

A man and a woman are shown in a close embrace, their faces nearly touching. The man is wearing a grey sweater over a white shirt, and the woman is wearing a light-colored, textured dress. They are surrounded by a blurred crowd of people in the background, suggesting a social gathering or event at night. The lighting is warm and golden, creating a romantic and intimate atmosphere.

*Narrow Road to the Interior* Bashō Matsuo, 1991 Matsuo Basho was the greatest of the Japanese haiku poets whose genius elevated the haiku to an art form of intense spiritual beauty This one of the most revered classics of Japanese literature is a diary of Basho s journey to the northern interior of Japan      **The Narrow Road to the Interior: Poems** Kimiko Hahn, 2006 A collection of over thirty poems by American poet Kimiko Hahn in which she explores her various identities      Narrow Road to the Interior Matsuo Basho, 2006-11-14 A masterful translation of one of the most loved classics of Japanese literature part travelogue part haiku collection part account of spiritual awakening Bash 1644 1694 a great luminary of Asian literature who elevated the haiku to an art form of utter simplicity and intense spiritual beauty is renowned in the West as the author of *Narrow Road to the Interior* a travel diary of linked prose and haiku recounting his journey through the far northern provinces of Japan This edition features a masterful translation of this celebrated work It also includes an insightful introduction by translator Sam Hamill detailing Bash s life and the art of haiku three other important works by Bash *Travelogue of Weather Beaten Bones* *The Knapsack Notebook* and *Sarashina Travelogue* and two hundred and fifty of his finest haiku making this the most complete single volume collection of Bash s writings      **Traces of Dreams** Haruo Shirane, 1998 Basho 1644 94 is perhaps the best known Japanese poet in both Japan and the West and this book establishes the ground for badly needed critical discussion of this critical figure by placing the works of Basho and his disciples in the context of broader social change      **The Folk Performing Arts** Barbara E. Thornbury, 1997-03-06 Addresses issues concerning the survival and preservation of traditional culture by examining Japan s folk performing arts and the public policies that affect them      Classical Japanese Prose Helen Craig McCullough, 1990 This volume brings together in convenient form a rich selection of Japanese prose dating from the ninth to the seventeenth centuries a period during which the preeminent cultural and aesthetic values were those of the Heian court It contains 22 works representing all the major indigenous literary forms either complete or in generous excerpts and is particularly rich in writing by women and in autobiographical writings This anthology contains longer selections than the only other available anthology which was published in the 1950s and each selection is preceded by an introduction reflecting the most recent scholarship With three exceptions all the translations are by the compilers and almost all of them are published here for the first time Because of space limitations the compiler has omitted the two long masterpieces of the age *The Tale of Genji* and *The Tale of Heike* which deserve to be read in their entirety and which are available in paperback English translations The book contains an extensive general introduction thirteen illustrations five maps a glossary and a selected bibliography of works in English translation      Exophony Yoko Tawada, 2025-06-03 An electrifying new side of the National Book Award Winner Yoko Tawada her first book of essays in English I am trying to learn with my tongue sounds that are unfamiliar to me A foreign sounding word learned out of curiosity is not imitation per se All of these things I learn leave traces that slowly grow to coexist with my

accent And that balancing act goes on changing indefinitely How perfect that Yoko Tawada's first essay in English dives deep into her lifelong fascination with the possibilities opened up by cross hybridizing languages Tawada famously writes in both Japanese and German but her interest in language reaches beyond any mere dichotomy The term exophonic which she first heard in Senegal has a special allure for the author I was already familiar with similar terms immigrant literature or creole literature but exophonic had a much broader meaning referring to the general experience of existing outside of one's mother tongue Tawada revels in explorations of cross cultural and intra language possibilities and along the way deals several nice sharp raps to the primacy of English The accent here as in her fiction is the art of drawing closer to the world through defamiliarization Never entertaining a received thought Tawada seeks the still to be discovered truths as well as what might possibly be invented entirely whole cloth Exophony opens a new vista into Yoko Tawada's world and delivers more of her signature erudite wit at once cross grained and generous laser focused and multidimensional slyly ironic and warmly companionable

