Pedagogical Responses to the Changing Position of Girls and Young Women Carrie Paechter,Rosalyn George,Angela McRobbie,2018-02-02 Academics and professionals working with young women face a series of paradoxes Over the last 20 years the lives of young women in the UK and Europe have been transformed They have gained considerable freedom and independence but at the very same time new less tangible forms of constraint and subordination now play a defining role in the formation of their everyday subjectivities and identities Young women have come to exemplify the pervasive sensibility of self responsibility and self organisation This new gender regime demands both conceptualisation and practical response drawing on educational research social and cultural theory and contemporary feminist thought Within the overarching theme of pedagogical responses to these trends through work in schools and within young women s online and face to face communities this book interrogates the field of sexuality and its visualisation across new and old media in the context of often predictable and endemic moral panics about teenage pregnancy rates sexually transmitted diseases and internet pornography In exploring how girls and young women respond to increasing expectations of them as the vanguard of economic social and cultural change contributors to this volume interrogate the ways in which social and educational aspiration interact with young women s developing and embodied identities This book was originally published as a special issue of *Pedagogy Culture and Society* **Liminality and the Short Story** Jochen Achilles,Ina Bergmann,2014-12-05 This book is a study of the short story one of the widest taught genres in English literature from an innovative methodological perspective Both liminality and the short story are well researched phenomena but the combination of both is not frequent This book discusses the relevance of the concept of liminality for the short story genre and for short story cycles emphasizing theoretical perspectives methodological relevance and applicability Liminality as a concept of demarcation and mediation between different processual stages spatial complexes and inner states is of obvious importance in an age of global mobility digital networking and interethnic transnationality Over the last decade many symposia exhibitions art and publications have been produced which thematize liminality covering a wide range of disciplines including literary geographical psychological and ethnicity studies Liminal structuring is an essential aspect of the aesthetic composition of short stories and the cultural messages they convey On account of its very brevity and episodic structure the generic liminality of the short story privileges the depiction of transitional situations and fleeting moments of crisis or decision It also addresses the moral transgressions heterotopic orders and forms of ambivalent self reflection negotiated within the short story s confines This innovative collection focuses on both the liminality of the short story and on liminality in the short story **The Short Story Anthology and Women's Writing** Aleix Tura Vecino,2025-08-14 Hundreds of anthologies of women s short stories have

appeared in the literary market between the 1970s and now This publishing and cultural phenomenon is considered for the first time in this book which argues that during this period anthologies have become a literary technology used not only to make visible female short story writers but also to think about and mould ideas of womanhood Through creative and contextualised readings of the most important anthologies produced in this period this study shows that this literary form has contributed to and in some cases pioneered key developments in gender theory and feminist thought including questions of political combination among women which underlie contemporary global movements such as MeToo In doing so the book also develops the first book length conceptualisation of the features and meaning making mechanisms of the short story anthology as a literary form This book will benefit academics and students working in the fields of short fiction publishing and women s studies as well as feminist scholars and a growing number of specialists interested in the anthology as a literary form worldwide

American Women Short Story Writers Julie Brown,2014-05-01 This collection of original and classic essays examines the contributions that female authors have made to the short story The introductory chapter discusses why genre critics have ignored works by women and why feminist scholars have ignored the short story genre Subsequent chapters discuss early stories by such authors as Lydia Maria Child and Rose Terry Cooke Others are devoted to the influences race class sexual orientation education that have shaped women s short fiction through the years Women s special stylistic formal and thematic concerns are also discussed in this study The final essay addresses the ways our contemporary creative writing classes are stifling the voices of emerging young female authors The collection includes an extensive five part bibliography

Reconsidering Elizabeth Bowen's Shorter Fiction Heather Levy,2020-12-03 Reconsidering Elizabeth Bowen s Shorter Fiction Dead Reckoning focuses on Elizabeth Bowen s representations of violence against the self and others Heather Levy examines the complicity of landscape and the implications of mayhem murder and suicide in The Collected Stories of Elizabeth Bowen 2006 edited by Angus Wilson and The Bazaar and Other Stories 2008 edited by Alan Hepburn It introduces five previously unpublished short story fragments and two nearly complete stories from The Elizabeth Bowen Collection at The Harry Ransom Research Center Levy argues that Bowen s shorter fiction is a quixotic celebration of moral transgression crime without punishment and suicide without mourners Bowen s compassionate response to offenders and violence anticipated the Perpetrator Trauma movement in the United States Her innovations with the freedom of the short story produced an uncanny narration of violence This book integrates the entirety of the scholarship on Bowen s short stories in a clear and original manner and offers a synthetic and compelling excavation of Bowen s unpublished short stories

A Companion to the American Short Story Alfred Bendixen,James Nagel,2020-08-24 A COMPANION TO THE AMERICAN SHORT STORY A Companion to the American Short Story traces the development of this versatile literary genre over the past two centuries Written by leading critics in the field and edited by two major scholars it explores a wide range of writers from Edgar Allen Poe and Edith Wharton at the end of the nineteenth century to important modern writers such as Ernest

Hemingway William Faulkner F Scott Fitzgerald and Richard Wright Contributions with a broader focus address groups of multiethnic Asian and Jewish writers Each chapter places the short story into context focusing on the interaction of cultural forces and aesthetic principles The Companion takes account of cutting edge approaches to literary studies and contributes to the ongoing redefinition of the American canon embracing genres such as ghost and detective fiction cycles of interrelated short fiction and comic social and political stories The volume also reflects the diverse communities that have adopted this literary form and made it their own featuring entries on a variety of feminist and multicultural traditions This volume presents an important new consideration of the role of the short story in the literary history of American literature

Feminine Subjects in Masculine Fiction M. Miller, 2013-04-23 Between 1870 and 1910 male authors were actively engaged with imagining new possibilities for women at the same time as the central female figure continued to function as a troubling and unreachable object of aesthetic desire This book examines these inscrutable female characters who were the ground on which fiction reinvented itself as Art **Hemingway's Neglected Short Fiction** Susan F. Beegel, 1992 Some 25 Hemingway scholars critique Hemingway's works from the early apprentice fiction of 1919 stories Hemingway wrote dog
