Art and Technology Sheyda Ardalan, Cheryl Adler Iozzo, 2021. Learn how to use digital technologies to provide a rich new entry point for art students to make meaning, express their thoughts, and visualize their ideas. Through the lens of artistic development, this book offers a rich scope and sequence of over 50 technology-based art lessons. Each lesson plan includes the art activity, learning level, lesson objective, developmental rationale, list of materials, and suggested questions to motivate and engage students. The authors' pedagogical approach begins with inquiry-based exploratory activities, followed by more in-depth digital art lessons that relate to students' interests and experiences. With knowledge of how technology can be used in educationally sound ways, educators are better equipped to advocate for the technological resources they need. By incorporating technology into the art classroom as a stand-alone art medium or in conjunction with traditional studio materials, teachers and students remain on top of 21st-century learning with increased opportunities for innovation. **Book Features:** Guidance for technology use in the K-12 art curriculum, including specifics for adopting sequential strategies in each grade; Cost-effective strategies that place teachers and students in a position to explore and learn from one another; Developmental theories to help art teachers and curriculum designers successfully incorporate new media; Engaging digital art lessons that acknowledge the role technologies play in the lives of today's young people; Novel approaches to art education, such as distance learning, animation, 3D printing, and virtual reality.

1001 Ways of Seeing Nobumasa Kiyonaga, Bernadette Van Haute, Ernst Wagner, 2024. How do we see art works? How do we see artefacts? How do we see our surroundings? How do we see the world? This book opens up a worldwide dialogue between ten experts from Japan to Brazil, from South Africa to Germany. It provides a fascinating insight into the different cultures of seeing and learning to see. It also offers a deeper understanding of the differences that divide us and the similarities that connect us. This book marks an important step towards transcultural art.
