Beginning to End Marcia Hebert, 2020-12-08 Beginning to End is the book I needed when I accepted the Director position of my first child care center I could have used a roadmap to navigate the ins and outs of being a leader and of building an education organization at the same time I could have used a book that was clearly written with details and specifics guidelines and know how to help me create a vision for this new program to build my team to add the parent component to set the stage for the children to design environments and program for them to create and fit the many parts of the organization together to make changes when they were needed to think strategically and execute those plans to close the center if that decision was made This is that book And it is my story inspired by the largest child care center that I opened during my career I served as Director there for twenty years and ultimately closed the door I experienced first hand the entire life cycle of a child care center and I have a unique perspective to share what I have learned What I bring to this book is a wealth of hands on real life experience and expertise humor and common sense I know the life of the education business director I have lived it I know the joys and satisfactions I know the

problems and pitfalls and the solutions and strategies to avoid them I've learned a lot because I have built four early childhood programs Beginning to End is a how to and memoir combined It was specifically written as a resource for early childhood educators at all levels but it has appeal and merit for other people centered businesses as well Take the ideas and approaches use them They work Marcia L Hebert The Feedback Habit Gavin Birch, Great teams don't avoid feedback they build with it The Feedback Habit is a practical guide to making feedback a normal healthy part of how your team works not a dreaded event or an annual HR tick box With clarity humour and deep insight Gavin Birch shows you how to create a culture where honest conversations aren't feared they're expected Whether you're giving it receiving it or helping others do the same this book gives you the language mindset and daily habits to make feedback flow often quickly and without the drama Forget the performance reviews Build the habit instead
