Joacim Rocklöv

Narciso Infranto Lautoritratto Moderno Da Goya A Warhol:

Present and Future Paradigms of Cyberculture in the 21st Century Atay, Simber, Kurubacak-Meriç, Gülsün, Sisman-Uğur, Serap, 2020-11-27 Cyberculture is a particularly complex issue It is seen as a fantastic meeting point of classic philosophers with postmodern theorists politicians with community engineers contemporary sophists with software engineers and artists with rhetoricians Today cyberculture is identified highly with new media and digital rhetoric and could be used to create a comprehensive map of modern culture Present and Future Paradigms of Cyberculture in the 21st Century is a comprehensive research publication that explores the influence of the internet and internet culture on society as a whole Highlighting a wide range of topics such as digital media activism and psychology this book is ideal for academicians researchers sociologists psychologists anthropologists and students *Freud and Italian Culture* Pierluigi Barrotta, Anna Laura Lepschy, Emma Bond, 2009 This book explores the different ways in which psychoanalysis has been connected to various fields of Italian culture such as literary criticism philosophy and art history as well as discussing scholars who have used psychoanalytical methods in their work The areas discussed include the city of Trieste in chapters devoted to the author Italo Svevo and the artist Arturo Nathan psychoanalytic interpretations of women terrorists during the anni di piombo the relationships between the Freudian concept of the subconscious and language in philosophical research in Italy and a personal reflection by a practising analyst who passes from literary texts to her own clinical experience The volume closes with a chapter by Giorgio Pressburger a writer who uses Freud as his Virgil in a narrative of his descent into a modern hell The volume contains contributions in both English and Italian **At the Threshold of the Image** Andrea Pinotti, 2025-09-16 An exploration of the impact of immersive experiences on visual practices from cave painting to virtual reality In this groundbreaking book philosopher Andrea Pinotti explores the impacts of a desire that has motivated human beings since prehistory the desire to enter an image He proposes that over the centuries every culture has tried to realize this wish with whatever visual resources were available at the time and today's virtual reality technologies seem close to fulfilling it The image in VR becomes an immersive 360 degree environment and the frame that used to confine it to a world apart disappears Even the physical medium in which the image materializes appears to be transparent However Pinotti insists that once the border between the real world and the iconic world becomes permeable we are faced with a troubling two way passage we penetrate the world of the image but the image floods into our world The desire for being encompassed by the image he shows is accompanied by fear of this overflowing In its analysis of this desire fear At the Threshold of the Image takes the reader on an extraordinary journey from the myths of Narcissus and Pygmalion to contemporary VR headsets passing through the pictorial traditions of trompe l'oeil and living sculptures the mirrors in Alice in Wonderland illusionistic architecture panoramas and phantasmagorias and 3D cinema *Giorgio de Chirico Scritti 1910-1978* Giorgio de Chirico, 2023-02-17 T00:00:00+01:00 Il Pictor Optimus Con questa insegna magniloquente si presenta al mondo Giorgio de

Chirico ma all'inizio del suo percorso la pittura solo una delle frecce al suo arco Caduta presto la passione per la musica resta a fare da corteggio all'incedere della sua arte la musa della scrittura Sin dall'arrivo a Parigi de Chirico accompagna il proprio dipingere con testi dalla natura indefinibile tra illuminazione lirica affabulazione mitica visionaria riflessione teorica e appassionata quanto risentita memoria personale I primi e straordinari scritti degli anni dieci che tanto ispireranno gli artisti a venire sono uniti ai suoi disegni in un'affascinante compagine verbovisiva Libri celebri e discussi poi si susseguiranno dall'inclassificabile capolavoro *Hebdomeros* qui dato anche nella prima versione in francese e con le immagini aggiunte nel 1972 che nel 1929 sfida i rinnegati discepoli surrealisti sul loro terreno al suo seguito polemico e didascalico *Il signor Dudron* uscito in forma integrale solo postumo ma qui presente anche nelle sue versioni parziali dal puntiglioso *Piccolo trattato di tecnica pittorica* alle piccanti *Memorie della mia vita* sino a quella compiaciuta prestidigitazione che la *Commedia dell'arte moderna* del 1945 nella quale de Chirico si scatena in una polemica talora aspra e ingenerosa tal'altra giocosa contro la decadenza tecnica e spirituale della pittura del suo tempo destinata a replicarsi sino alla fine dei suoi giorni in un'inesauribile attività di conferenziere pubblicitista e conversatore Proprio il ricco corpus delle interviste come quelle d'ineffabile ironia consegnate in tarda età alla televisione qui raccolto per la prima volta e rappresenta insieme ai versi del cosiddetto *Quaderno francese* allo sconosciuto canovaccio teatrale *Le Ballet* e alle enigmatiche pagine firmate Benito una delle novità sorprendenti di questo volume l'edizione più completa mai realizzata degli scritti di un protagonista assoluto del Novecento Con i contributi di Fabio Benzi Gioia Costa Jole de Sanna Elena Pontiggia Katherine Robinson Gabriele Simongini **Vite Impersonali.**

