Persian Gulf Crisis Power In The Post Cold War World

John Andreas Olsen

Persian Gulf Crisis Power In The Post Cold War World:

The Persian Gulf Crisis Robert Helms, Robert H. Dorff, 1993 This book examines the implications of the Persian Gulf crisis in order to enhance our understanding of the post Cold War international system More than just another analysis of the Iraqi invasion of Kuwait and the subsequent war the book looks at the more general aspects of the use of force political economic and military evident in the Gulf crisis and what they can tell us about the emerging post Cold War system Contributors were selected on the basis of their ability to address specific questions and policy issues and to cast their analyses at a broadly theoretical level Each chapter looks at a different aspect of conflict in the international system and how that relates to the Persian Gulf crisis Several aspects of the crisis and the new international system are examined such as the role of the United Nations the utility of economic sanctions the historical origin of the crisis itself the potential sources of conflict and responses to it and the changing nature of the use of military force To the extent that the lessons found contradict the common wisdoms that emerged in the immediate aftermath of the war many of the chapters challenge the trend to find sweeping generalizations in the Gulf crisis that bear directly on international relations in the 1990s and beyond Civilian and military policymakers as well as students and teachers of international studies will find this book of interest

U.S. intervention policy in the post-cold war world , The International Politics of the Persian Gulf Arshin Adib-Moghaddam, 2006-09-27 Provocatively written persuasively researched and conclusively argued Adib Moghaddam presents the first comprehensive analysis of international relations in the Gulf from a multidisciplinary perspective

Strategic Air Power in Desert Storm John Andreas Olsen, 2013-11-05 In response to the Iraqi invasion of Kuwait on the second of August 1990 a small group of air power advocates in the Pentagon proposed a strategic air campaign Operation Desert Storm designed to drive the Iraqi army from Kuwait by a sustained effort against the major sources of Iraqi national power John Andreas Olsen provides a coherent and comprehensive examination of the origins evolution and implementation of this campaign His findings derive from official military and political documentation interviews with United States Air Force officers who were closely involved with the planning of the campaign and Iraqis with detailed knowledge and experience of the inner workings of the Iraqi regime **The Persian Gulf Crisis , Professional Journal of the United States Army**

, 1993 **Quarterly Review of Military Literature** , 1993 **Military Review** , 1993-07 **US Intervention Policy and Army Innovation** Richard Lock-Pullan, 2004-08-02 US Intervention Policy and Army Innovation examines how the US Army rebuilt itself after the Vietnam War and how this has affected US intervention policy from the victory of the Gulf War to the failure of Somalia the Bosnian and Kosovo interventions and the use of force post 9 11 Richard Lock Pullan analyzes the changes in US military intervention strategy by examining two separate issues the nature of the US Army as it rebuilt itself after the Vietnam War and the attempts by the US to establish criteria for future military interventions He first argues that US strategy traditionally relied upon national mobilization to coordinate political aims and military means he subsequently

analyzes how this changed to a formula of establishing militarily achievable political objectives prior to the use of force Drawing on a vast body of material and on strategic culture and military innovation literature Lock Pullan demonstrates that the strategic lessons were a product of the rebuilding of the Army's identity as it became a professional all volunteer force and that the Army's new doctrine developed a new way of war for the nation embodied in the AirLand Battle doctrine which changed the approach to strategy This book finally gives a practical analysis of how the interventions in Panama and the Gulf War vindicated this approach and brought a revived confidence in the use of force while more recent campaigns in Somalia Kosovo and Bosnia exposed its weaknesses and the limiting nature of the Army's thinking The legacy of the Army's innovation is examined in the new strategic environment post 9 11 with the operations in Afghanistan and Iraq

Saudi Arabia: The Coming Storm Peter W. Wilson, Douglas F. Graham, 2016-09-16 Some of the best writings on issues involving local government can be found in journals published by the American Society for Public Administration or journals with which ASPA is associated This volume includes 30 of the most outstanding articles that have been published

Identifying the Aggressor Under International Law Olaoluwa Olusanya, 2006 This book deals with the identification of the aggressor state under International Law This issue raises a deceptively easy question that is how does one distinguish the aggressor state from the victim state in situations involving the unilateral use of force In a straightforward situation where state A attacks state B without any provocation it is clear that state A is the aggressor However confusion begins to arise when state A first attacks state B as a form of anticipatory self defence or when state A first attacks state B as a form of pre-emptive self defence or when state A attacks state B in order to prevent state B from committing gross human rights atrocities against its own nationals In all of these latter situations the current rules are unclear and therefore either make it impossible to distinguish between the aggressor state and the victim state or give the aggressor state an unfair advantage over the victim state This book utilizes general principles of Criminal Law in an attempt to tackle these questions and ultimately to devise a solution for distinguishing between the aggressor and the victim state regardless of the circumstances Attention has also been given to the field of international relations

Air University Library Index to Military Periodicals, 1995

Invoking Humanity Danilo Zolo, 2002-08-01 Powerful passionate and highly topical critique of humanitarian intervention International political theorist with eight top selling books Whoever invokes humanity wants to cheat In this first time translation in English Danilo Zolo considers Carl Schmitt's maxim in the context of the humanitarian war waged against the Federal Republic of Yugoslavia in the Spring of 1999 by 19 NATO countries This erudite and disturbing book is a political legal and philosophical reflection on an extraordinary display of Western Power and its present and future impact on the global system of international relations Zolo's account of the war is located within the context of the irresistible drive of globalization which he argues brings economic financial and military ecological and ethnic religious turbulence in its wake Not only the future of the Balkan region he suggests is at stake here but the fate of international law the future role of the

