"Permanent, Faithful, Stable" Jeffrey John, 2000 A powerful argument for the acceptance and blessing of homosexual relationships by the Church *Permanent, Faithful, Stable* Jeffrey John, 2012-08-01 I am writing this because I believe we have an absolute duty in the Church to offer homosexual couples not only practical support but the same theological understanding of their relationship that we offer to heterosexual couples to help them fulfil the same hope the same ideal of permanent faithful stable love Drawing on many years personal and pastoral experience Jeffrey John explores the meaning and context of the mentions of homosexuality in the Bible and also considers the moral arguments before offering guidance to same sex couples on forming a lasting covenanted monogamous relationship Earlier editions of this book have become essential reading for anyone seeking to understand the theology of same sex relationships in a Christian context It has been cited by the former Archbishop of Canterbury Dr Rowan Williams as one of the most helpful books on the subject This new edition has been updated to take account of the latest thinking on the issue In a brand new Preface and Postscript Jeffrey John speaks forthrightly about the Church of England's failure to move positively in support of same sex marriage

The Scandal of Evangelicals and Homosexuality Mark Vasey-Saunders, 2016-03-09 English evangelicals give the appearance of being a community at war with each other and with the world around them The issue of homosexuality is one of the key battlegrounds How has this issue become so significant

to evangelicals Why is it provoking such violent responses How is it changing evangelicals and what might this mean for the future This book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of Rene Girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism The conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future The Scandal of Evangelicals and Homosexuality offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost It offers a window into contemporary English evangelicalism and provides an important contribution to international and ecumenical debate