田中 邦子,1980     The Ghost Forest Kimiko Hahn,2024-10-15 Borrowing from such writers as Elizabeth Bishop and Chimako Tada featuring ghosts and geoglyphs writing in form and free verse Kimiko Hahn's broad and eclectic approach reveals a mind as vast as the terrains it traverses Nicole Sealey Poetry magazine Opening with forty three new formally inventive poems and leading the reader back in time through selections from her ten previous volumes The Ghost Forest offers a contemplative and haunting narrative of a writer's artistic journey through craft and form while illuminating her personal history Exploring the mysteries of science nature and the experiences of contemporary womanhood Hahn both reinvents classic Japanese forms and experiments with traditional Western ones Braided into the poems and narrative thread a series of photos transforms the new and selected into a hybrid autobiography This arresting collection derives new beauty from long gone remnants A Riotous Disorder She mistakes one word for another Something her brain naturally concocts Her unruly gray matter and her heart Mistake one word for an other Razor for river cistern for sister Even cock for clock She mistakes one word for a mother A safe her brain naturally unlocks

**Basho's Narrow Road** Matsuo Basho,2013-06-15 A stimulating exploration of the haiku masterpiece Matsuo Basho 1644-94 is considered Japan's greatest haiku poet Narrow Road to the Interior Oku no Hosomichi is his masterpiece Ostensibly a chronological account of the poet's five month journey in 1689 into the deep country north and west of the old capital Edo the work is in fact artful and carefully sculpted rich in literary and Zen allusion and filled with great insights and vital rhythms In Basho's Narrow Road Spring and Autumn Passages poet and translator Hiroaki Sato presents the complete work in English and examines the threads of history geography philosophy and literature that are woven into Basho's exposition He details in particular the extent to which Basho relied on the community of writers with whom he traveled and joined in linked verse renga poetry sessions an example of which A Farewell Gift to Sora is included in this volume In explaining how and why Basho made the literary choices he did Sato shows how the poet was able to transform his passing observations into words that resonate across time and culture

**The Aesthetics of Strangeness** W. Puck Brecher, 2013-08-31 Eccentric artists are the vagaries of humanity that inhabit the deviant underside of Japanese society This was the conclusion drawn by pre World War II commentators on most early modern Japanese artists Postwar scholarship as it searched for evidence of Japan's modern roots concluded the opposite The eccentric mad and strange are moral exemplars paragons of virtue and shining hallmarks of modern consciousness In recent years the pendulum has swung again this time in favor of viewing these oddballs as failures and dropouts without lasting cultural significance This work corrects the disciplinary and exclusionary nature of such interpretations by reconsidering the sudden and dramatic emergence of aesthetic eccentricity during the Edo period 1600-1868 It explains how throughout the period eccentricity *ki* and madness *ky* developed and proliferated as subcultural aesthetics By excavating several generations of early modern Japan's eccentric artists it demonstrates that individualism and strangeness carried considerable moral and cultural value Indeed Edo society fetishized various marginal personae the recluse the loser the depraved the outsider the saint the mad genius as local heroes and paragons of moral virtue This book concludes that a confluence of intellectual aesthetic and social conditions enabled multiple concurrent heterodoxies to crystallize around strangeness as a prominent cultural force in Japanese society A study of impressive historical and disciplinary breadth *The Aesthetics of Strangeness* also makes extensive use of primary sources many previously overlooked in existing English scholarship Its coverage of the entire Edo period and engagement with both Chinese and native Japanese traditions reinterprets Edo period tastes and perceptions of normalcy By wedding art history to intellectual history literature aesthetics and cultural practice W Puck Brecher strives for a broadly interdisciplinary perspective on this topic Readers will discover that the individuals that form the backbone of his study lend credence to a new interpretation of Edo period culture a growing valuation of eccentricity within artistic and intellectual circles that exerted indelible impacts on mainstream society *The Aesthetics of Strangeness* demystifies this emergent paradigm by illuminating the conditions and tensions under which certain rubrics of strangeness *ki* and *ky* particularly were appointed as aesthetic criteria Its revision of early modern Japanese culture constitutes an important contribution to the field

