Nappy Edges:

Nappy Edges Ntozake Shange, 1991 The Embodied Child Roxanne Harde, Lydia Kokkola, 2017-09-11 *The Embodied Child* Readings in Children's Literature and Culture brings together essays that offer compelling analyses of children's bodies as they read and are read as they interact with literature and other cultural artifacts and as they are constructed in literature and popular culture. The chapters examine the ideology behind the cultural constructions of the child's body and the impact they have on society and how the child's body becomes a carrier of cultural ideology within the cultural imagination. They also consider the portrayal of children's bodies in terms of the seeming dichotomies between healthy vs unhealthy bodies as well as able bodied vs disabled and examines flesh and blood bodies that engage with literary texts and other media. The contributors bring perspectives from anthropology, communication, education, literary criticism, cultural studies, philosophy, physical education, and religious studies. With wide and astute coverage of disparate literary and cultural texts and lively scholarly discussions in the introductions to the collection and to each section, this book makes a long needed contribution to discussions of the body and the child.

The Weird Sister Collection Marisa Crawford, 2024-02-13 Collecting the best of the underground blog *Weird Sister*, these unapologetic and insightful essays link contemporary feminism to literature and pop culture. Launched in 2014, *Weird Sister* proudly staked out a corner of the internet where feminist writers could engage with the literary and popular culture that excited or enraged them. The blog made space amid book websites dominated by white male editors and contributors and also committed to covering literary topics in depth when larger feminist outlets rarely could. Throughout its decade long run, *Weird Sister* served as an early platform for some of contemporary literature's most striking voices, naming itself a website that speaks its mind and snaps its gum and doesn't apologize. Edited by founder Marisa Crawford, *The Weird Sister Collection* brings together the work of longtime contributors such as Morgan Parker, Christopher Soto, Soleil Ho, Juli n Delgado, Lopera, Virgie Tovar, Jennifer Tamayo, and more, alongside new original essays. Offering nuanced insight into contemporary and historical literature in conversation with real life and timely social issues, these pieces mark a transitional and transformative moment in online and feminist writing.

Global Children's Literature in the College Classroom Sara Austin, Tanja Nathanael, 2023-05-22 *Global Children's Literature in the College Classroom* explores the importance of children's literature as a pedagogical resource in any college course. It can be used to introduce a complex topic, give students a glimpse into a specific culture, or expand the way students think about education and teaching. Global children's literature is particularly useful in language classrooms, education programs, and classes that discuss globalism and colonialism. This book includes fifteen essays representing fifteen countries and eight languages, divided into four sections. The first section of essays, *Across the University*, looks at children's literature in non-traditional settings, including British literature and multicultural studies, which considers what children's literature specifically brings to these courses. The second section, *Borders and Crossings*, examines how children's literature defines or defies political and

cultural separations The third section Childhood Studies and Education considers the importance of global children s literature in education classrooms as a way of promoting diversity and inclusion The fourth section Non English Texts and Texts in Translation focuses on the use of children s literature to teach language and folklore traditions in France Russia and Italy The essay that closes this section discusses using children s literature to teach translation skills at the University of Taipei

Diving Deep & Surfacing Carol P. Christ,2015-10-13 Diving Deep and Surfacing reveals how the writings of Kate Chopin Margaret Atwood Doris Lessing Adrienne Rich and Ntozake Shange can inform women s search for spiritual renewal A new afterword testifies to the importance of spiritual autobiography for women

The Voice in My Head Dana L. Davis,2019-05-28 She can feel sorry for herself Or she can listen to the voice in her head For Indigo Phillips life has always been about basking in the shadow of her identical twin Violet the perfectly dressed gentle popular sister The only problem the girls had in their lives was the occasional chaos that came with being part of the Phillips family brood But when Violet becomes terminally ill and plans to die on her own terms via medically assisted death Indigo spirals into desperation in her efforts to cope That s when she begins to hear a mysterious voice a voice claiming to be God The Voice insists that if she takes Violet to a remote rock formation in the Arizona desert her sister will live Incredibly Violet agrees to go if their dysfunctional family tags along for the ride With all nine members stuffed into a wonky old paratransit bus including their controlling older sister and distant mother Indigo must find a way to face insecurities she s spent a lifetime masking and step up to lead the trip As she deals with outrageous mishaps strange lodgings and even stranger folks along the way Indigo will figure out how to come to terms with her sister her family and the voice in her head

"After Mecca" Cheryl Clarke,2005 In After Mecca Cheryl Clarke explores the relationship between the Black Arts Movement and black women writers of the period Poems by Gwendolyn Brooks Ntozake Shange Audre Lorde Nikki Giovanni Sonia Sanchez Jayne Cortez Alice Walker and others chart the emergence of a new and distinct black poetry and its relationship to the black community s struggle for rights and liberation Clarke also traces the contributions of these poets to the development of feminism and lesbian feminism and the legacy they left for others to build on

