lilamrta tells the story of a remarkable individual and a remarkable achievement The individual is A C Bhaktivedanta Swami Prabhupada philosopher scholar religious leader saint The achievement is the revolutionary transplantation of a timeless

spiritual culture from ancient India to twentieth century America This first of two volumes begins with the story of the events leading up to Srila Prabhupada's meeting his guru an encounter that ignited in Srila Prabhupada a slowburning flame of desire to take Krishna consciousness to the Western world His early life was a period of patient and transcendent determination as he prepared for a mission that would later be crowned with astounding success In August and September of 1965 Srila Prabhupada traveled alone aboard a steamship from India to New York City with no more than the equivalent of eight dollars in his pocket and no institutional backing but with unshakable faith in Lord Krishna and the instructions of his spiritual master It is the 1960s an era in which the children of those who fought World War II were leading a sweeping revolt against a society losing its soul to godless mass consumerism Into this milieu Srila Prabhupada brought a vision for a new kind of society a society born of a radical transformation of human consciousness from materialism to the loftiest spiritual and ethical idealism By 1967 he had arrived in San Francisco's Haight Ashbury district America's counter culture capital where he continued his work of calling America's youth to live up to their higher spiritual ideals and distributing the holy name of Krishna indiscriminately By the end of the volume we have seen Srila Prabhupada in England meeting the Beatles Holland Japan Africa and finally back in India where he triumphantly returned with his dancing white elephants a group of his mostly Caucasian Western followers The research team assembled by the author traveled throughout the world to gather thousands of hours of interviews with hundreds of people who knew Srila Prabhupada diaries and memoirs from his students and more than seven thousand of Srila Prabhupada's letters Then the author and his team distilled this voluminous firsthand source material into a rich composite view of Srila Prabhupada a dazzling and colorful picture of one of the most remarkable lives of our times
