## **Perseverance In Gratitude A Socio Rhetorical Commentary On The Epistle To The Hebrews:**

**Perseverance in Gratitude** David A. deSilva, 2000-03-13 This commentary is the first to fully apply the resources of socio rhetorical analysis to Hebrews Insights into the cultural and social world of the audience are combined with analysis of the author s rhetorical strategy and ideology to create a rich three dimensional reading that helps unravel key issues in the interpretation of the epistle David deSilva s reflections on application concluding each section also make his commentary valuable to seminarians and pastors seeking to make Hebrews relevant to today s world **The Use of the Old Testament**

**in Hebrews** Susan E. Docherty, 2009 Originally presented as the author s thesis Ph D University of Manchester 2007

Divine Christology in the Epistle to the Hebrews Nick Brennan, 2021-09-23 Nick Brennan investigates the depiction of the Son s divine nature in the Epistle to the Hebrews despite little attention being directly given to the Son s divinity in recent study of Hebrews Brennan argues that not only is the Son depicted as divine in the Epistle but that this depiction ranges outside the early chapters in which it is most often noted and is theologically relevant to the pattern of the Author s argument Beginning with a survey of the state of contemporary scholarship on the Son s divinity in Hebrews and a discussion of the issues connected to predicating divinity of the Son in the Epistle Brennan analyses the application of Old Testament texts to the Son which in their original context refer to God 1 6 10 12 and demonstrates how the Pastor not only affirms the Son s divinity but also the significance of his exaltation as God He then discusses how Heb 3 3 4 witnesses to the divinity of the Son in Hebrews explores debates on the relation of the Son s indestructible life Heb 7 16 to his divinity and demonstrates how two key concepts in Hebrews covenant and sonship reinforce the Son s divinity Brennan thus concludes that the Epistle not only portrays the Son as God but does so in a manner which is a pervasive aspect of its thought and is theologically salient to many features of the Epistle s argument *The Letter to the Galatians* David A. deSilva, 2018-09-18 New volume in a

favorite Bible commentary series Writing a commentary on Galatians is a daunting task Despite its relative brevity this Pauline letter raises a number of foundational theological issues and it has played a vital role in shaping Christian thought and practice over the centuries In this replacement of Ronald Y K Fung s 1988 New International Commentary volume David deSilva ably rises to the challenge providing a coherent account of Galatians as a piece of strategically crafted communication that addresses both the immediate pastoral challenges facing Paul s converts in Galatia and the underlying questions that gave rise to them Paying careful attention to the history philology and theology of the letter and interacting with a wealth of secondary literature on both Galatians and the rest of the Pauline corpus deSilva s exegetically sound commentary will serve as an essential resource for pastors and theological students **Jesus and Scripture** Thomas J. Parker, 2024-01-01 For the New Testament writers the Old Testament scriptures and the teachings of Jesus were key sources of authority and influence When these influences are considered alongside each other each can illuminate the other deepening the New Testament writers presentation of Jesus and our understanding of their interpretations In Jesus and

Scripture Tom Parker examines the way in which Hebrews James and 1 and 2 Peter deal with these two different sources of authority how they relate to each other and what shifts have occurred historically and theologically within the writing of these texts Treating the four epistles methodologically Parker examines the particular ways in which each writer draws on the Hebrew scriptures Ultimately he argues convincingly that the nascent Jesus tradition particularly via oral routes influenced the way the Old Testament was processed by these various New Testament writers *From Pentecost to Patmos, 2nd Edition* Craig L. Blomberg, Darlene M. Seal, 2021-07-01 Pairing depth of scholarship with contemporary application the authors of *From Pentecost to Patmos* have produced a unique introductory New Testament textbook Craig Blomberg and Darlene Seal provide the context and clarity that readers need to better understand Acts through Revelation showcasing the historical linguistic and theological implications found in each book This second edition includes expanded footnotes and a lengthier up to date introduction to Paul Newly added review questions maps and diagrams enhance the scholarship and make the resource truly user friendly

