Hilliard Atteridge,2012-08 Napoleon s gorgeous centaur the life of Murat Joachim Murat has come to epitomise the beau ideal cavalryman Indeed in the decades following the Napoleonic era as a horse soldier excelled to extraordinary prominence the name of Murat was often considered as analogous In reality nobody could come close in stature and performance Murat was one of many young men who saw the French Revolution as an opportunity to prosper in influence power status and wealth An unabashed self publicist his gorgeous uniforms were singular and exceptional even in an age when the dandy in military uniform was the norm His ambition was insatiable and in this was the root of his downfall for he lacked the intelligence and moderation to consolidate his advantages Yet Murat rose

to be a soldier of the highest rank through marriage a member of Napoleon's own family he was elevated to the aristocracy as Duke of Berg and in time crowned King of Naples Though like many of his calling he was no military mastermind Murat was a reliable lieutenant to Napoleon often achieving through deeds of daring far more than other senior officers could for their emperor Above all there could be no doubt about the quality of Murat's personal courage He led from the front and latterly rode into the fiercest melees armed only with a riding crop Though he came from a different and lesser mould than his master Napoleon Murat fatally shared his weakness for conceits and hubris and as with Napoleon himself poor judgment ended his career ignominiously before a firing squad of his former subjects Atteridge's biography is a well regarded classic and is highly recommended Leona editions are newly typeset and are not facsimiles each title is available in softcover and hardback with dustjacket our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands

The Death of Joachim Murat Jonathan North, 2025-08-05 The only English language book on the fall and death of Joachim Murat and the final act in the drama of the Napoleonic Wars Joachim Murat son of an innkeeper had won his spurs as Napoleon's finest cavalry general and then won his throne when in 1808 Napoleon appointed him king of Naples He loyally ran this strategic Italian kingdom with his wife Napoleon's sister Caroline until in 1814 with Napoleon beaten and in retreat towards ruin and exile the royal couple chose to betray their imperial relation and dramatically switched sides This notorious betrayal won them temporary respite but just a year later Murat engineered his own dramatic fall A series of blunders took the cavalier king from thinking he had secured his dynasty to fleeing his kingdom His native France did not welcome him initially because Napoleon had not forgiven him then after Napoleon's fall following Waterloo because the restored Bourbons were offering a reward for Murat's head Fleeing again fate brought him to Corsica where welcomed at last Murat turned to plotting the reversal in his fortunes he so felt he deserved Murat soon resolved to bet everything on a hare brained plan to return to Naples as a conquering hero and king His aim was to take a small band of followers land near his capital organise regime change and reclaim his throne In September 1815 he set off and what happened next forms the core of this part tragic part ridiculous story and a lesson in how not to stage a coup Just five days after landing in Calabria King Joachim was hauled before a firing squad and executed There is a fine line in history between a fool and a hero Had Murat succeeded then he would be lauded as daringly heroic but alas he failed and his final adventure has been consigned to oblivion This is unfortunate as the fall of Joachim Murat is the final act of the Napoleonic Wars in Europe as well as being a dramatic story in its own right Based on research in the archives of Paris and Naples Jonathan North's book aims to throw light on the fate of the mightily fallen Murat and restore some history to a tale that until now lay smothered under two centuries of fable and neglect
