**The Working-man's Way in the World** Charles Manby Smith,1854 The Dazzle of the Light Patrick Hegarty,2002-05-05 **A Journey from Merut in India, to London, Through Arabia, Persia, Armenia, Georgia, Russia, Austria, Switzerland, and France, During the Years 1819 and 1820. With a Map and Itinerary of the Route** Thomas Lumsden,1822 **Work Flows** Maya Vinokour,2024-02-15 Work Flows investigates the emergence of flow as a crucial metaphor within Russian labor culture since 1870 Maya Vinokour frames concern with fluid channeling as immanent to vertical power structures whether that verticality derives from the state as in Stalin s Soviet Union and present day Russia or from the proliferation of corporate monopolies as in the contemporary Anglo American West Originating in pre revolutionary bio utopianism the Russian rhetoric of liquids and flow reached an apotheosis during Stalin s First Five Year Plan and re emerged in post Soviet managed democracy and Western neoliberalism The literary philosophical and official texts that Work Flows examines give voice to the Stalinist ambition of reforging not merely individual bodies but space and time themselves By mobilizing the understudied thematic of fluidity Vinokour offers insight into the nexus of philosophy literature and science that underpinned Stalinism and remains influential today Work Flows demonstrates that Stalinism is not a historical phenomenon restricted to the period 1922 1953 but a symptom of modernity as it emerged in the twentieth century Stalinism s legacy extends far beyond the bounds of the former Soviet Union emerging in seemingly disparate settings like post Soviet Russia and Silicon Valley Last of the Donkey Pilgrims Kevin O'Hara,2005-02-01 A newly wed American Vietnam vet goes on a journey of self discovery circling Ireland s coastline on foot with a donkey and cart in this memoir Kevin O Hara s journey begins as a mad lark who in their right mind would try to circle the entire coastline of Ireland on foot and with a donkey and cart no less But Kevin had promised his homesick Irish mother that he would explore the whole of the Old Country and bring back the sights and the stories to their home in Massachusetts Determined to reach his

grandmother's village by Christmas Eve Kevin and his stubborn but endearing donkey Missie set off on 1800 mile trek along the entire jagged coast of a divided Ireland Their rollicking adventure takes them over mountains and dales through smoky cities and sleepy villages and into the farmhouses and hearts of Ireland's greatest resource its people Along the way Kevin would meet incredible characters experience Ireland in all of its glory and explore not only his Irish past but find his future self One of the finest books about contemporary Ireland ever written In a style evocative of Steinbeck's *Travels with Charley* O'Hara writes memorably of his most unusual way of touring his ancestral home of Ireland Library Journal It took newcomer O'Hara 25 years to compose this poke at Ireland's edge time for the events to become burnished His writing is all the better for it like the Irish fog it's both glowing and lightly pushed by an unacknowledged melancholy Kirkus Reviews

**No-Man's Lands** Scott Huler, 2010-01-05 When NPR contributor Scott Huler made one more attempt to get through James Joyce's *Ulysses* he had no idea it would launch an obsession with the book's inspiration the ancient Greek epic *The Odyssey* and the lonely homebound journey of its Everyman hero Odysseus *No Man's Lands* is Huler's funny and touching exploration of the life lessons embedded within *The Odyssey* a legendary tale of wandering and longing that could be read as a veritable guidebook for middle aged men everywhere At age forty four with his first child on the way Huler felt an instant bond with Odysseus who fought for some twenty years against formidable difficulties to return home to his beloved wife and son In reading *The Odyssey* Huler saw the chance to experience a great vicarious adventure as well as the opportunity to assess the man he had become and embrace the imminent arrival of both middle age and parenthood But Huler realized that it wasn't enough to simply read the words on the page he needed to live Odysseus's odyssey to visit the exotic destinations that make Homer's story so timeless And so an ambitious pilgrimage was born

traveling the entire length of Odysseus's two decade journey In six months Huler doggedly retraced Odysseus's every step from the ancient ruins of Troy to his ultimate destination in Ithaca On the way he discovers the Cyclops's Sicilian cave visits the land of the dead in Italy ponders the lotus from a Tunisian resort and paddles a rented kayak between Scylla and Charybdis and lives to tell the tale He writes of how and why the lessons of The Odyssey the perils of ambition the emptiness of glory the value of love and family continue to resonate so deeply with readers thousands of years later And as he finally closes in on Odysseus's final destination he learns to fully appreciate what Homer has been saying all along the greatest adventures of all are the ones that bring us home to those we love Part travelogue part memoir and part critical reading of the greatest adventure epic ever written No Man's Lands is an extraordinary description of two journeys one ancient one contemporary and reveals what The Odyssey can teach us about being better bosses better teachers better parents and better people
