I bought this book for my son who is considering buying a puppy
I made the mistake of flicking through it before I gave it to him
I just couldn't put it down so now it looks as though it's been read from cover to cover which it has
Linda Whitwam writes in the most down to earth readable fashion and the book is packed full of really useful information
She outlines the pros and cons of all the most common breeds and even the crossbreeds and mixed breeds
