Author Interview Why write Regency Romance if you aren't going to write it correctly Because as much as I love Regency tropes the actual language and social customs are torturous Have you read dear Jane I mean all credit to her she invented the novel as we know it and I adore anything that puts Colin Firth in breeches but to sit down and read one of her stories now

is onerous We don't speak like that anymore and there are hours of nothing to do I love Regency love stories for the tension that the social mores of that time yield But I also love a good laugh These books give me the tropes I love laughter and women I can see myself and my friends in These are women you can imagine hatching plans with and enjoying a good laugh at how it all turned out afterwards If the women aren't related how are they the Heiresses of Eris One of the Regency tropes I love is the informal club usually men bound together over a common distrust of women or some such nonsense which in the end they all get over Eris is the Greek goddess of chaos She's the one who started the Trojan War by tossing an apple into a group of goddesses that said to the fairest These girls cause their own sort of mayhem None of them were comfortable in the roles society assigned them All of them decided to take matters into their own hands That they all met was fate When they did they dubbed themselves the Heiresses of Eris They knew what they were from the start Chasing a Rogue Victoria Malvey, 2002-11-01 Bringing together the beloved characters from her enchanting romance A Merry Chase Victoria Malvey spins a charming Regency tale of a woman's pursuit of the most elusive quarry of all true love Harriet Nash longs for marital bliss and the dashing Steven Morris Earl of Heath seems the ideal candidate in every way Following her theory that catching the perfect mate is like a fox hunt Harriet sets out to snare a husband But Steven proves a difficult catch evading all her artful traps with ease Undaunted Harriet devises a new plan to convince Steven that she'll help him catch a wife if he helps her find a suitable husband With empty family coffers demanding that he marry a wealthy heiress Steven must resist his growing desire for Harriet When she approaches him with her plan he eagerly agrees hoping that time spent with Harriet will cure him of his fascination never suspecting that their secret scheming would soon turn into a very public passion

The Secret Daughter Anne Gracie, 2024-12-24 When two strangers meet under false pretenses during an idyllic week in the French countryside they'll each need to face the truth to find one other again in a dazzling new Regency romance from the national bestselling author of The Heiress's Daughter Orphaned Zo Benoit has spent the last three years in Paris learning how to be a lady But Zo is torn as an independent spirit and a talented artist she cannot help but want more than the tightly controlled life of a society lady On an impulsive visit to the chateau where her mother lived Zo disguised as a maidservant named Vita meets a handsome wandering artist known simply as Reynard One blissful week with the charming Reynard convinces Zo that this is the man and the life for her until she discovers what he's been hiding from her and she flees heartbroken Longing for the chance to redeem himself Reynard searches far and wide for the woman he knows as Vita to no avail Disheartened he returns to England to reluctantly resume his role as Julian Fox the Earl of Foxton However when he sees one of Zo's paintings he realizes she's in London and becomes desperate to find her before it's too late But even if they reunite can he convince Zo he's worthy of her trust and prove to her that with him she can be a free spirited artist and a countess Horatio Howard Brenton Sir Edward Belcher, 1856 Bawdy Songbooks of the Romantic Period, Volume 1 Patrick Spedding, Paul Watt, Ed Cray, David Gregory, Derek B Scott, 2020-04-13 The songbooks of the 1830-40s were printed in

tiny numbers and small format so they could be hidden in a pocket passed round or thrown away Collectors have sought these priceless chapbooks but only recently a collection of 49 songbooks has come to light This collection represents almost all of the known songbooks from the period **The Lady's Magazine; Or, Entertaining Companion for the Fair Sex, Appropriated Solely to Their Use and Amusement ...** ,1782
