Narcotics Alcohol And Psychism According To Occultism:

Narcotics, Alcohol and Psychism According to Occultism Harriette Augusta Curtiss, F. Homer Curtiss, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Prayer Warfare Against 70 Mad Spirits Dr. D. K. Olukoya, 2016-05-04 In these times the enemy of man ha released an array of wicked raging spirits against mankind these spirits are resolute fierce and unrelenting in their daily assaults on man Unless a counter initiative is put into operation many will be torn apart Indeed many are being gradually destroyed by these powers This powerful prayer manual gives you facilities to arrest these raging spirits The prayer points in this book targets 70 different spirits robbing you from your destiny The book is an essential tool for prayer warriors *Routledge Library Editions: Occultism* Various, 2022-07-30 The volumes in this set originally published between 1978 and 1992 draw together research by leading academics in the area of the occult and provide a rigorous examination of related key issues The collection examines occultism from a broad range of disciplines from shamanism and the occult tarot to the esoteric and spiritualism It includes volumes across the disciplines of religion covering new religious movements spiritualism ritual and magic practices The three books that comprise this set include investigations into the evolution of occultism as well as the history and practices of the occult as a religious movement This collection brings back into print insightful and detailed books and will be a must have resource for academics and students not only of religion and anthropology but also of history and psychology **Psychical Research Review** ,1917 **The Esoteric Scene, Cultic Milieu, and Occult Tarot** Danny L. Jorgensen, 2019-09-09 Originally published in 1992 The Esoteric Scene Cultic Milieu and Occult Tarot examines beliefs practices and activities described as mystical psychical magical spiritual metaphysical theophysical esoteric occult and or pagan among other possible labels by their American disciplines The book is comprised using a mixture of field work and interviews and provides a broad overview of the esoteric community and the social meanings of occultism The book describes and analyses social meanings of esoteric culture as it is experienced defined structured and enacted by societal members and examines the sociological significance of esoteric culture as a formulation of alternative sociocultural realities It provides a sociological understanding of esoteric culture and the cultural milieu Drug and Alcohol Use Stanley Einstein, 2013-06-29 This book is the outcome of the First International Congress on Drugs and Alcohol to be held in Israel Both the conference and this volume grew out of the need to overcome the specious man made barriers which continue to separate intervention plans and efforts in the broad field of substance use and misuse This need demands that all of us become aware not only of the differences which may separate our concerns but also of the similarities in our goals and endeavors We are obligated to draw together toward a common effort for the common good The conference

was designed to facilitate the exploration of generic issues. This volume is designed to document a variety of factors which are basic to the defining, selection, planning, implementation and evaluation of substance use and misuse intervention. This book is not a traditional proceedings volume. Because the needs of a listening audience are quite different from those of the solitary reader and the roles of a workshop or plenary session participant are also dissimilar from those of the reader, not all of the Congress presentations are included and the articles that are included have undergone major revisions. Current intervention needs and options demand a broad spectrum of clearly defined roles for all who are or should be involved. Hence these issues among others served as guidelines in the preparation of the revised articles. **Psychic Attack** Draja

Mickaharic, 2013-02-08. This book contains a description of the various kinds of psychic attack along with suggestions and a few remedies for eliminating it from your life. Included are exercises for mental training that can make your mind impervious to psychic attack. *The Inner Planets* Liz Greene, Howard Sasportas, 1993-01-15. The fourth volume to appear in the Seminar in Psychological Astrology series sponsored by the Centre for Psychological Astrology in London. In this exciting book the authors team up to discuss the value of Mercury, Venus and Mars as they symbolize important aspects of personality. This book is about the process of understanding how the inner planets actually represent the individual and how they directly color the energy of the Sun and the Moon. The Voice of Isis Harriette Augusta Curtiss, Frank Homer Curtiss, 1926.

W.B.Yeats and W.T.Horton George Mills Harper, 1980-06-18.
