God and Email Mark Craythorn, 2008-06-04 Emails from God This book is filled with real life emails They contain within them some of the normal daily struggles of life that we all go through Some of the emails are from ordinary people and some of them are from church leaders Perhaps you will be able to identify with some of the situations in which these people found themselves What if God were to talk directly to you What would you ask Him How might that change your life I invite you to join me on a journey to discover what might happen in your life if God were to begin talking directly to you Come and explore the possibilities with me Sincerely Mark Craythorn

Hearing God Nathan Finochio, 2019-06-11 Identify and deconstruct the most common myths about how God communicates and then learn to utilize clear tools to accurately decipher and follow the voice of God in your life So many people wish that God would audibly weigh in on life s greatest questions of calling meaning and purpose What s crazy is that God is weighing in on those questions We just haven t learned to listen Nathan Finochio believes that God is constantly communicating with this world he s created We simply aren t following the right advice when it comes to hearing what he has to say Through biblical teaching and true life stories Hearing God empowers and enables readers to separate fact from fiction myth from meaning and truly understand what God is saying to them about big decisions and daily living

God? Very Probably Robert H. Nelson, 2015-11-11 In recent years a number of works have appeared with important implications for the age old question of the existence of a god These writings many of which are not by theologians strengthen the rational case for the existence of a god even as this god may not be exactly the Christian God of history This book brings together for the first time such recent diverse contributions from fields such as physics the philosophy of human consciousness evolutionary biology mathematics the history of religion and theology Based on such new materials as well as older ones from the twentieth century it develops five rational arguments that point strongly to the very probable existence of a god They do not make use of the scientific method which is inapplicable to the question of a god Rather they are in an older tradition of rational argument dating back at least to the ancient Greeks For those who are already believers the book will offer additional rational reasons that may strengthen their belief Those who do not believe in the existence of a god at present will encounter new rational arguments that may cause them to reconsider their opinion

Occasional Sermons and Addresses of Dr. C.F.W. Walther Carl Ferdinand Wilhelm Walther,2008 *Religion and Science: The Basics* Philip Clayton,2018-09-20 Religion and science are arguably the two most powerful social forces in the world today But where religion and science were once held to be compatible many people now perceive them to be in conflict This unique book provides the best available introduction to the burning debates in this controversial field Examining the defining questions and controversies renowned expert Philip Clayton presents the arguments from both sides asking readers to decide for themselves where they stand science or religion or science and religion history and philosophy of science the role of scientific and religious ethics modifying genes extending life and experimenting with human subjects religion and the environmental crisis the future of science vs the future of religion Thoroughly updated throughout this second edition explores religious traditions from around the world and provides insights from across the sciences making this book essential reading for all those wishing to come to their own understanding of some of the most important debates of our day

Rainbow in the Word Ellin S. Jimmerson,2017-08-24 LGBTQ Christians read love scrutinize become absorbed with and find deep spiritual meaning in the Bible As these testimonies show lesbian gay bisexual transgender and other queer Christians are inaugurating a fresh exciting new era in biblical interpretation It is they whose rare insights into particular Bible stories and characters told with poignancy and clarity reveal a gay friendly Bible and a gay friendly God who cherishes and needs them just as they are It is they who are running to the Bible with a longing for the Holy Spirit that far surpasses that of too many straight Christians If given free rein these inventive challenging and profoundly engaged evangelists may be the ones we have been waiting for to rescue biblical interpretation from those who too often are not only hurtful but dismal and boring Thank God for them

Staging Consciousness William W. Demastes,2002 How theater has challenged the mind body dualism that underpins much of Western thought Founding a Faith Thomas E. Gaston,2020-11-03 What do you think when you hear the word faith Do you think of deep spiritual connections or irrational will to believe What even is faith how does it work and what is it founded on This book might help you answer some of these questions as it explores the interplay between faith and beliefs the foundations of religious beliefs and how someone might go from having no faith to having a faith If you are interested in faith and spirituality and let s face it you are interested enough to read the back cover of this book but don t know what that might mean then this book might be for you I hope it will help you discover what faith means and how you might explore whether it is for you If you have a faith but are struggling with doubts or uncertainties if you are feeling untethered and in need of a foundation then this book might be for you I hope it will help you find the next

