Persevering In Ministry:

Raised to Stay Natalie Runion, 2023-07-04 USA Today and Publisher's Weekly Bestseller An honest exploration of disappointment with the Church *Raised to Stay* is for anyone weary of God's people but longing to keep their faith in God God might seem silent right now God's people might seem not worth the wounds But hold on as Natalie Runion embarks on a journey for all who are wandering wondering and wrestling Together we will move toward trusting God again knowing that even though Christian community may fail us the love of God never fails When we say yes to God we don't say yes to church politics ladder climbing or burnout We say yes to Jesus We say yes to hope We say yes to much that we can still embrace Through honest words and deeply personal story Runion challenges us to be part of a generation known for the passionate pursuit of Christ To be remembered for loving one another forgiving one another and persevering with one another in our hunger for God We aren't quitters We are the stayers

Telling the Truth D. A. Carson, 2009-09-01 A pre modern baseball umpire would have said something like this There's balls and there's strikes and I call em as they are The modernist would have said There's balls and there's strikes and I call em as I see em And the postmodernist umpire would say They ain't nothing until I call em With that humorous quote Ravi Zacharias illustrates the challenge postmodernism poses to Christians passionate about evangelism How do you communicate truth to a world that isn't sure what truth is or even if

truth is How do you commend spiritual absolutes to people who insist there are none If you ve puzzled even struggled over such questions the book you hold in your hands is required reading Telling the Truth provides informed insights on the heart of the Gospel the soul of postmodern culture and their complex interface This book is a compilation of thoughts and strategies from twenty nine prominent practitioners of contemporary evangelism Originating at a three day conference held at Trinity Evangelical Divinity School Telling the Truth draws on knowledge gained in the trenches by Ravi Zacharias Kelly Monroe D A Carson Ajith Fernando and other notables It will open your eyes to how the contest for souls is fought guerilla style at a multitude of fronts relationships the university ethnicity reason and emotion the pulpit communications in short the broad spectrum of human experience and values You ll be challenged to discern between the unchanging Gospel and the flexible means by which we communicate it Telling the Truth can help you lay the groundwork necessary to point biblically uninformed postmodern men and women toward an encounter with non negotiable truth an absolute revealed in the Bible that points to the reality of sin and the need for a Savior **Themelios, Volume 39, Issue 2** D.
