Perfect Husbands And Other Fairy Tales Demystifying Marriage Men And Romance:

Perfect Husbands (& Other Fairy Tales) Regina Barreca, 1993 With wit humor and an engaging style Barreca considers the evolving roles of husbands and wives in American culture and reveals how the static myths that many women cling to can lead to unhappiness in today's changing world From the Trade Paperback edition **Sex, Love, and Romance in the Mass Media** Mary-Lou Galician, 2013-11-05 Volume offers a critical examination of the portrayals of relationships in the various media and debunks the myths perpetuated there For courses in media criticism media literacy mass communication interpersonal communication Untamed and Unabashed Regina Barreca, 1994 In *Untamed and Unabashed* Regina Barreca noted authority on women and humor examines the use of humor in the works of Jane Austen Charlotte Bronte George Eliot Elizabeth Bowen Muriel Spark and Fay Weldon She analyzes the ways that each writer uses comedic devices especially those involving language itself and discusses the gendered basis of their humor providing a provocative feminist perspective on gender and comedy Each of the essays argues that conservative critics have misread and misunderstood the importance of humor in the works of these women authors and that women's humor serves to explode conventions oppressive to women and to offer women readers a critique of and an alternative perspective on the dominant cultural ideologies that contain and oppress them The book concludes that these authors strategically deployed humor coded in forms that women readers but not men readers would recognize and understand as a means of educating and empowering those women readers Barreca asserts that much of women's comic play has to do with power and its systematic misappropriation allowing women to gain perspective by ridiculing the implicit insanities of a patriarchal culture Using detailed persuasive new readings of various works of each of her chosen authors she shows how the straightjacket of conventional femininity is challenged confronted and finally thrown off This volume demonstrates that comedy can effectively channel anger and rebellion by first making them appear to be acceptable and temporary phenomena and then by harnessing the released energies rather than dispersing them This kind of comedy which is at the heart of *Untamed and Unabashed* terrifies those who hold order dear It should **I'm with Stupid** Gene Weingarten, Gina Barreca, 2004-02-03 Is God male or female Why do women but not men flush public toilets with their feet Why are men but not women obsessed with parallel parking Why do women but not men leave eleven minute messages on answering machines Why do men feel guilty about nothing and women feel guilty about everything Was Marilyn Monroe fat These philosophical quandaries and more are finally debated in *I'm with Stupid* an uproariously funny dialogue between Gene Weingarten the gleefully misogynistic Washington Post humor columnist and Gina Barreca the gleefully feminist University of Connecticut professor The first significant book about men and women actually written by a man and a woman *I'm with Stupid* is privy to the dark secrets of both sexes It's not a lecture but an extended argument a combustion of viewpoints that winds up unearthing startling truths In the words of Gene and Gina Our Mars and Venus breach their orbits and collide in a screaming fireball from Hell The subject matter spans art and expression science

and technology politics and history spirituality and religion sex and sexuality as well as the complex etiology sociology and etymology of dirty jokes Men Learn at last how to know for sure when you are having a fight Women Learn what he really means when he says I m sorry Take sides as Gene and Gina face off in a haggling challenge in which the winner manages to get the lowest price for a Mercedes S500 Or just take in the show I m with Stupid is the book that finally establishes conclusively that women are funnier than men And vice versa **The Language of Humor** Alleen Pace Nilsen, Don L. F.

Nilsen, 2018-11 Explores how humor can be explained across the various sub disciplines of linguistics in order to aid communication **Family** Betty Jane Wylie, 1997 It s not what families look like that matters it s what they do that counts But what do families do How do they function How do they affect society today And what is the future of the family With up to date statistics insightful ideas and stories told from the heart Betty Jane Wylie addresses these and other questions
