Perestroika Михаил Сергеевич Горбачев, 1988 Contains primary source material
Gorbachev, 1989 **Perestroika** Ernest W. Lefever, Robert D. Vander Lugt, 1989 **The Gorbachev Regime** Hiroshi Kimura, 2017-09-29 In the early days of Gorbachev's rise to power in the Soviet Union an international group of U S and Japanese authorities probed the issues and forces that shaped a mammoth struggle within the Soviet Union This book examines Gorbachev's reforms the extent of their dramatic changes and the sobering evidence of their limits The contributors' assessments range from wonder at the new atmosphere and expressive possibilities to recognition of the reforms' reversibility increasing difficulty and the long road ahead This is a fascinating contemporary review of factors that led to the demise of the Soviet Union only a few years later Perestroika the transformation of Soviet society and economic relations epitomized Gorbachev's remedy for the ailing Soviet economy which developed into a redefinition of Soviet socialism Gorbachev emphasized that the success of reform depended not only on the technology and money but also to succeed the reforms must overcome Stalin's legacy of bureaucratic centralism and enlist the creative energies of the Soviet people This volume explains why the strength and nature of the reform coalition and anti reform opposition the limits and prospects of reform and the compatibility of decentralizing reforms within the centralized one party Soviet system and the implications of reforms for Soviet relations with the rest of the world Perestroika Mikhail Sergeevich Gorbachev, 1991-01-01 Political Discourse in Transition in Europe 1989-1991 Paul Chilton, Mikhail V. Ilyin, Jacob L. Mey, 1998-03-15 The year 1989 brought political upheavals in Central Eastern and Southern Europe the effects of which have not yet ended The political discourse of the Cold War period disintegrated and gave way to competing alternatives The contributors to this book are linguists discourse analysts and social scientists from all corners of the continent whose tools of analysis shed light on the crucial two years of transition during which political concepts and political interaction changed in dramatic and sometimes violent ways The Course of Russian History, 5th Edition Melvin C. Wren, Taylor Stults, 2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary
