Personal Accounts From Northern Ireland's Troubles Marie Smyth, Marie-Therese Fay, 2000-04-20 Fresh look at Kurdistan Iraq today including the role of central government and international forces and the region's political and economic future

Paul Ricoeur's Pedagogy of Pardon Maria Duffy, 2011-11-03 Maria Duffy describes Paul Ricoeur's narrative theory of memory and addresses central conceptual and methodological issues in his theory of forgiveness and reconciliation As the many Truth Commissions around the world illustrate revisiting the past has a positive benefit in steering history in a new direction after protracted violence A second deeper strand in the book is the connection between Ricoeur and John Paul II Both lived through the worst period of modern European history Ricoeur a prisoner of war during WWII and John Paul who suffered under the communist regime Both have written on themes of memory and identity and share a mutual concern for the future of Europe and the preservation of the Christian identity of the Continent as well as the promotion of peace and a civilization of love The book brings together their shared vision culminating in the award to Ricoeur by John Paul II of the Paul VI medal for theology

Very British Rebels? James W. McAuley, 2016-01-01 Challenging traditional narrow views this unique work proposes to rethink and reinterpret Ulster loyalism from the beginning of the Troubles to the present day by tracing its religious paramilitary political and community influences The work examines the core values of loyalist communities the roots of violence and the shift toward peaceful coexistence with former enemies Also discussed are the DUP's claims that it represents loyalism's true voice along with the complex and varying degrees of commitment to the Crown the Protestant Faith and the British governance of Northern Ireland Lastly it looks at how cultural expressions of loyalist identity such as poetry or cartoons are being used in the reconstruction of a loyalist memory Written by a leading expert on Ulster loyalism the work is based on extensive interviews with loyalists and loyalist literature to provide an inside account of the processes of loyalist identity formation and transformation Drawing on political science sociology and cultural studies it will appeal to anyone interested in Irish politics as well as conflict and peace processes

Transitional Justice and the 'Disappeared' of Northern Ireland Lauren Dempster, 2019-06-11 This book employs a transitional justice lens to address the disappearances that occurred during the Northern Ireland conflict or Troubles and the post conflict response to these disappearances Despite an extensive literature around dealing with the past in Northern Ireland as well as a substantial body of scholarship on disappearances in other national contexts there has been little scholarly scrutiny of disappearances in post conflict Northern Ireland Although the Good Friday Agreement brought relative peace to Northern Ireland no provision was made for the establishment of some form of overarching truth and reconciliation commission aimed at comprehensively addressing the legacy of violence Nevertheless a mechanism to recover the remains of the disappeared the Independent Commission for the Location of Victims Remains ICLVR was established and has in fact proven to be quite effective As a result the reactions of key constituencies to the disappearances can be used as a prism through which to comprehensively

explore issues of relevance to transitional justice scholars and practitioners Pursuing an interdisciplinary approach and based on extensive empirical research this book provides a multifaceted exploration of the responses of these constituencies to the practice of disappearing It engages with transitional justice themes including silence memory truth acknowledgement and apology Key issues examined include the mobilisation efforts of families of the disappeared efforts by a former non state armed group to address its legacy of violence the utility of a limited immunity mechanism to incentivise information provision and the interplay between silence and memory in the shaping of a collective societal understanding of the disappeared

Lethal Force, the Right to Life and the ECHR Stephen Skinner, 2019-08-22 In its case law on the use of lethal and potentially lethal force the European Court of Human Rights declares a fundamental connection between the right to life in Article 2 of the European Convention on Human Rights and democratic society This book discusses how that connection can be understood by using narrative theory to explore Article 2 law s specificities and its deeper historical social and political significance Focusing on the domestic policing and law enforcement context the book draws on an extensive analysis of case law from 1995 to 2017 It shows how the connection with democratic society in Article 2 s substantive and procedural dimensions underlines the right to life s problematic duality as an expression of a basic value demanding a high level of protection and a contextually limited provision allowing states leeway in the use of force Emphasising the need to identify clear standards in the interpretation and application of the right to life the book argues that Article 2 law s narrative dimensions bring to light its core purposes and values These are to extract meaning from pain and death ground democratic society s foundational distinction between acceptable force and unacceptable violence and indicate democratic society s essential attributes as a restrained responsible and reflective system *Armed Struggle* Richard English, 2008-09-04 A timely work of major historical importance examining the whole spectrum of events from the 1916 Easter Rising to the current and ongoing peace process fully updated with a new afterword for the paperback edition An essential book closely reasoned formidably intelligent and utterly compelling required reading across the political spectrum important and riveting Roy Foster The Times An outstanding new book on the IRA a calm rational but in the end devastating deconstruction of the IRA Henry McDonald Observer Superb the first full history of the IRA and the best overall account of the organization English writes to the highest scholarly standards Moreover he writes with the common reader in mind he has crafted a fine balance of detail and analysis and his prose is clear fresh and jargon free sets a new standard for debate on republicanism Peter Hart Irish Times The one book I recommend for anyone trying to understand the craziness and complexity of the Northern Ireland tragedy Frank McCourt author of *Angela s Ashes* *Researching Conflict in Africa* Elisabeth J. Porter, 2005 Parts of Africa experience persistent violence and seemingly intractable conflicts These violent conflicts have drawn researchers seeking to determine and explain why conflicts are prevalent what makes them intensify and how conflicts can be resolved This book examines the ethical and practical issues of researching within violent and divided societies It provides

fascinating and factual case studies from Angola the Democratic Republic of Congo Ghana Nigeria Rwanda and South Africa The authors provide insights about researching conflict in Africa that can only be gained through fieldwork experience