Autoritrattistica e Medialità Federica Villa, 2013-01-10 Ci che questo volume dice che oggi nei media ma non solo nei media tanto più uno si sforza di dire di sé tanto più lascia spazio a una dimensione impersonale Attenzione tanto più uno parla di sé l'impersonalità arriva appunto come conseguenza di un'iperpersonalizzazione come inevitabile effetto di un'affollarsi di io Non si tratta perciò di una cifra stilistica che posso scegliere in partenza piuttosto un punto d'arrivo che ho inevitabilmente davanti ogni volta che assumo apertamente la guida di un discorso Dalla Prefazione di Francesco Casetti *Il ritratto dell'amante* Saveria Chemotti, 2009 **L'avventura estetica** Salomon Resnik, 2002 **La Civiltà cattolica**, 2005

Memoria, autobiografia, alterità Roberto Celada Ballanti, 2024-07-12T00:00:00+02:00 Il libro di Roberto Celada Ballanti presenta una forma narrativa trainante e coinvolgente tanto da rendere le soste necessarie nella lettura nuovi incipit imprevedibili non nel divagare bensì nel ritorno arricchito dalle parole che il lettore riteneva di aver smarrito nell'offrirsi via via di altri concitati mai sommessi capannelli discorsivi con se stessi e con gli altri numerosi autori che l'autore ha saputo raccogliere lungo la via ponendo loro le domande che forse mai costoro rivolsero alle loro pagine Il suo stile non insegue il nulla lo smaschera pagina dopo pagina ci offre sapere incontri inaspettati Il gesto autobiografico scrive Celada Ballanti mira alla spersonalizzazione spersonalizzante di per sé si arrende all'apparire dei fantasmi illusori che invece si rivelano sopravvissute divinità della coscienza del proprio mai poter essere Un saggio dunque che smaschera attese e luoghi comuni

che sveste le frasi fatte di quanti ancora ritengono l'autobiografia un pacifico e parresiasistico lucroso approdo alla conoscenza febbrile di un sosia che poi almeno un poco ci assomigli **Quando la bellezza cura il dolore** L'Acrobatica del morire, 2019-10-03T00:00:00+02:00 Il volume presenta il percorso di lavoro del gruppo di ricerca L'Acrobatica del morire sul tema della concezione della morte nella cultura contemporanea a partire dalla pratica clinica dell'accompagnamento al morire nelle cure palliative Esso raccoglie con sguardo pienamente pluridisciplinare i testi di medici palliativisti filosofi teologi psicologi psicoterapeuti antropologi storici dell'arte ed esperti in cultura visuale che sono stati presentati in un ciclo di seminari realizzati nel contesto dell'esposizione personale del fotoreporter Gianni Cipriano *Where Beauty Softens Your Grief* a Palermo nel 2018 **La mano e il volto di Antonio Canova** Fondazione Canova (Possagno, Italy), 2008 *Arte e filosofia* Mario Autieri, 2022-07-22T00:00:00+02:00 Tutta la produzione artistica ha sempre come punto di partenza l'incontro con un segno il quale si rivela fondamentale proprio perché ci costringe a pensare Il costituirsi di una certa idea di gusto estetico ha finito per incarnarsi nel tipo sociale che edifica la propria identità prendendo parte agli eventi culturali con la stessa attenzione con cui si guardano le vetrine dei negozi Questa la diagnosi che viene ricostruita e contestata da Mario Autieri Una possibile teoria del riconoscimento dell'oggetto artistico non deve per forza avere questo esito negativo ma può invece legarsi a forme creative di ripetizione e a strategie di costruzione retorica senza prescindere dalle basi materiali dell'arte stessa Chiamando in causa pensatori come Adorno Derrida Merleau Ponty e Benjamin nonché personalità quali il regista Lars von Trier gli architetti Koolhaas e Le Corbusier e i musicisti Reich e Glass l'autore cerca di spiegare perché una particolare forma di ripetitività non un impoverimento dell'arte ma piuttosto il modo in cui la vecchia aura dell'opera d'arte si posata su dimensioni prettamente sensibili come la costruzione del mood degli ambienti **Yod. Cinema, comunicazione e dialogo tra saperi (2009)**, 2010 L'invention de la liberté, 1700-1789 Jean Starobinski, 2006 L'auteur tente de montrer comment la pensée des Lumières ruscant la théologie de la Chute et rhabilitant la nature humaine a donné la primauté aux données de la vie sensible et du sentiment tout en faisant appel à la volonté claire Le second texte considère quelques-unes des images typiques de la culture révolutionnaire française dans le contexte du néoclassicisme européen **Painting Codes** Andrea Bruciati, Alessandra Galasso, 2006 **L'autore e il personaggio** Alessandro Iovinelli, 2004 Un viaggiatore allo specchio Vanna Zaccaro, 2002 Fisiologia dell'immagine Stefania Parigi, 2006 *Autoritratti, specchi, palestre* Paolo Fossati, 1998 **Pietro Vannucci, Maturanzio e gli uomini famosi nella Perugia dei Baglioni** Laura Teza, 2008
