Peregrines Rest:

Peregrine's Rest Jennifer Gostin, 2015-11-24 Hesper Dance live in caretaker of Peregrine's Rest a graveyard founded in 1848 is a manic depressive introverted ex librarian who seeks refuge from life's disappointments by communing with the dead Her lifelong ambition is to see a ghost Inadvertently aiding her in this quest is her new assistant Quentin Pike world traveler adventurer and mapmaker and Lydia Webkin a septuagenarian comic book collector Ghostly doings will ultimately unite Hesper and Quentin in romantic love while Lydia haunted by the spirit of a dead cartoonist with whom she had an affair forty years ago attracts evil in the form of twins Argus and Audrey Malvin a deadly brother and sister team prone to grave robbing counterfeiting and malice Peregrine's Rest is full of comic book and cemetery lore and Gostin spikes the spooky intrigue with deft approaches to the question of whether we are bound to our bodies or whether something survives

Peregrine's Call Elizabeth Cole, 2018-05-22 For true love nothing is impossible Robin was born poor in a rough remote part of England She survived only by disguising herself as a boy and learning to hunt on her own Then the kindly de Vere family helped her become a proper polite young woman almost Despite the family's efforts Robin's heart is still wild and when she learns that a valiant knight one she's always admired needs her help she finds her cause There is no other knight in England quite like Octavian de Levant Born in Africa raised in the Holy Land and trained by a military order he's a skilled fighter and a constant wanderer Now he's sworn to aid the king in the war for the throne The last thing he wants on his expedition is the company of the fiery and unpredictable Robin But she is also the only person who knows how to get him to his destination The unlikely pair venture deeper into the deadly landscape of the border between England and Wales and soon find their uneasy alliance growing into something more passionate Robin and Octavian can't give in to those feelings or they'll be lost in a maze of broken promises and conflicting loyalties A path to happiness seems impossible But for true love nothing is impossible The fourth and final book in the Swordsworn Knights a series of full length historical romance novels set in the vivid and beguiling world of medieval England

Peregrine Falcon James H. Enderson, 2013-08-26 A superb success as a bird combining great speed aeronautical grace and fearlessness inhabitant of wild places inaccessible cliffs and skyscrapers worldwide dweller trans equatorial migrant and docile captive the peregrine falcon stands alone among all others of its kind Perhaps this is why so many varied people rushed to its aid when it faced decimation by pesticide poisoning In this personal and highly entertaining memoir Jim Enderson tells stories of a lifetime spent studying training breeding and simply enjoying peregrine falcons He recalls how his boyhood interest in raptors grew into an ornithological career in which he became one of the leading experts who helped identify DDT as the cause of the peregrine falcon's sudden and massive decline across the

United States His stories reveal both the dedication that he and fellow researchers brought to the task of studying and restoring the peregrine and the hair raising adventures that sometimes befell them along the way Enderson also seamlessly weaves in the biology and natural history of the peregrine as well as anecdotes about its traditional and widespread use in falconry as an aggressive yet tractable hunter to offer a broad portrait of this splendid and intriguing falcon **Waterfalls**