Conflict Transformation and Peacebuilding Bruce W. Dayton, Louis Kriesberg, 2009-02-11 This book seeks to examine the causes of escalation and de escalation in intrastate conflicts Specifically the volume seeks to map the processes and dynamics that lead groups challenging existing power structures to engage in violent struggle the processes and dynamics that contribute to the de escalation of violent struggle and the participation of challengers in peaceful political activities and the processes and dynamics that sustain and nurture this transformation By integrating the latest ideas with richly presented case studies this volume fills a gap in our understanding of the forces that lead to moderation and constructive engagement in the context of violent intrastate conflicts This volume will be of great interest to students of conflict management peace studies conflict resolution ethnic conflict and security studies in general

The Arc of Memory in the Aftermath of Trauma Paula Morgan, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2015 This volume explores the diversity of transnational catalysts of trauma and the interconnected nature of its global out workings With reference to literary filmic visual and memorial representations the volume reflects trauma as a multi contextual impact emanating out of a macrocosmic and microcosmic social catalysts The essays deal with broad issues of religious and political ideologies imperial impulses ethnic and national contestation and the myriad ways in which they drill down to the individual level domestic violence and other violations poverty and oppression inequity gnawing injustice and more They also crisscross over domestic national and global political frameworks The essays speak to the imperative to represent painful collective pasts so as to alleviate its agony and acknowledge the right of its victims and perpetrators to give witness By extension it speaks to the practical and ideological imperative to engage issues of trauma ethics and testimony

Restorative Justice Holly Ventura Miller, 2008-05-19 Covers scholarly work in criminology and criminal justice studies sociology of law and the sociology of deviance

Transitional Justice and Legacies of State Violence Lisa White, 2015-03-05 As politicians public bodies and non Governmental organisations continue to profess an interest in making peace with the past this highly original study explores the motivation significance and legacy of making public experiences of state violence in Northern Ireland Based on a synthesis of documentary material with the findings from a series of contemporary interviews this timely book uncovers the reasoning behind many Republican former detainees accounts of state violence and torture It examines the aims of those who went public during the conflict and discusses the meaning they attached to their stories and the various responses to them It also identifies some of the risks involved in criticising the violence of the British State and illuminates the ways in which truths are often contested in Northern Ireland both during the conflict and in the years which have followed A unique piece of interdisciplinary work the study disentangles and evaluates the discourses presented by former detainees and makes an innovative and interesting contribution to knowledge about transitional justice and legacies of state

violence The book is suitable for social science scholars interested in human rights state violence criminology and transitional justice as well as those seeking to understand more about experiences of imprisonment and the legacy of the Northern Ireland conflict *Political Transition* Paul Gready,2003-04-20 In the twentieth century many countries around the globe experienced rapid and often traumatic political transformations From East Germany and Northern Ireland to Argentina Chile and Zimbabwe political transition has been momentous and has had a deep impact on the individual culture of each society This collection explores these periods of political transition and the impact that they have had through an analysis of memory identity space place and voice Concentrating in particular on post colonial and post oppressive regimes in Europe Southern Africa and Latin America the contributors assess how individuals come to terms with rapid political change and the enduring legacies of the past in the present They examine how political transformations affect people s memories and identities reworking spaces places and voices and how both official and unofficial mechanisms set up to cope with these changes impact on these issues Juxtaposing different country and regional experiences and different historical eras this is a comprehensive guide to the vast range of issues involved in political transition **Smashing H-block** F. Stuart

Ross,2011-01-01 The period from 1976 to 1982 is widely regarded as a crucial turning point in the Irish Troubles As time has passed the historic prison hunger strikes of 1980 and 1981 have taken on near mythic resonance somewhat distorting the broader picture of the Irish republican struggle against criminalization Focusing on the popular movement outside the prisons *Smashing H Block* gives us a gripping thorough account of this fateful time and reveals how these years of protest reshaped and revitalized modern Irish republicanism Drawing on extensive archival research and the widest range of sources available F Stuart Ross paints a compelling portrait of the last great wave of activism and mobilization with the nationalist population He argues that the protests outside of the infamous H Blocks of Maze Prison challenged republican orthodoxy while more broadly he examines the importance of popular grassroots movements in effecting political and social change

