusement, and a lot more?

It is your agreed own times to produce a result reviewing habit. in the midst of guides you could enjoy now is **Napoleon And His Parents On The Threshold Of History** below.
