Sandcastles Luanne Rice,2007-06-26 Painter Honor Sullivan has made a life for herself and her three daughters Regis Agnes and Cecilia at Star of the Sea Academy on the magical Connecticut shore Here she teaches art at the convent school s beautiful seaside campus over which Honor s sister in law mother superior Bernadette Ignatius keeps a benevolent and watchful eye No one could have foreseen the day rebellious Regis would come home with the stunning news that she was getting married Nor could anyone have guessed how that sudden announcement would soon change all their lives forever

Eleven years ago Honor thought she had the perfect home the perfect love the perfect life Then her husband brilliant photographer and sculptor John Sullivan broke her heart and tore their little family apart Now hearing of Regis s impending marriage John has ended his self imposed exile and returned to the family he s always loved more than anything on earth What he finds is one daughter still hurting over his abandonment another who barely remembers him and a third who may be in more trouble than anyone knows And then there is Honor herself and a passion that may have been interrupted but that has never waned Some things like sandcastles don t survive the changing tides But love family and friendship just as fragile have a way of standing against anything It will take nothing short of a miracle to heal the rift between father and daughter husband and wife the past and the present but a miracle is exactly what is in the works at Star of the Sea Academy The only question is Do you believe
