Perfect Strangers Roseann Sdoia,2017-03-28 Four lives brought together in a deadly moment prove that being in the wrong place at the worst time can lead to life s biggest adventures and most important relationships As Roseann Sdoia waited to watch her friend cross the finish line of the Boston Marathon in 2013 she had no idea her life was about to change that in a matter of minutes she would look up from the sidewalk burned and deaf staring at her detached foot screaming for help amid the smoke and blood In the chaos of the minutes that followed three people would enter Roseann s life and change it forever The first was Shores Salter a college student who when the bomb went off instinctively

ran into the smoke while his friends ran away He found Roseann lying on the sidewalk and using a belt as a tourniquet literally saved her life that day Then Boston police officer Shana Cottone arrived on the scene and began screaming desperately at passing ambulances all full before finally commandeering an empty paddy wagon Just then a giant appeared in the form of Boston firefighter Mike Materia who carefully lifted her into the fetid paddy wagon He climbed in and held her burned hand all the way to the hospital Since that day he hasn't left her side and today they are planning their life together

Perfect Strangers Browning Amanda, 2002 *KNOCK KNOCK Snapshots of Perfect Strangers* RONALD R

CROSTHWAITE,2013-12-09 I've always been curious about what stories lay behind closed doors. Everyone has a story but not everyone will let you in to hear it. When a career change came along late in my life a door opened up so to speak giving me the opportunity to peer into some of those mysterious places. I became a sales representative for a major moving company. My job was to provide an estimate for people's impending moves. Everything they owned was laid before my eyes. I had the privilege to read their life story by simply going through their belongings. I was virtually given permission to invade their privacy. I feel very fortunate to have gained in these encounters love, friendships and admiration for people I would have never met on the street.

All These Perfect Strangers Aoife Clifford,2016-07-12 In this intimate debut thriller in the vein of Donna Tartt's *The Secret History* an award winning mystery writer delves into the mind of a young woman who's closer to murder than she'd like to admit. This is about three deaths. Actually more if you go back far enough. I say deaths but perhaps all of them were murders. It's a grey area. Murder like beauty is in the eye of the beholder. Within six months of her arrival at a university campus three of Penelope Sheppard's new friends are dead. And only Pen knows why. This isn't Pen's first encounter with violence and she's an expert at keeping secrets especially ones as dark and dangerous as her own. Reputations have a way of haunting you they're easy to make hard to shake. After Pen leaves her isolated hometown to escape the judgmental stares of her neighbors and carve out a new identity for herself she's free from the stigma of her past mistakes. At school Pen is anonymous surrounded by an eclectic collection of perfect strangers. But when someone begins to uncover the deadly secrets she thought she'd left behind how far will Pen go to protect her new life. Six months later Pen is back home the victim of a violent trauma and a pariah once again. Now reluctantly she must recount her story from start to finish to her shrink to the police even to herself. Because until she tells the whole truth there will be no escaping the past.

Praise for *All These Perfect Strangers* Best book I've read this year. Fabulous writing. Fiona Barton New York Times bestselling author of *The Widow*. *All These Perfect Strangers* gripped me and didn't let go until the last page. Aoife Clifford creates a disturbing but compelling cast of characters leaving the reader constantly guessing what's around the corner. It's a cleverly woven plot a wonderful compelling read that lingers long after the book is closed. Jane Harper award winning author of *The Dry*. Unputdownable. Marie Claire Australia. A picture of death and betrayal across the sexually charged canvas of a first year on a university campus tense sparse. The gripping plot challenges and subverts the notion of innocence until the very last page. Monocle. A compulsively readable mystery set on a college campus with one girl at the heart of it all. *All These Perfect Strangers* is a seething conflagration of lies and betrayal that explodes to a shocking conclusion. I couldn't put it down. Carla Buckley author of *The Good Goodbye*. Aoife Clifford has given us one terrific yarn. *All These Perfect Strangers* is tender and cruel naive and complex hopeful and crushing. In other words real to the broken and bloody bone. A phenomenal debut novel that will make you forget you have other things to do. Read this book and spend the next week captivated by our hero Pen Sheppard. T E Woods author of the Justice series. Intrigue betrayal and murder deliciously dark. T R Richmond author of
