Nobody knows exactly when or how, but the threat of destruction looms in the background of everyone's mind. Holly is ready to escape from her planet, but there's a problem: only rich people actually get to leave Earth, and she's barely got five bucks to her name. Enter the Grimalkin Bridal Exchange. The deal is simple: she goes to an alien planet, marries some random dude, and gets to live out her days in luxury and happiness. Only the guy she's paired up with doesn't want to get married. And he doesn't want to get married to her. In fact, he actually kind of hates her. Book 2 Torao Three months ago, Amena spent one wild night with a man from Grimalkin. He was everything she'd ever wanted or hoped for, but she knows that she'll never see him again. She can't. When Amena signs up for the Grimalkin Bridal Exchange at the Intergalactic Dating Agency, she expects to be taken to a planet with more cats than people, but she doesn't expect to see him. It's Torao. It's the man she slept with in a field of wildflowers. But how can this be? Torao isn't ready to get married, but he doesn't have a choice. Short Curvy Soft The woman from Earth who practically runs into his arms is everything he never knew he wanted. But she shouldn't be here on his planet. She definitely shouldn't be in his bed, keeping him warm. This human has a secret, and he plans to find out what it is. Book 3 Leo Leo has been dreaming of getting married his entire life and having someone he can love in spite of everything that's gone wrong. He was never supposed to be a doctor. His plan had been to become a warrior or a fighter, but when he lost his tail in a freak accident, he knew he needed to choose a career path where he could hide. Being a doctor means he gets to focus on everyone else; no one looks twice at him. Tamara has been worried about her friends ever since they left Earth.