**Unravelling Travelling** Sue Beeton, 2022-01-20 *Unravelling Travelling* Uncovering Tourist Emotions through Autoethnography takes an intrinsically personal autoethnographic approach to delve into the deep and very subjective emotions experienced while travelling to

foreign places      **Encountering Nature** Dr Thomas Heyd, 2012-10-01 This book argues that an attentive encounter with nature is of key importance for the development of an environmentally appropriate culture. The fundamental idea is that the environmental degradation that we are increasingly experiencing is best conceived as the consequence of a cultural mismatch: our cultures seem not to be appropriate to the natural environment in which we move and on which we depend in thoroughgoing ways. In addressing this problem, Thomas Heyd weaves together a rich tapestry of perspectives on human interactions with the natural world, ranging from traditional modes of managing human communities that include the natural environment to the consideration of poetic travelogues, ecological restoration, and botanic gardens. The volume is divided into three parts which respectively consider the relation of human beings to nature in terms of ethics, aesthetics, and culture. It engages the current literature in each of these areas with the help of interdisciplinary approaches as well as on the basis of personal encounters with natural spaces and processes. The ultimate aim of this book is to make a contribution to the development of a cultural fabric that is suitable to the natural spaces and processes in which we may thrive and on which we all depend as individuals and as a species.

**Border Crossings** Ian Marshall, 2012 The International Appalachian Trail runs north from Mount Katahdin, seven hundred miles to the end of the Gasp Peninsula. Inspired by Bashō, Ian Marshall hiked it for six summers, probing the poetics of haiku while exploring a vast and beautiful wilderness little known in the US. Marshall is an engaging trail companion and a superb story teller with a self-deprecating wit and sharp intellect that spice up his observations and ideas. Like Bashō, he finds the miraculous in the common and elevates the humble walk into a spiritual practice, sprinkling his narrative with lovely original haiku that seem to have condensed in the moment like droplets of dew. Backpackers will appreciate his pungent descriptions of life on the trail, and ecocritics will savor his abundant insights on poetry, nature, and culture. This lively book serves up a classic blend of high adventure, literary pilgrimage, and self-discovery. It tastes as tart and fresh as wild raspberries.

    John Tallmadge, past president of the Association for the Study of Literature and Environment and author of *The Cincinnati Arch: Learning from Nature in the City*      **Pilgrimage to Vallombrosa** John Elder, 2008-05 John Elder, Professor of English and Environmental Studies at Middlebury College, is the author of *Reading the Mountains of Home* and *The Frog Run Under the Sign of Nature: Explorations in Ecocriticism*      *Towns, Ecology, and the Land* Richard T. T. Forman, 2019-02-07 Towns and villages are sometimes viewed as minor, even quaint spots, whereas this book boldly reconceptualizes these places as important, dynamic environmental hotspots. Multitudes of towns and villages, with nearly half the world's population, characterize perhaps half the global land surface. The book's pages feature ecological patterns, processes, and change, as well as human dimensions, both within towns and in strong connections and effects on surrounding agricultural land, forest land, and arid land. Towns, small to large, and villages are examined with spatial and cultural lenses. Ecological dimensions: water, soil, and air systems, together with habitats, plants, wildlife, and biodiversity, are highlighted. A concluding section presents concepts for making better towns and better land. From a pioneer in both

landscape ecology and urban ecology this highly international town ecology book opens an important frontier for researchers students professors and professionals including environmental town and conservation planners