**Today When You Hear His Voice** Gregory W. Lee ,2016 Presents a doctrine of Scripture based on Hebrews in dialogue with Augustine and Calvin What vision of biblical authority arises from Scripture s own use of Scripture This question has received surprisingly little attention from theologians seeking to develop a comprehensive doctrine of Scripture *Today When You Hear His Voice* by Gregory W Lee fills this gap by listening carefully to the Epistle to the Hebrews Lee illuminates the unique way that Hebrews appropriates Old Testament texts as he considers the theological relationship between salvation history and scriptural interpretation He illustrates these dynamics through extended treatments of Augustine and Calvin whose contrasting perspectives on the covenants Israel and the literal and figural senses provide theological categories for appreciating how Hebrews innovatively presents Scripture as God s direct address in the contemporary moment

**Desiring Martyrs** Harry O. Maier, Katharina Waldner, 2020-12-16 Martyrs create space and time through the actions they take the fate they suffer the stories they prompt the cultural narratives against which they take place and the retelling of their tales in different places and contexts The title *Desiring Martyrs* is meant in two senses First it refers to

protagonists and antagonists of the martyrdom narratives who as literary characters seek martyrs and the way they inscribe certain kinds of cultural and social desire Second it describes the later celebration of martyrs via narrative martyrdom acts monuments inscriptions martyria liturgical commemoration pilgrimage etc Here there is a cultural desire to tell or remember a particular kind of story about the past that serves particular communal interests and goals By applying the spatial turn to these ancient texts the volume seeks to advance a still nascent social geographical understanding of emergent Christian and Jewish martyrdom It explores how martyr narratives engage pre existing time space configurations to result in new appropriations of earlier traditions

**Polemic in the Book of Hebrews** Lloyd Kim,2006-11-01 The author of Hebrews is arguing that God himself has brought about the fulfillment of these institutions through his Son s priesthood his once for all sacrifice and the new covenant he inaugurated in the last days These new institutions are never denied the Jews In fact the context of the epistle presumes that these are primarily for the Jews considering that the author was speaking to a Jewish Christian community The author is not arguing for the abandonment by God of the Jewish people but rather for the abandonment of the shadowy means by which God s people drew near to him It is here we can speak of a qualified supersessionism According to the author of Hebrews the Levitical priesthood the Mosaic covenant and the Levitical sacrifices have been superseded by Jesus priesthood the new covenant and Jesus once for all sacrifice However we conclude that the polemical passages in Hebrews do not promote hatred of the Jews nor do they advocate the destruction of the Jewish people Rather the author of Hebrews stresses the fulfillment of specific Jewish institutions for the benefit of the Jews It is this idea of fulfillment that rules out the charge that the epistle promotes the supersession of the Jewish people Because of God s great love for his people he has provided a superior way by which his people can draw near to him from the Conclusion

**A Guide to Biblical Commentaries and Reference Works** John F. Evans,2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years

**The Bible and the Dead Sea Scrolls: The scrolls and Christian origins** James H. Charlesworth,2006 The recovery of 800 documents in the eleven caves on the northwest shores of the Dead Sea is one of the most sensational archeological discoveries in the Holy Land to date These three volumes the very best of critical scholarship demonstrate in detail how the scrolls have revolutionized our knowledge of the text of the Bible the character of Second Temple Judaism and the Jewish beginnings of Christianity

***Biblical Theology of prayer in the New Testament*** Francois P. Viljoen,Albert J. Coetsee,2023-08-31 This publication deals with a biblical

theology of prayer based on the New Testament It forms the second of a two volume publication on a biblical theology of prayer dealing with the concept of prayer in the Old and New Testament respectively This New Testament volume begins with an introduction on prayer and worship in early Jewish tradition followed by eleven chapters dealing with New Testament corpora It concludes with a final chapter synthesising the findings of the respective investigations of the Old and New Testament corpora to provide a summative theological perspective of the development of the concept of prayer through scripture Prayer forms a major and continuous theme throughout the biblical text Prayer was an integral part of the religious existence of God's people in both the Old and New Testament It underwent its greatest developments during after and as a result of the Exile and was deepened and transformed in the New Testament In both the Old and the New Testament God is the sole addressee of his people's prayer This conviction continued into the New Testament but was broadened with Trinitarian elements of worship adoration and intercession A biblical theological investigation is chosen as methodology Since all the biblical books form part of one canonical text the assumption is that the various theologies about prayer being displayed in these books can be synthesised into a developing meta theology about prayer As the Old and New Testament form part of the canonical text the results about prayer in the Old Testament can be brought into play with the results about prayer in the New Testament This eventually leads toward an overarching biblical theology of prayer

