Pericles And Athens:

Pericles Of Athens And The Birth Of Democracy Donald Kagan,1991 A biography of Greek statesman Pericles focusing on the creation of Greek democracy in his time **The Speeches of Pericles** Thucydides,1979 **Pericles and Athens** Andrew Robert Burn,1956 **Athens in the Age of Pericles** Charles Alexander Robinson,1959 The challenge of Periclean Athens to the students of civilizations is unmistakable the city and its empire reached a level of culture and well being scarcely paralleled in the history of man elsewhere And like the characters in a Greek tragedy the city and its leaders and citizens were busy in their time of glory making provision for their own tragic decline I have tried to suggest in general terms says the author the meaning of Periclean Athens addressing my interpretation to laymen With the increasing mass of specialized research on ancient Athens it is imperative to catch a general notion of the significance of the whole The result is a picture of a complex society as any great civilization is bound to be with its magnificent achievements and its faults This first volume in The Centers of Civilization Series does indeed give a clear picture of Athenian civilization its literature philosophy and political and judicial writing its painting sculpture architecture music and drama and even the arts of war Above all the book suggests to modern readers the supreme importance of decision in all of man s affairs and the frightful consequences of wrong decision once it is made **Pericles** Hamish Aird,2003-12-15 Describes the life and accomplishments of the Athenian leader who held power during the high point of Athenian civilization and places him in the context of his times **Pericles of Athens** Vincent Azoulay,2014-07-21 The definitive biography of the legendary first citizen of Athens Pericles has the rare distinction of giving his name to an entire period of history embodying what has often been taken as the golden age of the ancient Greek world Periclean Athens witnessed tumultuous political and military events and achievements of the highest order in philosophy drama poetry oratory and architecture Pericles of Athens is the first book in decades to reassess the life and legacy of one of the greatest generals orators and statesmen of the classical world In this compelling critical biography Vincent Azoulay takes a fresh look at both the classical and modern reception of Pericles recognizing his achievements as well as his failings From Thucydides and Plutarch to Voltaire and Hegel ancient and modern authors have questioned Pericles s relationship with democracy and Athenian society This is the enigma that Azoulay investigates in this groundbreaking book Pericles of Athens offers a balanced look at the complex life and afterlife of the legendary first citizen of Athens *Pericles and the Golden Age of Athens* Evelyn Abbott,1891 **Empire and the Ends of Politics** Plato,Thucydides,2012-07-01 This text brings together for the first time two complete key works from classical antiquity on the politics of Athens Plato s Menexenus and Pericles funeral oration from Thucydides history of the Peloponnesian War *PERICLES, GOLDEN AGE OF ATHENS* Andreas Sofroniou,2015-11-11 Pericles the Athenian political leader and general was noted for his oratory political acumen and integrity He was instrumental in strengthening and extending the Athenian Empire He originated a major building programme of which the jewel was the Parthenon the temple

that dominated the acropolis When the spectre of war with the Peloponnesians threatened in the 430s Pericles determined to resist their demands After the Peloponnesian War broke out he persuaded the Athenians to abandon the countryside when the Spartans invaded and to rely on their fleet He was briefly deposed from the generalship when plague shattered Athenian confidence but was re elected the following year He died of plague soon afterwards In expanding Pericles biography modern historians consider this Athenian statesman as being largely responsible for the full development of Athens of both the Athenian democracy and the Athenian Empire making Athens the political and cultural focus of Greece

The Life and Times of Pericles Jim Whiting,2019-12-05 Greek soldiers defeated numerically superior Persian armies in several battles near the beginning of the fifth century BCE That set the stage for what is known as the Golden Age of Greece several decades of almost unparalleled accomplishments in art politics and civil affairs The leader during this inspired era was a citizen of Athens named Pericles He led many important political changes in the city He was also largely responsible for the development of the Acropolis Buildings such as the Parthenon still inspire awe and admiration among countless numbers of visitors to the site every year

The Cambridge Companion to the Age of Pericles Loren J. Samons II,2007-01-15 Mid fifth century Athens saw the development of the Athenian empire the radicalization of Athenian democracy through the empowerment of poorer citizens the adornment of the city through a massive and expensive building program the classical age of Athenian tragedy the assembly of intellectuals offering novel approaches to philosophical and scientific issues and the end of the Spartan Athenian alliance against Persia and the beginning of open hostilities between the two greatest powers of ancient Greece The Athenian statesman Pericles both fostered and supported many of these developments Although it is no longer fashionable to view Periclean Athens as a social or cultural paradigm study of the history society art and literature of mid fifth century Athens remains central to any understanding of Greek history This collection of essays reveal the political religious economic social artistic literary intellectual and military infrastructure that made the Age of Pericles possible

Athens from Cleisthenes to Pericles Charles W. Fornara,Loren J. Samons,1991-01 By the mid fifth century B C Athens had become the most powerful city state in Greece a rich democracy led by Pericles that boldly gained control of an empire Athens s strength under Pericles was the result of a complex interaction of events from the time of Cleisthenes Fornara and Samons unravel the intricacies of the conflicting ancient sources to show how the development of both democracy and empire were interdependent in Athens s multifaceted evolution The authors trace and contrast four stands of development the history of the Alcmeonid family of Cleisthenes and Pericles the nature and development of Athenian democracy the growth of Athenian empire and the burgeoning antagonism between Athens and Sparta The fresh perspective thus afforded by this clear presentation will intrigue those with interests in both ancient economics and politics The figure of Pericles is central to all four avenues of inquiry His decision to create the enmisthos polis marked a fateful turn Henceforth the democracy and the empire presupposed each other Ultimately Pericles s policies fueled Sparta s growing insecurity resulting

Pericles Beatriz Santillan, Hamish Aird, 2017-07-15 The Golden Age of Athens was derived from the leadership of Pericles politician extraordinaire Readers will learn how one man moved his country to complete such works as building the Parthenon Propylaea and other projects ending revolts against Athenian rule leading Athens into the Peloponnesian War and more all while taking on various battles with domestic political rivals This dynamic text utilizes call outs to draw connections between ancient Athens and modern times and helps readers understand the landscape in which he led Athens to flourish

Thucydides, Pericles, and the Idea of Athens in the Peloponnesian War Martha Taylor, 2009-10-26 Thucydides Pericles and the Idea of Athens in the Peloponnesian War is the first comprehensive study of Thucydides presentation of Pericles radical redefinition of the city of Athens during the Peloponnesian War Martha Taylor argues that Thucydides subtly critiques Pericles vision of Athens as a city divorced from the territory of Attica and focused instead on the sea and the empire Thucydides shows that Pericles reconceptualization of the city led the Athenians both to Melos and to Sicily Toward the end of his work Thucydides demonstrates that flexible thinking about the city exacerbated the Athenians civil war Providing a thorough critique and analysis of Thucydides neglected book 8 Taylor shows that Thucydides praises political compromise centered around the traditional city in Attica In doing so he implicitly censures both Pericles and the Athenian imperial project itself
