Choi, 2008-01-31 A compelling story of a mad bomber a suspect scientist and paranoia in the age of terror from the National Book Award winning author of Trust Exercise and My Education Professor Lee an Asian born mathematician near retirement age would seem the last person to attract the attention of FBI agents Yet after a colleague becomes the latest victim of a serial bomber Lee must endure the undermining power of suspicion and face the ghosts of his past With its propulsive drive vividly realized characters and profound observations about soul and society Pulitzer Prize finalist Susan Choi's third novel is as thrilling as it is lyrical and confirms her place as one of the most important novelists chronicling the American experience Intricately plotted and psychologically acute A Person of Interest exposes the fault lines of paranoia and dread that have fractured American life and asks how far one man must go to escape his regrets Person of Interest Rick

MCCANN, 2010-06-28 When you're a cop sometimes the answers come easy and the bad guy is easy to find and lock up Sometimes it's not that simple and you find yourself deep into an investigation that leads you in many different directions and twists and turns and throws one curve ball after the other Sometimes the person that you suspected committed the crime isn't the person at all and you're left chasing shadows unknowns and Persons of Interest Person of Interest Theresa

Schwegel, 2007-11-27 Leslie McHugh is married to an undercover cop She thinks she knows what it's like to share her life with a man who spends his days living a lie who keeps secrets for a living who trusts no one not even her She can see the pressure the fear the pent up rage and worst of all the distance growing between them that Craig promised he'd never allow But what does she really know Lonely tired and starting to drink too much she knows that their marriage is on the rocks because her husband lives a second life she knows almost nothing about When a thousand dollars disappears from their bank account she wants answers but before she can even ask the questions their seventeen year old daughter a real cop's kid

already on a collision course with trouble turns up at the center of Craig's investigation into a snitch's violent death. Leslie had enough; she's determined to get to the truth and protect her family no matter what the cost. Again and again Edgar Award winner Theresa Schwegel shows a remarkable ability to get inside a cop's world both at the precinct house and at home, making *Person of Interest* some of the most compelling crime fiction in bookstores today. [Person of Interest Investigator's Guide](#) J. Warner Wallace, 2021-09-21 Imagine investigating a murder in which there was no crime scene, no physical evidence, and no victim's body. How would you identify a person of interest in such a case? Designed to be used alongside *Person of Interest* and the *Person of Interest* Video Study, this study guide will teach you the same investigative strategies used by detective J. Warner Wallace to examine the claims of history. Dateline featured cold case detective and bestselling author J. Warner Wallace has investigated a number of these "no body missing person" cases and has successfully identified and convicted the killers even without the victim's body or evidence from the crime scene. Can the historicity of Jesus be investigated in the same way? Can the truth about Jesus be uncovered even without a body or a crime scene? In *Person of Interest*, Wallace describes his own personal investigative journey from atheism to Christianity as he employs a unique investigative strategy to confirm the historicity and deity of Jesus without relying on the New Testament manuscripts. Imagine a scenario in which every New Testament document has been destroyed. Wallace carefully sifts through the evidence from history alone to reconstruct the identity of Jesus as the world's most important person of interest. *Person of Interest* will invite readers into the life of a cold case detective as he uncovers the truth about Jesus using the same approach he also employs to solve a real murder case. Teach readers how to become good detectives using an innovative and unique "fuse and fallout" investigative strategy they can also use to examine other claims of history. Help readers to explore common objections to Christianity. Concrete, compelling, and unique in its approach, *Person of Interest* will strengthen the faith of believers while engaging those who are skeptical and distrusting of the New Testament. **A Person of Interest** Ardelle Holden, 2018-05-29 Samantha took a taxi from the SkyTrain terminal to Chinatown that blustery night. She was happy with the progress she'd made on her novel in the two weeks she'd been away. But the breakup with Don when she'd left had not gone well, and she cringed at the thought of having to deal with his temper again. Tired and soaked to the skin, Samantha climbed the stairs to her friend's apartment. The door stood ajar, which was curious. Siobhan should have been at work. When Samantha peered in, she could just see the outline of two ominous figures skulking in the gloom. She gasped and slammed the door shut. She could hear their muffled shouts as she flew screaming down the stairs into the street. Gripped with fear and shielding her face from the driving rain, Samantha dodged between jousting umbrellas and the spray from the headlong rush of the traffic that threatened to thwart her escape. *A Person of Interest* thrills and excites with romance and danger in this debut mystery novel by Ardelle Holden.