The Bible and the Dead Sea Scrolls: Scripture and the scrolls James H. Charlesworth, 2006 The recovery of 800 documents in the eleven caves on the northwest shores of the Dead Sea is one of the most sensational archeological discoveries in the Holy Land to date These three volumes the very best of critical scholarship demonstrate in detail how the scrolls have revolutionized our knowledge of the text of the Bible the character of Second Temple Judaism and the Jewish beginnings of Christianity

*New Testament Rhetoric, Second Edition* Ben Witherington, Jason A. Myers, 2022-09-28 Witherington and Myers provide a much needed introduction to the ancient art of persuasion and its use within the various New Testament documents More than just an exploration of the use of the ancient rhetorical tools and devices this guide introduces the reader to all that went into convincing an audience about some subject Witherington and Myers make the case that rhetorical criticism is a more fruitful approach to the NT epistles than the oft employed approaches of literary and discourse criticism Familiarity with the art of rhetoric also helps the reader explore non epistolary genres In addition to the general introduction to rhetorical criticism the book guides readers through the many and varied uses of rhetoric in most NT documents not only telling readers about rhetoric in the NT but showing them the way it was employed This brief guide book is intended to provide the reader with an entrance into understanding the rhetorical analysis of various parts of the NT the value such studies bring for understanding what is being proclaimed and defended in the NT and how Christ is presented in ways that would be considered persuasive in antiquity from the introduction

*Secularism and the Pursuit of Transcendence, Volume I* Stanley E. Porter, Wendy J. Porter, 2025-02-20 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that

we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent s pursuit of us **T&T Clark**

**Handbook of Suffering and the Problem of Evil** Matthias Grebe,Johannes Grössl,2023-07-13 This wide ranging work provides an extensive exploration of the theology of theodicy asking questions such as should all instances of suffering necessarily be understood as evil Why would an omnipotent and benevolent God allow or perpetrate evil Is God unable or unwilling to reduce human and non human suffering on Earth Does humanity have the capacity to exercise a moral evaluation of God s motives and intentions Conventional disciplinary boundaries have tended to separate theological approaches to these questions from philosophical ones This volume aims to overcome these boundaries by including biblical Part I historical Part II doctrinal Part III philosophical Part IV and pastoral interreligious perspectives and alternative intersections Part V on theodicy Authors include thinkers from analytic and continental traditions multiple Christian denominations and other religions and both established and younger scholars providing a full variety of approaches What unites the essays is an attempt to answer these questions from the perspective of biblical testimony historical scholarship modern theological and philosophical thinking about the concept of God non Christian religions science and the arts The result is a combination of in depth analysis and breadth of scope making this a benchmark work for further studies in the theology of suffering and evil **Bible Blindspots** Jione Havea,Monica Jyotsna Melanchthon,2021-11-03 Several of the ways and cultures that the Bible privileges or denounces slip by unnoticed When those the privileged and the denounced are not examined they fade into and hide in the blind spots of the Bible This collection of essays engages some of the subjects who face dispersion physical displacement that sparks ideological bias and othering ideologies that manifest in social distancing and political displacement These include among others the builders of Babel Samaritans Melchizedek Jezebel Judith Gomer Ruth slaves and mothers In addition to considering the drive to privilege or denounce the contributors also attend to subjects ignored because the Bible s blind spots are not examined These include planet Earth indigenous Australians Palestinians Dalits minjungs battered women sexual abuse victims religious minorities mothering men gays and foreigners This collection

encourages interchanges and exchanges between dispersion and othering and between the Bible and context It flows in the currents of postcolonial and gendered studies and closes with a script that stages a biblical character at the intersection of the Bible's blind spots and modern readers' passions and commitments T&T Clark Handbook to Social Identity in the New Testament J. Brian Tucker, Coleman A. Baker, 2014-01-02 Combining the insights of many leading New Testament scholars writing on the use of social identity theory this new reference work provides a comprehensive handbook to the construction of social identity in the New Testament Part one examines key methodological issues and the ways in which scholars have viewed and studied social identity including different theoretical approaches and core areas or topics which may be used in the study of social identity such as food social memory and ancient media culture Part two presents worked examples and in depth textual studies covering core passages from each of the New Testament books as they relate to the construction of social identity Adopting a case study approach in line with sociological methods the volume builds a picture of how identity was structured in the earliest Christ movement Contributors include Philip Esler Warren Carter Paul Middleton Rafael Rodriguez and Robert Brawley *Hebrews* Erik M.
