Narcissus and Goldmund Hermann Hesse, 2003-02 This is the story of a passionate yet uneasy friendship between two men of opposite character who set each other on different paths in life **Narziss und Goldmund** Hermann Hesse, 1977

Narziss und Goldmund Hermann Hesse, 1986 **Narziss und Goldmund** Hermann Hesse, 1976 Narziss and Goldmund , 1996 Hermann Hesse's Narziss und Goldmund Jan Fisher Ingenthron, 1974 **A Companion to the Works of Hermann Hesse** Ingo Cornils, 2009 New essays on the works and themes of Hesse one of the most perennially relevant and widely read German authors **Hermann Hesse** Harold Bloom, 2003 Hermann Hesse's introspective lyrical writing won him praise from the literary world while his sense of estrangement from industrialized civilization and endorsement of pacifism brought him wide popular approval Winner of the Nobel Prize for The Glass Bead Game Hesse renders life's callings in a way that has called readers to a renewed sense of purpose and possibility **Narcissus and Goldmund** Hermann Hesse, 1999-01 Narcissus and Goldmund is the story of a passionate yet uneasy friendship between two men of opposite character Narcissus an ascetic instructor at a cloister school has devoted himself solely to scholarly and spiritual pursuits One of his students is the sensual restless Goldmund who is immediately drawn to his teacher's fierce intellect and sense of discipline When Narcissus persuades the young student that he is not meant for a life of self denial Goldmund sets off in pursuit of aesthetic and physical pleasures a path that leads him to a final unexpected reunion with Narcissus

Hermann Hesse Joseph Mileck, 2023-09-01 A critical biography far surpassing the previous ones Times Higher Education Supplement There are to be sure many writers whose biographies are more interesting than their fiction but Hesse is not one of these He led a long and sometimes eventful life with marital tensions travel controversy crises even some thoughts of suicide and a period of time as a student in a home for retarded and unmanageable In addition there was his search which led him through the culture and arts of West and East his views of politics and society of psychology and philosophy The difference between Hesse and other writers is that virtually every shred and patch of his life was brought into his writing his fiction particularly He had to write about himself and there is little of what he wrote that is not confessional in form and therapeutic in function Autobiography is the very matter of his work Mileck's contribution is to extend and fill out the evidence of his life his psychoanalysis his drive toward self realization which was the very engine of his being to show the raw material and thus to invite readers to see how it was transmuted transfigured fantasized poeticized symbolized Los Angeles Times Hesse was a prolific author for some 60 years and his mind drew everything it contemplated into his private wars between flesh and spirit objectivity and subjectivity the longings for society and isolation No one is better qualified to disentangle this abundance than Mileck compiler of the huge two volume Hesse bibliography For completeness then no biography in English compares Kirkus Reviews Mileck provides his own translations of the German quotations from Hesse's works and the eight interpretive chapters are thoroughly indexed making the work readily accessible to researchers and

students concerned with specific Hesse questions and themes This very readable book also contains a number of exceptional photographs which together with Mileck's fervor and understanding of the author help create a living image of Hesse the man and the artist Choice Professor Mileck brings to his task an acquaintanceship with Hesse's published and unpublished writings which borders on omniscience This is a literary biography which concentrates on the works and looks at the life of its subject briefly and always in relation to its involvement with the works This is true scholarship which does not make the book less readable and accessible to the general public a solid and valuable book which should make it easier to bring Hesse back into the orbit of serious appreciation in the English speaking world Books and Bookmen A critical biography far surpassing the previous ones Times Higher Education Supplement There are to be sure many writers whose biographies are more interesting than their fiction but Hesse is not one of these He led a long and sometimes eventful Narziss und Goldmund Hermann Hesse, 2012-01-01 **Narziss und Goldmund**, 2003 Dualism in Hermann Hesse's Narziss und Goldmund Michael James Bradley, 2000 **Narziss i Goldmund** Hermann Hesse, 2000 *Narziß und Goldmund* Hermann Hesse, 2011-12-14 In Narzi und Goldmund bekommen die zwei Grundformen des sch pferischen Menschen Gestalt der Denker und der Tr umer der Herbe und der Bl hende der Klare und der Kindliche Beide verwandt obwohl in allem ihr Gegenspiel beide vereinsamt beide von Hesse gleich gerecht in ihren Vorz gen und Schw chen erkannt gleich exakt wiedergegeben Max Herrmann Neie **Meine Begegnungen mit C.
