shackles of her history abandon lost causes and embrace the only real home she's ever had her own wandering heart Freed at last from yearning for old Havana the Paris of the Caribbean this romantic exile must embrace a new life Although she cannot reclaim Havana she can experience the real thing Paris so Marisol sets out with an open ticket to chart the course of her future Bridging the divide between the effervescent Miami of today and the mystical Cuba of yesteryear Reclaiming Paris is a paean to place and memory rich with humor passion and unforgettable characters **Helping Yourself with White**
