[i.e. Maurice Texier.]), 1931      **Far Out** Mark Liechty, 2017-02-21 Westerners have long imagined the Himalayas as the world's last untouched place and a repository of redemptive power and wisdom Beatniks hippie seekers spiritual tourists mountain climbers diverse groups of people have traveled there over the years searching for their own personal Shangri La In *Far Out* Mark Liechty traces the Western fantasies that captured the imagination of tourists in the decades after World War II asking how the idea of Nepal shaped the everyday cross cultural interactions that it made possible Emerging from centuries of political isolation but eager to engage the world Nepalis struggled to make sense of the hordes of exotic enthusiastic foreigners They quickly embraced the phenomenon however and harnessed it to their own ends by building tourists fantasies into their national image and crafting Nepal as a premier tourist destination Liechty describes three distinct phases the postwar era when the country provided a Raj like throwback experience for rich Americans Nepal's emergence as an exotic outpost of hippie counterculture in the 1960s and its rebranding into a hip adventure destination which began in the 1970s and continues today He shows how Western projections of Nepal as an isolated place inspired creative enterprises and paradoxically allowed locals to participate in the global economy Based on twenty five years of research *Far Out* blends ethnographic analysis a lifelong passion for Nepal and a touch of humor to produce the first comprehensive history of what tourists looked for and found on the road to Kathmandu      *Traveling India in the Age of Gandhi* Jeffrey N. Dupée, 2008-04-15 *Traveling India in the Age of Gandhi* is a study of armchair travel writers who journeyed to India during what has often been termed the Age of Gandhi placed between 1914-1948 Most of the travel writers surveyed understood this era to be a unique time in world history in India and elsewhere on the globe The lingering trauma of World War I the rise of radical state ideologies in Russia Italy Japan and Germany world wide depression in the 1930s along with a host of other unsettling political cultural and technological realities revealed a world of bewildering complexity and uncertainty For many of the travel writers surveyed in this work India was the main drama in a shifting global landscape Moreover many viewed it as the ultimate travel experience a journey that tested one's capacity to fully engage the earth's most compelling forms of human

diversity and suffering Although a few notable figures are included most of the authors in the study constitute a breed of largely forgotten travel writers This work is an attempt to extract the core of their observations impressions and conclusions concerning what they saw and experienced particularly concerning Indian aspirations for independence and India as the world s most exotic human landscape      **Luzac & Co.'s Oriental List** ,1929      **Gandhi in the West** Sean Scalmer,2011-01-06 The non violent protests of civil rights activists and anti nuclear campaigners during the 1960s helped to redefine Western politics But where did they come from Sean Scalmer uncovers their history in an earlier generation s intense struggles to understand and emulate the activities of Mahatma Gandhi He shows how Gandhi s non violent protests were the subject of widespread discussion and debate in the USA and UK for several decades Though at first misrepresented by Western newspapers they were patiently described and clarified by a devoted group of cosmopolitan advocates Small groups of Westerners experimented with Gandhian techniques in virtual anonymity and then on the cusp of the 1960s brought these methods to a wider audience The swelling protests of later years increasingly abandoned the spirit of non violence and the central significance of Gandhi and his supporters has therefore been forgotten This book recovers this tradition charts its transformation and ponders its abiding significance      **The Publishers Weekly** ,1919      *The War Tiger Or, Adventures and Wonderful Fortunes of the Young Sea Chief and His Lad Chow: A Tale of the Conquest of China* Wiliam Dalton,      *A Comprehensive, Annotated Bibliography on Mahatma Gandhi* Ananda M.