chapter of your faith a faith that is open to questions and flexible to challenges **Thomas Hobbes and the Debate over Natural Law and Religion** Stephen A. State,2013-07-18 The argument laid out in this book discusses and interprets the work of Hobbes in relation to religion It compares a traditional interpretation of Hobbes where Hobbes use of conventional terminology when talking about natural law is seen as ironic or merely convenient despite an atheist viewpoint with the view that Hobbes morality is truly traditional and Christian The book considers other thinkers of the age in tandem with Hobbes and discusses in detail his theology inspired by corporeal mechanics The position is that there are significant senses in which Hobbes can be said to be a traditional natural law theorist *Mirador* Steve Dixon,2025-07-03 Could there be more to the meaning of the crucifixion than some kind of trade off deal with God Jesus suffering to humankind does not have to A mirador is a viewing point and Steve Dixon s *Mirador* aims to provide different perspectives on the cross that could change the reader s view of the world as they look out from Calvary He explores thirty six ways that the death of Jesus on the cross can benefit humanity each outlined in a brief reflection followed by two short accessible poems The first reflects a contemporary situation and the second draws on biblical narratives associated with the passion Both expand on the theme of the reflection The aim is to bring Bible stories into contemporary lived experience and vice versa The material is set out in a Lent course format of six weeks of six days each but could be used at any time by groups or individuals wanting to delve more deeply into the wealth of significances to be found in the central Christian story of the crucifixion **This Is Real and You Are Completely Unprepared** Alan Lew,2003-08-01 In this journey of spiritual transformation Publishers Weekly award winning author Rabbi Alan Lew follows the practices and rituals of the Jewish High Holy Days and guides readers through heartbreak contemplation and re birth There are times in life when we are caught utterly unprepared a death in the family the end of a relationship a health crisis These are the times when the solid ground we thought we stood on disappears beneath our feet leaving us reeling and heartbroken as we stumble back to our faith The Days of Awe encompass the weeks preceding Rosh Hashanah up to Yom Kippur a period in which Jews take part in a series of rituals and prayers that reenact the journey of the soul through the world from birth to death This is a period of contemplation and repentance comparable to Lent and Ramadan Yet for Rabbi Alan Lew the real purpose of this annual passage is for us to experience brokenheartedness and open our heart to God In *This is Real and You Are Completely Unprepared* Lew has marked out a journey of seven distinct stages one that draws on these rituals to awaken our soul and wholly transform us Weaving together Torah readings Buddhist parables Jewish fables and stories from his own life Lew lays bare the meanings of this ancient Jewish passage He reveals the path from terror to acceptance confusion to clarity doubt to belief and from complacency to awe In the tradition of *When Bad Things Happen to Good People* *This Is Real And You Are Completely Unprepared* enables believers of all faiths to reconnect to their faith with a passion and intimacy that will resonate throughout the year *The Templar Detective and the Satanic Whisper* J. Sources of Holocaust Insight John K. Roth, 2020-01-29 Sources of Holocaust Insight maps the odyssey of an American Christian philosopher who has studied written and taught about the Holocaust for more than fifty years What findings result from John Roth's journey what moods pervade it How have events and experiences scholars and students texts and testimonies especially the questions they raise affected Roth's Holocaust studies and guided his efforts to heed the biblical proverb Whatever else you get get insight More sources than Roth can acknowledge have informed his encounters with the Holocaust But particular persons among them Elie Wiesel Raul Hilberg Primo Levi and Albert Camus loom especially large Revisiting Roth's sources of Holocaust insight this book does so not only to pay tribute to them but also to show how the ethical philosophical and religious reverberations of the Holocaust confer and encourage responsibility for human well being in the twenty first century Seeing differently seeing better sound learning and teaching about the Holocaust aim for what may be the most important Holocaust insight of all Take nothing good for granted

The Dreaming of Aloysius Louis Lippa, 2002 Aloysius wants to sing with his grandmother in the church choir but he can't carry a tune When Ali asks her why he can't sing she tells him that singing is a gift from God so Ali decides to search for God to ask for the gift In this search he meets unusual characters among them Virgil an Indian taxi driver a rollerblading girl with orange hair who tries to teach him to sing like Elvis an Italian boatman two eccentric sisters who run a homeless shelter a penniless man who thinks he's Humphrey Bogart and a weeping bride who wants to sing a song about a rattlesnake at her wedding Ali's odyssey leads him to big truths about the world Back at home he wonders if one of those strange people could have been God in disguise When

he sings a song about a rabbit he sings well not as well as others but not too badly Satisfied at last he thanks God and goes to sleep Back cover **The American Ecclesiastical Review** Herman Joseph Heuser, 1961

Perhaps God: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
