Percy and the Five Houses Else Holmelund Minarik,1989 None of the five different houses Percy receives from the House of the Month Club proves to be as perfect as his own beaver home *Percy and the Five Houses* , *Five Houses, Ten Details* Edward R. Ford,2012-04-17 Edward Ford's forty years of practicing and teaching architecture have focused on one area the architectural detail Yet despite two hugely influential books *The Details of Modern Architecture* volumes 1 and 2 numerous articles and lectures given from Vancouver to Vienna there are two questions Ford has remarkably never answered What is a detail and more importantly What is a good detail Ford is an architect as well as a writer so it is not surprising that rather than answering these questions in a third book he spent six years on the design and construction of a house Building it was not an exercise in the application of ideas about detail it was rather a mechanism for answering those two simple questions **The Giant Encyclopedia of Circle Time and Group Activities for Children 3 to 6** Kathy

We Are Not Such Things Justine van der Leun, 2016-06-28 Justine van der Leun reopens the murder of a young American woman in South Africa an iconic case that calls into question our understanding of truth and reconciliation loyalty justice race and class a gripping investigation in the vein of the podcast Serial Timely gripping explosive the kind of obsessive forensic investigation of the clues and into the soul of society that is the legacy of highbrow sleuths from Truman Capote to Janet Malcolm The New York Times Book Review The story of Amy Biehl is well known in South Africa The twenty six year old white American Fulbright scholar was brutally murdered on August 25 1993 during the final fiery days of apartheid by a mob of young black men in a township outside Cape Town Her parents forgiveness of two of her killers became a symbol of the Truth and Reconciliation process in South Africa Justine van der Leun decided to introduce the story to an American audience But as she delved into the case the prevailing narrative started to unravel Why didn't the eyewitness reports agree on who killed Amy Biehl Were the men convicted of the murder actually responsible for her death And then van der Leun stumbled upon another brutal crime committed on the same day in the very same area The true story of Amy Biehl's death it turned out was not only a story of forgiveness but a reflection of the complicated history of a troubled country *We Are Not Such Things* is the result of van der Leun's four year investigation into this strange knotted tale of injustice violence and compassion The bizarre twists and turns of this case and its aftermath and the story that emerges of what happened on that fateful day in 1993 and in the decades that followed come together in an unsparing account of life in South Africa today Van der Leun immerses herself in the lives of her subjects and paints a stark moving portrait of a township and its residents We come to understand that the issues at the heart of her investigation are universal in scope and powerful in resonance *We Are Not Such Things* reveals how reconciliation is impossible without an acknowledgment of the past a lesson as relevant to America today as to a South Africa still struggling with the long shadow of its history A masterpiece of reported nonfiction Justine van der Leun's account of a South African murder is destined to be a classic *Newsday* *The Electrical Review*, 1907