'The Age-Old Struggle' Jack Hepworth,2021-09-15 This is a wide ranging analysis of the internal dynamics of Irish republicanism between the outbreak of the Troubles in 1969 and the Good Friday Agreement of 1998 Engaging a vast array of hitherto unused primary sources alongside original and re used oral history interviews *The Age Old Struggle* draws upon the words and writings of more than 250 Irish republicans This book scrutinises the movement s historical and contemporary complexity the variety of influences within Irish republicanism and divergent republican responses at pivotal moments in the conflict Yet it also assesses the centripetal forces which connected republican organisations through decades of struggle Across five thematic chapters *The Age Old Struggle* offers new insights into republicanism s multi layered interactions with the global 68 tactical and strategic change revolutionary socialism feminism and religion Drawing on political periodicals ephemera and interviews with activists throughout the ranks of several republican groups the book roots its analysis in republicanism s temporal and spatial complexity It contends that the cultural significance of place interactions with class and

revolutionary politics and shifting intra movement networks are essential to understanding the movement's dynamics since 1969

Memory Ireland Oona Frawley, 2014-05-16 Recent years have seen cultural memory become a significant element in area studies and the humanities Ireland with its trauma filled history and huge global diaspora presents a fascinating subject for work in this vein This series as a whole seeks to construct a landscape of cultural memory in Ireland looking to map through an examination of various historical moments spaces and cultural forms the ways in which cultural memory shifts over time Volume 3 focuses on the impact of trauma on cultural memory by considering two cruxes the Famine and the Troubles as formative to the study of Irish cultural memory Topics include hunger strikes monuments to the Famine trauma and the politics of memory in the Irish peace process and Ulster Loyalist battles in the twenty first century Gathering the work of leading scholars such as Graham Dawson Richard Kearney Margaret Kelleher David Lloyd and Joseph Valente this collection is an essential contribution to the field of Irish studies

Truth Recovery and Justice after Conflict Marie Breen Smyth, 2007-10-18 This book considers the problem of managing the unfinished business of a violent past in societies moving out of political violence Truth Commissions are increasingly used to unearth the acts committed by the various protagonists and to acknowledge the suffering of their victims This book uniquely focuses on the conditions which predispose or p

Research Handbook on Transitional Justice Cheryl Lawther, Luke Moffett, 2023-08-14 Providing a refreshing take on transitional justice this second edition Research Handbook brings together an expanse of scholarly expertise to reconsider how societies deal with gross human rights violations structural injustices and mass violence Contextualised by historical developments it covers a diverse range of concepts actors and mechanisms of transitional justice while shedding light on new and emerging areas in the field

The A to Z of the Northern Ireland Conflict Gordon Gillespie, 2009-09-24 For nearly four decades the conflict in Ireland has embittered relations between the communities living there and spoiled relations between the Republic of Ireland and Great Britain For three decades it escalated punctuated by periodic bloody clashes followed by somewhat calmer periods of tension during which violence of all sorts robberies kidnappings serious injuries and deaths were all too common During the past decade fortunately all sides have realized that armed solutions were unlikely to bring a solution to anyone's problems and that peace should be given a chance Fortunately with the establishment of a new Northern Ireland Executive there is a general acceptance that the conflict is now part of the past The A to Z of the Northern Ireland Conflict covers the history of the Troubles through a chronology covering the Northern Ireland conflict and peace process from 1968 until the formation of the new Northern Ireland Executive in May 2007 an introductory essay a bibliography and several hundred cross referenced dictionary entries on main events individuals and organizations Researchers with an interest in the Northern Ireland conflict will find this book to be an essential addition to their collection of reference books on the subject

The Meanings of Violence Elizabeth A Stanko, 2005-08-18 The media often makes sense of violence in terms of randomness and evil But the reality as the contributors to *The Meanings of Violence*

demonstrate is far more complex Drawing on the diverse subject matter of the ESRC s Violence Research Programme from interviews with killers to discussions with children in residential facilities this volume locates the meaning of violence within social contexts identities and social divisions It aims to break open our way of speaking about violence and demonstrate the value in exploring the multiple contradictory and complex meanings of violence in society The wide range of topics include Prostitute and client violence Violence amongst young people at school and on the streets Violence in bars and nightclubs Violence in prison Racist and homophobic violence This book will be fascinating reading for students of criminology and academics working in the field of violent crime **In the Wake of the Tiger** David Clark, Rubén Jarazo Álvarez, 2010-09

The field of Irish Studies has undergone a period of great fruitfulness over the last decade Concurrent with the economic revolution and subsequent financial crash an immense interest in the island of Ireland and her cultural practices has been apparent from parts of the globe and academic debate on Irish culture and society has been intense and prosperous This volume contains a number of essays which approach a variety of issues raised within the framework of post Celtic Tiger Ireland with contributions from scholars working in Europe The book is divided into four sections on Trauma Studies on the relationship between Ireland with Europe and the rest of the world on Audiovisual Studies and on Ireland and the Celtic Tiger The essays reflect a variety of issues which are of great relevance to an understanding of the world of Irish Studies at the end of the first decade of the twenty first century