Bailey a beautiful African American teenager grew up in Brooklyn NY s Red Hook projects in the mid 1960 s and had more than her share of hurdles to leap over Her mother was admitted into an insane asylum because of her inability to get over the guilt of a childhood incident Her world was shattered when she received a call from the asylum notifying her of her mother s death The suspicious circumstances were vague and sadly she was never provided with a valid reason Bailey later personally experienced some of the asylum s underhanded dealings Other tragedies befall Bailey that causes her to lose touch with her best friend and eventually with her own daughter Bailey normally confronted her dilemmas and moved beyond them but plagued by depression her mental state started to decline and she ended up in an insane asylum not knowing whether or not she would ever leave the place alive and see loved ones again This emotionally overwhelming novel chronicles Bailey s challenges which includes heartbreak and homelessness Is she strong enough to ultimately overcome any obstacle that stands in her way Does she ever get out of the insane asylum and reconnect with lost ties from her past **Black**

Womanist Leadership Toni C. King,S. Alease Ferguson,2011-06-01 Featuring the stories of fourteen Black women scholars Black Womanist Leadership Tracing the Motherline offers a culturally based model of Black women s leadership practices and examines the mother daughter transmission of these skills The personal narratives fit into a storytelling tradition that reveals the ways Black mothers and women of the community the Motherline teach girls the ways women lead The essays present a range of different practical and theoretical issues of leadership and development including mother nurture emulation of and divergence from core values internalized oppression self determination representation of the physical self guardianship governance of the body cooperative economics activism contentiousness with or differentiation from the mother and negotiation of leadership across public and private spheres Together they make a compelling argument for the necessity of continuing to teach the cultural and gender specific resistance to oppression that has been passed along the Motherline and to adapt this Motherline tradition to the lives and needs of women and girls in the 21st century *Presenting Women Philosophers* Cecile Thérèse Tougas,Sara Ebenreck,2000 Western philosophy has long excluded the work of women thinkers from their canon Presenting Women Philosophers addresses this exclusion by examining the breadth of women s contributions to Western thought over some 900 years Editors Cecile T Tougas and Sara Ebenreck have gathered essays and other writings that reflect women s deep engagement with the meaning of individual experience as well as the continuity of their philosophical concerns and practices Arranged thematically the collection ranges across eras and literary genres as it emphasizes the intellectual significance of written work by key figures for example Hildegard of Bingen s visionary writings

Iris Murdoch's fiction Hannah Arendt's historical narratives and the oral storytelling in black women's literary tradition The collection also brings to light the philosophical importance of little known work by such writers as Mme de Sabl and Mme de Condorcet This wide ranging collection offers non philosophers an introduction to women's thought but also promises to engage advanced students of philosophy with new research on unrecognized contributions Author note Cecile T Tougas formerly an Assistant Professor of Philosophy is a teacher of Latin and Algebra at Ben Franklin Academy in Atlanta Sara Ebenreck is Assistant Professor of Philosophy at St Mary's College of Maryland

Abstractionist Aesthetics Phillip Brian Harper, 2015-12-25 An artistic discussion on the critical potential of African American expressive culture In a major reassessment of African American culture Phillip Brian Harper intervenes in the ongoing debate about the proper depiction of black people He advocates for African American aesthetic abstractionism a representational mode whereby an artwork rather than striving for realist verisimilitude vigorously asserts its essentially artificial character Maintaining that realist representation reaffirms the very social facts that it might have been understood to challenge Harper contends that abstractionism shows up the actual constructedness of those facts thereby subjecting them to critical scrutiny and making them amenable to transformation Arguing against the need for positive representations Abstractionist Aesthetics displaces realism as the primary mode of African American representational aesthetics re-centers literature as a principal site of African American cultural politics and elevates experimental prose within the domain of African American literature Drawing on examples across a variety of artistic production including the visual work of Fred Wilson and Kara Walker the music of Billie Holiday and Cecil Taylor and the prose and verse writings of Ntozake Shange Alice Walker and John Keene this book poses urgent questions about how racial blackness is made to assume certain social meanings In the process African American aesthetics are upended rendering abstractionism as the most powerful modality for Black representation

The Cambridge Companion to African American Women's Literature Angelyn Mitchell, Danille K. Taylor, 2009-04-30 The Cambridge Companion to African American Women's Literature covers a period dating back to the eighteenth century These specially commissioned essays highlight the artistry complexity and diversity of a literary tradition that ranges from Lucy Terry to Toni Morrison A wide range of topics are addressed from the Harlem Renaissance to the Black Arts Movement and from the performing arts to popular fiction Together the essays provide an invaluable guide to a rich complex tradition of women writers in conversation with each other as they critique American society and influence American letters Accessible and vibrant with the needs of undergraduate students in mind this Companion will be of great interest to anybody who wishes to gain a deeper understanding of this important and vital area of American literature