United Nations and the political destiny of Europe **Index Islamicus** ,1994 **Law, Power, and the Sovereign State**
Michael Ross Fowler,Julie Marie Bunck,2010-11-01 In the wake of the collapse of the Soviet bloc it is timely to ask what continuing role if any the concept of sovereignty can and should play in the emerging new world order The aim of Law Power and the Sovereign State is both to counter the argument that the end of the sovereign state is close at hand and to bring scholarship on sovereignty into the post Cold War era The study assesses sovereignty as status and as power and examines the issue of what precisely constitutes a sovereign state In determining how a political entity gains sovereignty the authors introduce the requirements of de facto independence and de jure independence and explore the ambiguities inherent in each They also examine the political process by which the international community formally confers sovereign status Fowler and Bunck trace the continuing tension of the chunk and basket theories of sovereignty through the history of international sovereignty disputes and conclude by considering the usefulness of sovereignty as a concept in the future study and conduct of international affairs They find that despite frequent predictions of its imminent demise the concept of sovereignty is alive and well as the twentieth century draws to a close Vietnam in Iraq David Ryan,John Dumbrell,2007-01-24 More than most post 1970 conflicts involving US forces the conflict in Iraq has been fought out against a background of frequently invoked memories from the era of the Vietnam War The essays in this book offer a series of perspectives on connections and parallels between the Vietnam War and the 2003 invasion of and conflict in Iraq The contributors particularly examine the impact of the Vietnam analogy on the War in Iraq assessing the military tactical lessons learned from the Vietnam War and exploring the influence and persistence of its legacy in US politics culture and diplomacy The volume holds up to original interrogation some commonly held assumptions about historical analogy and several distinguished authorities on the Vietnam War era in particular offer their thoughts on the value and applicability of Vietnam Iraq parallels If most contributions point out some obvious dissimilarities between the two eras notably the transformed post Cold War international environment the similarities particularly those relating to the problems of cultural misunderstanding are also apparent Vietnam in Iraq will be of great interest for all students and researchers of the Iraq War strategic studies international relations and American politics U.S. Army War College Guide to National Security Policy and Strategy J. Boone Bartholomees,2001 **Iran, Iraq and the Arab Gulf States** J. Kechichian,2016-04-30 A decade after the War for Kuwait and two decades after the Iran Iraq War the wider Gulf region remains mired in internal regional and international conflicts Iran Iraq and the Arab Gulf States presents analytical perspectives including solution oriented assessments to identify major causes for actual and potential conflicts throughout the Gulf The twenty six papers assembled in this volume identify trends for the next decade Studies on Iranian Iraqi Saudi and Arab Gulf States political agendas on the domestic regional and international fronts are included along with assessments on pending legal issues including border disputes relations among the Gulf states themselves as well as their complex and evolving ties with several Western powers The study closes with four trends

chapters looking at the 2000 2010 period *The Navy in the Post-Cold War World* Colin S. Gray, 2010-11 The Navy in the Post Cold War World is the first book to invite the reader to think strategically explores the strategic relationship among sea land and air power with particular attention to the course of a conflict viewed as a whole and ventures boldly into the region of the meaning of space strategy for maritime power and the relevance of that power in the still emerging post Cold War security environment The Navy in the Post Cold War World is unusual because it is written by an internationally recognized general strategic theorist and analyst rather than by a long standing naval writer Gray is thus better able to view naval issues in proper perspective Gray delves deeply into the role of sea power as an enabling agent and team player in the overall enterprise of national and international security He provides the most current assessment of what sea and space power mean for each other as well as envisioning the future of maritime oriented defense The A to Z of the Persian Gulf War, 1990-1991 Clayton R. Newell, 2007 Contrary to many assessments that immediately followed the end of the 1991 Persian Gulf War that war was neither short nor decisive The 1991 conflict was the dramatic manifestation of long standing antagonisms among the principal participants and its results continue to have a profound effect on the region a fact that can be seen most clearly in the current U S occupation of Iraq It is therefore important to determine on the diplomatic side just how the war got started how it was fought and whether the dramatic ground campaign should have exceeded the mere hundred hours it lasted in order to bring about a more decisive conclusion With the seemingly endless follow up to the war continuing The A to Z of the Persian Gulf War 1990 1991 draws together the results of assessments of the war by a multitude of commentators This is accomplished through an introduction a chronology a list of acronyms and abbreviations a bibliography appendixes and hundreds of cross referenced dictionary entries on many of the significant civilian and military persons crucial diplomatic and political actions as well as the essential military aspects including the strategy and tactics the encounters and battles and the forces and weapons deployed by both sides As the situation in the Middle East continues to deteriorate this reference provides an important historical perspective on an increasingly critical issue

This Enthralling Realm of Kindle Books: A Thorough Guide Unveiling the Pros of Kindle Books: A World of Convenience and Versatility Kindle books, with their inherent mobility and simplicity of availability, have freed readers from the limitations of hardcopy books. Persian Gulf Crisis Power In The Post Cold War World Introduction

In the digital age, access to information has become easier than ever before. The ability to download Persian Gulf Crisis Power In The Post Cold War World has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Persian Gulf Crisis Power In The Post Cold War World has opened up a world of possibilities. Downloading Persian Gulf Crisis Power In The Post Cold War World provides numerous advantages over physical copies of

books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Persian Gulf Crisis Power In The Post Cold War World has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Persian Gulf Crisis Power In The Post Cold War World. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Persian Gulf Crisis Power In The Post Cold War World. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Persian Gulf Crisis Power In The Post Cold War World, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Persian Gulf Crisis Power In The Post Cold War World has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Persian Gulf Crisis Power In The Post Cold War World Books
